Numerical Structure Of Scripture:

The Numerical Structure of Scripture Frederick W. Grant, 2015-02-06 Introductory The Numerical Structure of Scripture The Scripture Numerals The Numerals Continued The Bible Books Their Arrangement and Relationship The Books of the Prophets The Psalm books Gospels and Acts The Epistles and the Revelation *The Numerical Structure of Scripture* F. W. Grant, 2017-09-23 Please see the description for this title below But first Our promise All of our works are complete and unabridged As with all our titles we have endeavoured to bring you modern editions of classic works This work is not a scan but is a completely digitized and updated version of the original Unlike many other publishers of classic works our publications are easy to read You won't find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % but there has been no attempt to develop this correspondingly In the nature of the book it is but an introduction for which purpose much enlargement would rather injure it than otherwise May the Lord be pleased still to use it for the help of students of the inspired Word **The Numerical Bible** F. W. Grant, 1897 This classic series combines the author's translation of Scripture with a complete Bible commentary arranged according to the numeric patterns found in God's Word [The Numerical Structure of the Holy Bible](#) Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **The Numerical Structure of Scripture** Frederick William Grant, 1899 [The Numerical Bible](#). Frederick W. longer use and investigation The natural meaning always underlies the spiritual and this harmony is the justification of the latter showing the symbolism to be real There are but 7 to be considered really 7 being the well known number of perfection and 8 symbolizing what is new in contrast with the old simply showing that the series does end with the former Larger numbers are but in their signification compounds of the smaller ones as ten 5×2 twelve 4×3 forty $4 \times 5 \times 2$ Those which cannot be multiplied need more inquiry to determine as scripture methods must be learned from Scripture One One always signifies unity or primacy meanings strictly natural but which may be applied variously as is evident It excludes another thus may speak of singleness singleness even of a single state barrenness So of sufficiency competency without help of other power omnipotence Or of independency standing alone whether competent or not in a creature rebellion Or unchangeableness perpetuity eternity as implied by these together these are in fact but oneness in successive time It excludes difference if altogether this is identity truth is identity of the affirmation with the fact If internal difference then we have harmony of parts or attributes consistency congruity righteousness which is moral congruity with position integrity which is wholeness oneness If external difference and in various aspects agreement concord peace the being at one All these are but in different ways the same idea fundamentally and no doubt the number of its expressions might be increased but one may stand also for its ordinal first primacy Thus in time the beginning which may be as with God causative and so speak of source cause origin paternity easily passing into the thought of supremacy sovereignty headship while in connection with mind it implies plan counsel election will Two Two is fundamentally the opposite of one there is now another About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Numerical Bible.
