Relation Of Christology To Ethics In The First Epistle Of John

Jan G. van der Watt

Relation Of Christology To Ethics In The First Epistle Of John:

The Relation of Christology to Ethics in the First Epistle of John Garrett C. Kenney, 2000 The First Epistle of John has long been noted for its consistent interchange of Christology and ethics Kenney's study of this phenomenon is illuminated by an analysis of the historical situation and by a detailed exegesis of the text The Epistle is best understood as a corrective to the docetic tendencies both Christological and ethical of the Gospel of John It seems to have been written by someone other than the author of the Gospel yet faithful to his formulations of truth The Epistle teaches that Christology determines ethics Those who deny the expiatory death of Jesus are deprived of true spiritual life Those who affirm this teaching are gifted with regeneration and empowered to grow in the imitation of Christ The love of God first manifested in Christ is finally fulfilled in one's ethical transformation

Identity, Ethics, and Ethos in the New Testament Jan Gabriël Van der Watt, Francois Stephanus Malan, 2006 The book deals with the relation between identity ethics and ethos in the New Testament The focus falls on the way in which the commandments or guidelines presented in the New Testament writings inform the behaviour of the intended recipients The habitual behaviour ethos of the different Christian communities in the New Testament are plotted and linked to their identity Apart from analytical categories like ethos ethics and identity that are clearly defined in the book efforts are also made to broaden the specific analytical categories related to ethical material The way in which for instance narratives proverbial expressions imagery etc inform the reader about the ethical demands or ethos is also explored

Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher A. Porter, 2021-10-25 In *Johannine Social Identity Formation after the Fall of the Jerusalem Temple* Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel's intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in direct continuity with earlier Jewish shared social narratives Finally this work reviews the Johannine Community as an outcome of the Gospel identity formation

Salvation in the New Testament Jan G. van der Watt, 2005-11-01 *Salvation in the New Testament* offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In *Salvation in the New Testament* special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New

Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression They Went Out from Us Daniel R. Streett,2011-01-27 By means of careful historical work and exegesis Streett argues that the secession mentioned in 1 John did not have to do with a later complex Christological issue such as docetism Cerinthianism or a devaluation of the historical life death of Jesus but rather concerned the foundational belief in the Messiahship of Jesus a tenet the secessionists had renounced in order to return to the Jewish synagogue He critiques the common maximalistic mirror reading approach to the letter as misguided and contends that the letter is primarily pastoral meant to comfort and reassure the community rather than to argue against the secessionists Streett s main contributions are his detailed examination of the ancient historical evidence especially the Patristic evidence for the Johannine opponents and his in depth and innovative exegesis of the key opponent passages 1 Jn 2 18 27 4 1 6 5 6 12 2 Jn 4 11 **The New Testament** Donald A. Hagner,2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies A Grammar of the Ethics of John Jan G. van der Watt,2023-04-05 After a century of neglect Johannine ethics has enjoyed a recent surge in interest inspired by new theoretical insights in analysing ethical data in John s Gospel By closely re reading the text on the basis of this fresh research Jan G van der Watt s aim in the present volume is to reveal ethical data within its structural interrelatedness The result is a comprehensive overview of basic questions related to ethics such as what the basis or source of ethics actually is whether identity plays a role in ethical decision making how values and ethical requirements are to be recognised what is expected of an ethical agent and what ethical behaviour looks like As a coherent guide to getting deeds done ethically this first volume on the grammar of John s ethics focuses on this Gospel while a second is set to concentrate on his letters Volume 1 Dust Jacket Inside Front Flap **Dictionary of Jesus and the Gospels (2nd edn)** J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day

But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs. The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors, teachers, students and lay people desiring in depth treatment of select topics in an accessible and summary format. The topics range from cross sectional themes such as faith, law, Sabbath to methods of interpretation such as form criticism, redaction criticism, sociological approaches from key events such as the birth, temptation and death of Jesus to each of the four Gospels as a whole. Some articles such as the Dead Sea Scrolls, rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man, ancient rhetoric and the *chreiai*. Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels. The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church.

Leadership in John Garrett C. Kenney, 2000-10-18. Leadership in John employs both social scientific and systematic approaches to the Gospel and the Epistles of John in order to illuminate the role of leadership in these texts. Leadership is eventually defined as the means by which authority was made effective.

The Oxford Handbook of Johannine Studies Judith M. Lieu, Martinus C. de Boer, 2018-07-19. The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested although careful distinction between the implications of its language especially that of sonship in a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained. Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought. The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church. Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel whereas others are more able to give a more substantial place to the letters. All the contributors have themselves made significant contributions to their topic. They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective. The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own ongoing engagement with these writings.

Relation Of Christology To Ethics In The First Epistle Of John Introduction

In today's digital age, the availability of Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Relation Of Christology To Ethics In The First Epistle Of John versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Relation Of Christology To Ethics In The First Epistle Of John books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Relation Of Christology To Ethics In The First Epistle Of John books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Relation Of Christology To Ethics In The First Epistle Of John books and manuals for download and embark on your journey of knowledge?
