wife and three children Three months later he signs a bill that bans the relatives of any foreign terrorists from entering the United States Not everyone is happy with the bill including Hammed Bohan an asylum alien and relative of former terrorist Bin Laden who was expecting his family to join him in Florida Soon after Hammed is compelled to join a group of terrorists A week before Independence Day the terrorist group takes a high school hostage in Washington DC and one of the president's daughters is among the hostages Neil Bull is an extraordinary former Marine sniper who only trusts three things his rifle his Bible and himself A note from the author I'm confident you're going to enjoy The Blue Hostage Here are some reasons why The Blue Hostage is written in a style called Cataphrase The scenes start and end with action The Correspondents Dinner scene is hilarious The hostage scenes will put you on the edge of your seat This story of the most powerful man in the world rescuing his daughter from the hands of a ruthless terrorist will thrill you Cataphrase is unique About Cataphrase Think of Cataphrase as a movie script designed to look like a book We use the word movie to describe a Cataphrase book because the genre focuses on writing movies alone Like one Cataphrase reader said When a good novel loses all its unnecessary weight it becomes a Cataphrase The concept of writing a book that gives a reader the experience of watching a movie is what gave birth to Cataphrase Simplified Cataphrase is a book that summarizes what happens in a movie without sacrificing the interesting parts Cataphrase doesn't use a table of contents or chapters instead the pages are Cataphrased into scenes A Cataphrase book does not exceed 200 pages The reason is because most book readers believe a book that is written to entertain people shouldn't exceed 250 pages as with the schedule of most people today it could take up to a month or more to finish reading it And let's say you have ten favorite authors and you've bought all their new books and each is 300 pages or more Imagine how long it will take you to read all the books I'm not saying it's impossible to read ten 300 page books in a month but let's be realistic Unless you are unemployed how many people have the time to read ten books in a month However the truth is if a book is interesting regardless of the size we can always find time to read it Often when we are on a bus train or plane or just waiting for an oil change we read one or two pages of a newspaper or that big novel we've been carrying about for a month Have you ever heard someone say Anytime I need to fall asleep I'll pick up a Bible and start reading A book shouldn't be a sleeping pill This is why Cataphrase is designed to entertain readers and not help them fall asleep The logic of Cataphrase is similar to that of a newspaper The first thing that attracts most people to a newspaper is the headline and the fact that the news is short yet interesting This logic is what Cataphrase intends to deliver **REVIEWS** Three words to describe The Blue Hostage Action humor and patriotic ACP reader **EDITOR'S COMMENT** This is exactly the kind of story that the Cataphrase style seems meant for big action larger than life characters and thrilling sequences Often the story just rips down the page and I can see readers consuming it very quickly just as they would a movie **A Breath of Freedom** Jorge Klapproth, 2022-04-27 Across Europe on two wheels It's a dream a breath of freedom This indescribable feeling of being alive takes hold of you especially when you are at one with the elements of nature Jorge Klapproth fulfils a

long cherished dream and tours Europe on his motorbike The first leg of this journey leads from western Germany to the northernmost point of Europe the North Cape in Norway From there the second leg leads to the southern tip of the continent to Cape Tripiti on the small Greek island of Gavdos The third stage then goes along the Adriatic Sea over the Alps back home A great tour that takes the author as a solo traveller over 13 000 kilometres and through 23 countries in Europe He reports about countless encounters experiences and valuable lessons learned in this exciting motorbike travelogue from the idea to the planning to the implementation in the midst of the worldwide pandemic **Getting the Most from Predictable Books** Michael F. Opitz,1995 The primary purpose of this book is to provide a resource of over 800 predictable trade books along with suggestions for their use In Part I you ll find some definitions of terms associated with predictable literature You ll also find some specific reasons and suggestions for using and innovating on predictable books as well as ideas for ways to use this book **The Schubert Song Companion** John Reed,1997-08-15 Provides background information on the text and translation for all of Schubert s songs A bible for the serious Schubertian Back cover **CRETACEOUS DREAM** Preston Phung, Cretaceous Dream is a 2025 paleofiction novel taking place on a giant island in the ancient archipelago of Europe This is a first person point of view novel meant to show how life on Earth may have been 66 million years ago Dalziel's Illustrated Arabian Nights' Entertainments ,1868
