Old Santa Fe Trail:

Records and Maps of the Old Santa Fe Trail Kenyon Riddle, 1949 *The Old Santa Fe Trail, The Story of A Great Highway* Henry Inman, 2023-11-20 A soldier author's view of the American frontier The history of the expansion of the frontier of America is particularly marked by the famous perhaps legendary trails upon which pioneers in their prairie schooners or cattlemen driving their great herds crossed the vast continental interior All roads tell their own stories not by virtue of being routes of passage but because of the personalities of those who travelled them and the events that took place on or about them So it is that these highways have encapsulated their own place in the making of a nation This wonderful book chronicles one of the most famous trails from its earliest days when the Spaniard Coronado trod its dusty path to the Indian Wars of the later nineteenth century Many of the most famous Westerners make their appearance within its pages explorers scouts trappers Indian fighters lawmen outlaws ranchers and military men together with renowned tribes of native American Indians led in their struggles by equally famous leaders This book is a treasure trove of American Western history filled with anecdotes evocative illustrations and substantial first hand account passages by those who made history amazon

writes Stanley Vestal Vestal begins where the trail does He describes outfitting for the trip the society formed for survival the hunt for meat landmarks and the dangers He evokes the history and legends surrounding the trail at every point including figures like Kit Carson Jedediah Smith the Bent brothers and Uncle Dick Wooton **The Old Santa Fe Trail from the Missouri River** Dean Earl Wood,1951 Documentary proof of the history and route of the Santa Fe Trail **What I Saw on the Old Santa Fe Trail** James A. Little,2017-11-09 Excerpt from What I Saw on the Old Santa Fe Trail A Condensed Story of Frontier Life Half a Century Ago What I have written in this series of articles is the plain truth I doubt if a man could be found living today who crossed the plains on the old Santa Fe road in as early day as I Some of the facts recorded here have never been recorded in any history of Kansas or any account of the old road There can never again be a repetition of the scenes There will never again be great caravans of prairie schooners slowly wending their way across the great American desert The old Santa Fe road is almost obliterated Cities and towns have sprung up Dwellings school houses and churches decorate the prairie Horace Greely crossed the plains six years later than I In his comments he said There were more buffalo in sight than there are cattle in Illinois So I offer no other reason for this personal history of pioneer days About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
