A loving look at disposable horror culture from the 1960s and 1970s. Over two glorious decades, the horror film waged war on good taste, exploiting every taboo and bursting every envelope along the way. TRASHFIEND is the definitive guide to the chaotic, creative, and endlessly entertaining golden age of horror cinema. Scott Stine, author of *The Gorehound's Guide to Splatter Films* series, shines a fond but satirical light on everything from low budget horror films to grisly comic art, lurid movie magazines to late night creature features, campy monster toys to exploitive poster art. Packed with reviews, trivia, interviews, anecdotes, and rare illustrations and written with witty and insightful flair, TRASHFIEND will fascinate aficionados, nostalgists, and cinema lovers of every stripe. For a fun, energetic, and critical look at this beloved genre.
