Fixico, 2007-12-12 This invaluable reference reveals the long often contentious history of Native American treaties providing a rich overview of a topic of continuing importance Treaties with American Indians An Encyclopedia of Rights Conflicts and Sovereignty is the first comprehensive introduction to the treaties that promised land self government financial assistance and cultural protections to many of the over 500 tribes of North America including Alaska Hawaii and Canada Going well beyond describing terms and conditions it is the only reference to explore the historical political legal and geographical contexts in which each treaty took shape Coverage ranges from the 1778 alliance with the Delaware tribe the first such treaty to the landmark Worcester v Georgia case 1832 which affirmed tribal sovereignty to the 1871 legislation that ended the treaty process to the continuing impact of treaties in force today Alphabetically organized entries cover key individuals events laws court cases and other topics Also included are 16 in depth essays on major issues Indian and government views of treaty

making contemporary rights to gaming and repatriation etc plus six essays exploring Native American intertribal relationships region by region Eagle Voice Remembers John G. Neihardt, 2021-02 Eagle Voice Remembers is John Neihardt's mature and reflective interpretation of the old Sioux way of life. He served as a translator of the Sioux past whose audience has proved not to be limited by space or time. Through Neihardt's writings Black Elk, Eagle Elk, and other old men who were of that last generation of Sioux to have participated in the old buffalo hunting life and the disorienting period of strife with the U.S. Army found a literary voice. What they say chronicles a dramatic transition in the life of the Plains Indians; the record of their thoughts interpreted by Neihardt is a legacy preserved for the future. It transcends the specifics of this one tragic case of cultural misunderstanding and conflict and speaks to universal human concerns. It is a story worth contemplating both for itself and for the lessons it teaches all humanity from the introduction by Raymond J. DeMallie. In her foreword, Coralie Hughes discusses John G. Neihardt's intention that this book, formerly titled *When the Tree Flowered*, be understood as a prequel to his classic *Black Elk Speaks*. In this new edition, David C. Posthumus adds clarity through his annotations, introducing *Eagle Voice Remembers* to a new generation of readers and presenting a fresh understanding for fans of the original.

Witness Waggoner, Josephine, 2013-11-01 Josephine Waggoner's writings offer a unique perspective on the Lakota. *Witness* will become a widely referenced primary source. Emily Levine has meticulously examined all known collections of Waggoner's manuscripts, sometimes comparing handwritten drafts with multiple typed copies to preserve information in full. Levine's extensive notes are well chosen and informative. *Witness* will interest both specialist and popular audiences. Raymond DeMallie, Chancellor's Professor of Anthropology and American Indian Studies at Indiana University, During the 1920s and 1930s, Josephine Waggoner (1871-1943), a Lakota woman who had been educated at Hampton Normal and Agricultural Institute in Virginia, grew increasingly concerned that the history and culture of her people were being lost as elders died without passing along their knowledge. A skilled writer, Waggoner set out to record the lifeways of her people and correct much of the misinformation about them spread by white writers, journalists, and scholars of the day. To accomplish this task, she traveled to several Lakota and Dakota reservations to interview chiefs, elders, traditional tribal historians, and other tribal members, including women. Published for the first time and augmented by extensive annotations, *Witness* offers a rare participant's perspective on nineteenth and early twentieth century Lakota and Dakota life. The first of Waggoner's two manuscripts presented here includes extraordinary firsthand and as told to historical stories by tribal members, such as accounts of life in the Powder River camps and at the agencies in the 1870s, the experiences of a mixed blood H'kpa girl at the first off-reservation boarding school, and descriptions of traditional beliefs. The second manuscript consists of Waggoner's sixty biographies of Lakota and Dakota chiefs and headmen based on eyewitness accounts and interviews with the men themselves. Together, these singular manuscripts provide new and extensive information on the history, culture, and experiences of the Lakota and Dakota peoples.
