My Problem With Christianity Is :

The Problem of Christianity Josiah Royce, 2001 Josiah Royce's late masterpiece *The Problem of Christianity* is based on a series of lectures he delivered at Manchester College Oxford in 1913. It presents his philosophical interpretation of Christianity's fundamental ideas: community, sin, atonement, and saving grace, showing their relevance to the current confluence of world religions and grounding his position upon a personal transformation into genuine loyalty toward the community of the entire human family. *The Problem* opens up a mine of surprising treasures while its prophetic voice speaks to contemporary issues and current movements in ecumenics and inter-religious dialogue. Frank M. Oppenheim's new introduction highlights its relevance to some of the pressing problems of the new century. A notable contribution to the interpretation of Christian ideas. *The Nation*. Royce has contributed largely to the treasures of religious thought. *New York Times*. **Problems of Christianity and Scepticism. Lessons from Twenty Years' Experience in the Field of Christian Evidence** Alexander James Harrison, 1891 **My Problem with Christianity Is--** Paul Weston, 1992 **Christianity and the Problem of Evil** Larry Lacy, 2021-12-16 This book deals with the problem of evil that the Christian faith faces. Is the Christian faith which affirms that there exists a God who is omniscient, omnipotent, and perfectly good improbable given the horrendous evils encountered by some in this life, and is the Christian faith improbable given the evils the Christian faith affirms for some in the age to come, eternal judgment and eternal punishment? Some reflective persons see the problem of these eschatological evils as the most serious challenge to the reasonableness of the Christian faith. I argue that once we become clear about what the New Testament teaches about each of these eschatological evils, a way is opened up to show that it is not improbable for us that each of these teachings of the New Testament is fully consistent with the perfect goodness of God. I then argue that the doctrines of eternal judgment and eternal punishment properly understood open up an important resource for dealing with the problem that the grave evils of this life create for the Christian doctrine of the omniscience, omnipotence, and perfect goodness of God. **Critical Responses to Josiah Royce, 1885-1916** Randall E. Auxier, 2000-08-15 This set collects the most important responses to the philosophy of Josiah Royce, 1855-1916, perhaps the most influential philosophical idealist America has yet produced. Royce's works in theology, metaphysics, logic, history, psychology, epistemology, social policy, ethics, and even his fiction are still widely read and discussed. These volumes contain reviews of his most important books and ideas and therefore should be of use to the study of American philosophy and the history of philosophy. **Searching for Christianity** Norman Thornton, 2011-07-04 Taking a multi-purpose and inter-denominational approach, this is a book addressed to all Christians who in this sceptical age may be experiencing a religious crisis or doubts as to their commitment to Christ's teaching and Revelation. Whilst this book is written from the basis of conviction, it insists on demonstrating factual evidence. Nothing is presented which is contrary to the reason of the ordinary man or woman in arguing the basis of religious truth. With this in mind, the reader is taken through the Bible from the book of Genesis onwards, and answers are offered for many

of those difficult questions which usually arouse anxiety in the minds of the faithful from time to time In addition the book offers questions and discussion topics at the conclusion of each chapter This is an ideal handbook which religious teachers and ministers of all denominations will find helpful written by a fully qualified scholar holding a doctorate in theological studies *International Problems and the Christian Way of Life* Inquiry (New York, N.Y.). Commission on international relations, Inquiry, New York. Commission on international relations, 1923

Small Christians Dr Harry Jay, 2014-08-30 Religion the Problem is Christians From rock stars sporting huge crosses around their necks and then behaving in the most outrageous behavior to people with the Christian symbol of a fish on the rear of their cars screaming obscenities and giving certain body gestures in an act of road rage is it no wonder that the world has found Christianity lacking But Christianity is about Christ and not Christians We live in a hurting world with hurting people And the Church is not isolated from that hurt In fact the Church actually accentuates the hurt Why The Church is comprised of people who are hurting and coming to church for help and it is also comprised of people who have been helped that are coming to worship God When you bring former hurt together with current hurt and drop it together with imperfect people there are going to be problems The great mystery of God revealed by His Son Jesus Christ is not that we live for God as Christians but that God lives through us and in us Our hope is in Christ and since we are all broken pots we can expect problems And only through our faith in Christ will we rise above for we can do nothing without Him This is not a book on spiritualism and in fact it is a book of spirituality vs religion It delineates what are the differences in religions and speaks about religion spirituality In today's Christian world you need to read this book Isn't it time the world sees the true face of Christianity **Why the Christian Right Is Wrong** Robin Meyers, 2008-04-04 I join the ranks of those who are angry because I have watched as the faith I love has been taken over by fundamentalists who claim to speak for Jesus but whose actions are anything but Christian Robin Meyers from his Speech Heard Round the World Millions of Americans are outraged at the Bush administration's domestic and foreign policies and even angrier that the nation's religious conservatives have touted these policies as representative of moral values Why the Christian Right Is Wrong is a rousing manifesto that will ignite the collective conscience of all whose faith and values have been misrepresented by the Christian Right Praise for Why the Christian Right Is Wrong In the pulpit Robin Meyers is the new generation's Harry Emerson Fosdick George Buttrick and Martin Luther King In these pages you will find a stirring message for our times from a man who believes that God's love is universal that the great Jewish prophets are as relevant now as in ancient times and that the Jesus who drove the money changers from the Temple may yet inspire us to embrace justice and compassion as the soul of democracy This is not a book for narrow sectarian minds read it and you will want to change the world Bill Moyers In this book a powerful and authentic religious voice from America's heartland holds up a mirror to the Bush administration and its religious allies The result is a vision of Orwellian proportions in which values are inverted and violence hatred and bigotry are blessed by one known as The Prince of Peace who called us to love our enemies

If you treasure this country and tremble over its present direction this book is a must read John Shelby Spong author The Sins of Scripture Exposing the Bible s Texts of Hate to Reveal the God of Love This is a timely warning and a clarion call to the church to recover the Gospel of Jesus Christ and to a great nation to resist the encroachment of the Christian Right and of Christian fascism Many of us in other parts of the world are praying fervently that these calls will be heeded Archbishop Desmond Tutu **The Christian doctrine of life** Josiah Royce,1913
