## **Nursing Malpractice Implications For Clinical Practice And Nursing Education:**

**Nursing Malpractice** Janet Pitts Beckmann,1995 This book came about by chance Through a very close friend and colleague I was approached fifteen years ago by a prominent attorney to review a nursing malpractice case I said I was not interested because I associated such cases with attorneys who were out there making trouble To make a long story short my friend twisted my arm and I looked at the case What I learned shocked me Never in my worst imaginings had I thought that nurses could or would provide such poor care From the Introduction

**Nursing Malpractice** Charles C. Sharpe,1999-05-30 Students and professional nurses at any level of clinical practice will find this book to be a vital resource on the basic legal concepts and principles of malpractice liability and risk management and their implications for the profession The book also provides detailed strategies for dealing with these issues The content is also highly relevant to practitioners in all other health care and legal disciplines that collaborate in the delivery of health care Issues discussed include the expanding and evolving roles for professional nurses and the concomitant legal accountability and risk for liability the increasing incidence of nurses named as defendants in malpractice lawsuits anticipated changes in our health care delivery system and breakthroughs in science and technology that will present new legal questions The book also includes material on other important facets of today s nursing practice including the growing phenomenon of tele nursing the essentials of malpractice insurance and the legal significance of documentation and patients medical records It helps the reader identify the nurse at risk for a malpractice suit and the characteristics of the patient likely to sue The appendices provide information on state laws concerned with access to medical records a list of useful websites a list of state boards of nursing and a glossary of important terms

**The Lippincott Manual of Nursing Practice** Sandra M. Nettina,2001 In addition to comprehensive coverage of the four areas of nursing medical surgical maternal newborn pediatrics and psychiatric mental health the Seventh Edition of this classic reference book features a variety of useful updates New to this edition is an appendix of vitamins and herbs necessary for dealing with patients who treat themselves with popular dietary supplements Also unique to this edition are an increased emphasis on home care drug alerts standards of care and additional patient teaching information that includes complementary therapies Popular features including procedure guidelines nursing alerts and gerontologic alerts have been expanded New illustrations appear throughout

**Essentials of Nursing Leadership and Management** Diane K. Whitehead,Sally A. Weiss,Ruth M. Tappen,2009-10 Text covering issues and trends in nursing including delegation personal career development time management motivation communication and conflict resolution Provides examples from acute and long term care for nurse managers

**Supervision, Learning and Assessment in Clinical Practice E-Book** Sue Woodward,Sam Bassett,2025-05-27 Fully updated to comply with the latest Nursing and Midwifery Council NMC and Health Professional Council HPC guidelines this fourth edition of Supervision Learning and Assessment in Clinical Practice formerly Mentoring Learning and Assessment in Clinical Practice is an indispensable resource for clinical

educators responsible for supervising and assessing nursing and allied health professional students This book provides not only practical evidence based strategies for conducting fair and reliable assessments but also delves into the theoretical foundations that support these practices Comprehensive Guidance Practical strategies to manage the complexities and challenges of mentoring learning and assessing in clinical practice Focus on Accountability Critical exploration of professional responsibility and accountability including the legal ramifications surrounding clinical assessment Inclusive Education Enhanced focus on meeting the needs of students with special requirements including those with dyslexia in compliance with the Disability Act of 2010 Regulatory Alignment Direct application for mentoring and assessment of health care students in professions regulated by the Health and Care Professions Council HCPC Professional Conduct New material on monitoring and assessing professional conduct and behaviours including a comprehensive list of professional behaviours for assessment Addressing Failure to Fail Practical advice on managing assessment problems including when students need to be failed and why assessors often give underperforming students the benefit of the doubt This book is essential reading for clinical educators who play a critical role in ensuring that only practitioners who are fit to practice those possessing the requisite skills knowledge and motivation are approved for entry to the professional register Whether you are a seasoned practitioner or new to supervisory roles Supervision Learning and Assessment in Clinical Practice equips you with the tools and knowledge to support students effectively and maintain high standards of practice in clinical education

**Mentoring, Learning and Assessment in Clinical Practice** Ci Ci Stuart, 2013-06-20 This is a how to do it practice centred book providing workable educational strategies to assist busy practitioners supervise and support the learning and assessment of learners during clinical placements to achieve valid and reliable assessments All strategies are underpinned by a solid theoretical and evidence base The complexity and challenges of mentoring learning and assessing in the clinical setting are specifically addressed Particular focus on the management of the non achieving and failing student with reference to extensive recent work on mentoring learning and assessment of clinical practice Critical exploration of professional accountability and associated legal ramifications surrounding learning and assessment of clinical practice Detailed consideration of how to use a model for learning from experience as a framework to facilitate experience based learning Extensive reference to the legislation standards and guidelines on pre registration health care education published by the Nursing and Midwifery Council NMC and the Health and Care Professions Council HCPC Additional material on the monitoring and assessment of professional conduct and behaviours
