Bentz, 1992-01-01 **Basic Steps in Planning Nursing Research** Marilynn

Wood, Janet C. Kerr, 2011 *Basic Steps in Planning Nursing Research From Question to Proposal* is the perfect introduction to the research process. It details the development of an effective research plan and guides readers through all stages of the process from finding a research topic to the final written proposal. It takes an in-depth focus on the planning process which makes it an excellent tool for beginners while still being relevant to people at all levels of study who need to develop a research plan. The Seventh Edition continues to teach readers how to prepare an appropriate question and topic and the steps it takes to formulate a conclusion. All of the chapters have been updated with new references and current information including a renewed focus on evidence-based practice and an expansion of research ethics. Proposals are included at the end of the text to help students learn.

The Nursing Student's Guide to Clinical Success Lorene Payne, 2010-10-25. *The Nursing Student's Guide to Clinical Success* is the perfect resource for undergraduate nursing students entering the clinical side of their education. This text helps students better understand their role as a health care provider by preparing them for what they will encounter on the clinical floor in hospital or other health care setting. The first text of its kind, this shows students how to get the most out of a clinical experience.

Nurse's Legal Handbook, 2004. The newly revised Fifth Edition of this handbook is an up-to-the-minute authoritative guide to the legal and ethical issues faced daily by nurses. Replete with real-life examples and information from hundreds of court cases, the book covers the full range of contemporary concerns including computer documentation, cloning, stem cell research, pain management, euthanasia, prescribing, privacy and confidentiality, as well as the nursing shortage. New topics include workplace violence and harassment, needlesticks, telephone triage, and quality assurance. A new Legal Tip logo highlights proactive protective actions nurses can take, and an entire chapter explains step by step what to expect in a malpractice lawsuit.

Notes on Nursing Florence Nightingale, 1860. *Notes on Nursing: What it is and What it is Not* is a book first published by Florence Nightingale in 1859. It was intended to give hints on nursing to those entrusted with the health of others.
