Activating Your Healing Energies -- Physical, Mental, Spiritual Ed Leary,2011-07-25 Our Energy Spectrum Whenever I have a problem to solve I know that both the problem and the solution

are constructed from energy If I really thought about it I would probably conclude that all of my problems while on this planet earth were created by human energies This is especially true of our health Whenever I look for a solution I invariably begin with physical symptoms and arrive mostly at a physical solution I know that we all have energies that are not physical We have energies of a higher vibration with varying polarities that manifest as thought emotion subconscious impressions and even spiritual impressions All of these energies are required to promote true holistic healing The healing energies that I'm referring to don't merely suppress symptoms either as the general populations seem to prefer Healing energies must treat the whole person both physical and subtle so that healing can be more permanent and more satisfying In order to accomplish this however a change of viewpoint a change of attitude or even a change in beliefs is often required In addition no healing is possible without an understanding of the laws that govern the physical as well as the more subtle realms of mind and Spirit Violation of these laws is the main reason that we get sick suffer and die Therefore those ancient barriers that our institutions have constructed between science psychology and religion must come down Then and only then will we understand what laws we violated that made us sick and what we must do to get well Ed Leary [Summary Bundle | Medical Medium Spiritual Healing](#) ZIP Reads, 2018-11-29 PLEASE NOTE This is a collection of summaries analyses and reviews of the books and not the original books Whether you'd like to deepen your understanding refresh your memory or simply decide whether or not these books are for you ZIP Reads Summary Analysis is here to help Absorb everything you need to know in about 20 minutes per book This ZIP Reads Summary Analysis Bundle includes Summary Analysis of Medical Medium A Guide to the Book by Anthony William Summary Analysis of Medical Medium Life Changing Foods A Guide to the Book by Anthony William Summary Analysis of Mind to Matter A Guide to the Book by Dawson Church Summary Analysis of Medical Medium Liver Rescue A Guide to the Book by Anthony William Summary Analysis of The Healing Self A Guide to the Book by Deepak Chopra and Rudolph Tanzi Each summary includes key takeaways and analysis of the original book to help you quickly absorb the author's wisdom in a distilled and easy to digest format ZIP Reads summaries mean you save time and money reading only what you need Buy this five book bundle and start healing your mind and body from within Medical Medium Overview If you've struggled with different doctors and misdiagnoses Medical Medium is a must have book William provides information about mystery illnesses never revealed before He offers solutions that are natural practical and effective Moreover he gives insights on how to cleanse your body heal your mind and renew your soul by connecting with the heavens Medical Medium Life Changing Foods Overview What inspired Hippocrates the father of modern medicine to say Let food be thy medicine and medicine be thy food He tapped into an understanding of the benefits of life changing foods In his book William explains what the holy four food groups are what conditions and symptoms they can address and how to entrench them in your diet In addition the book enlightens you on the spiritual aspect of healthy eating and gives a comprehensive explanation of how body soul and spirit work together and how to adapt it in our daily lives Mind to Matter
