Religions In Dialogue From Theocracy To Democracy:

Religions in Dialogue Alan Race, Ingrid Shafer, 2017-11-30 This title was first published in 2002 Judaism Christianity and Islam as Abrahamic religions share much theological common ground and the momentum for dialogue between them at theological levels has greatly increased in recent decades This book explores the relationship between religion and the modern democratic state from the perspective of these three monotheistic traditions It investigates how the three religions in dialogue might overcome their historic antagonism as a prelude to working for the development of the global common good As part of the test of religious ideals some of the contributions bring theory down to earth by examining the role of religion in three democratic states with different histories Turkey Indonesia India and also in relation to a culture of human rights Drawing together leading Muslim Christian and Jewish authors from America Europe and Asia the book presents a rare collaboration of faiths and ideas to make a contribution to studies of inter religious dialogue and the changing role of religion in the democratic state

Religious Organizations and Democratization Tun-jen Cheng, Deborah A. Brown, 2015-03-26 Since the terrorist attacks on 9 11 the political roles of religious institutions and groups have captured international attention This book examines how religious institutions and organizations in various Asian countries are influencing democratic development and the shaping of government policies Religious Organizations and Democratization covers Taiwan Hong Kong Mainland China Korea Thailand the Philippines Malaysia Indonesia and Japan The chapters specifically address the engagement of Christian Buddhist Muslim and other religious organizations in the advancement and or hindrance of democratization in the region The contributors consider such questions as Why have some religious organizations played a decisive role in democratic transitions while others remained politically dormant and other still acted in conservative alliances to block democratic development Why did some religious organizations that once were active and instrumental to democratic change lose their political vitality as soon as civil liberties were successfully introduced And why did other religious organizations irrespective of their roles in the process of democratic transition emerge as key political forces in the civil society

Ways of Meeting and the Theology of Religions David Cheetham, 2016-02-24 Exploring the different points of view and tones of voice adopted in theology for the meeting of religions this book presents a contemporary philosophical and theological engagement with key issues of how different faiths might meet of comparative philosophy of religion of the use of aesthetics of inter religious ethics and issues relating to the self Providing a critical evaluation of contemporary liberal post liberal and conservative voices and an engagement with movements such as Radical Orthodoxy and Scriptural Reasoning to mention a few this book highlights the use of the creative imagination and explores new ideas for the meeting of religions

Twentieth Century Christian Responses to Religious Pluralism David Pitman, 2016-02-17 Twentieth Century Christian Responses to Religious Pluralism begins with the recognition that the traditional three fold typology adopted by Christians in responding to other living world religions is no longer adequate and

offers a much more sophisticated and developed approach This is accomplished with particular reference to ten key Twentieth Century theologians each of whom had significant influence in the field of inter religious studies both during their lifetime and beyond The author rejects the exclusivism and triumphalism of traditional Christian approaches and argues strongly and persuasively that the future for inter religious relationships lies in what he describes as classical pluralism and in an understanding of the importance of difference for inter faith dialogue Presenting an accessible introduction to the contemporary issues and challenges facing all those engaged in the further development of inter faith relationships dialogue and partnership between the world religions Pitman argues that the future of world peace and prosperity depends on the outcome

John Hick's Religious Pluralism in Global Perspective Sharada Sugirtharajah,2023-01-01 This volume contains fresh scholarly contributions to mark the birth centenary of John Hick the internationally well known philosopher of religion whose works continue to have significant global relevance in today s religiously diverse and conflict ridden world His writings have reset the parameters of religious pluralism Up till now Hick s religious pluralism has been mainly seen in relation to the Western context where Christianity is the predominant religion This volume includes both Western and non Western engagement with his thinking in contexts such as Japan China Korea Nigeria and India where Christianity is a minority religion with little political power Its distinctiveness lies in widening the debate on religious pluralism by bringing Hick s pluralistic hypothesis into a constructive cross cultural and interreligious conversation with scholars of Hinduism Jainism Daoism Judaism Christianity Islam and African traditional religions In doing so this collection examines how Hick s philosophy of religious pluralism has been received appropriated and appraised by these scholars It has been appreciated and critiqued in equal measure and continues to impact on current thinking on religious pluralism This volume makes a significant contribution to the debate initiated by Hick

Interfaith Activism Harold Kasimow,2015-11-04 Abraham Joshua Heschel was the towering religious figure of American Jewry in the twentieth century In *Interfaith Activism* Harold Kasimow who is known for his work on Heschel and on interfaith dialogue between Jews and members of other faiths presents a selection of his essays on Heschel s thought Topics include Heschel s perspective on the different religious traditions Heschel s three pathways to God his deep friendship with Maurice Friedman and Martin Luther King Jr and his surprising affinity to the great Hindu Vedantist Swami Vivekananda and to Pope Francis A new essay examines Heschel s struggle with the Holocaust Since the late 1950s when Kasimow was Heschel s student he has wrestled with Heschel s claim that in this eon diversity of religions is the will of God and Heschel s belief that there must be dialogue between the river Jordan and the River Ganges

Christian Approaches to Other Faiths Paul Hedges,Alan Race,2008 A textbook that explains the history rationale and workings of the various approaches It deals with attitudes towards different faiths considering the problems and relations that exist with Christian approaches

Shari'a As Discourse Lisbet Christoffersen,Jørgen S. Nielsen,2016-04-01 This volume exposes some of the various issues raised in relation to Muslim communities in Europe by

putting the intellectual and legal traditions into dialogue It brings together a number of scholars of Shari a and Islamic law with counterparts from the parallel European disciplines of hermeneutics philosophy and jurisprudence to explore how the processes of theological legal thinking have been expressed and are being expressed in a more or less common intellectual framework It provides a valuable reference for all those interested in exploring how Muslims and non Muslims view Shari a law looking at ways the European legal systems can provide some form of accommodation with Muslim customs

Religious Pluralism and the Modern World S. Sugirtharajah, 2011-12-13 A fascinating collection of essays by leading scholars in the field engage with the idea of religious pluralism mooted by John Hick to offer incisive insights on religious pluralism and related themes and to address practical aspects such as interreligious spirituality and worship in a multi faith context In Response to the Religious Other Marianne Moyaert, 2014-09-24 In the vast collection of his writings the French philosopher Paul Ricoeur only sporadically raised the issue of interreligious dialogue In this book comparative theologian Marianne Moyaert argues that Ricoeur s hermeneutical philosophy offers valuable signposts for a better understanding of the complexities related to interreligious dialogue By revisiting the key insights of Ricoeur s wider oeuvre from the perspective of interfaith dialogue Moyaert elaborates a Ricoeurian interreligious hermeneutic In Response to the Religious Other provides a coherent interreligious reading of Ricoeur s philosophy of religion his hermeneutical anthropology his ethical hermeneutics Moyaert shows that Ricoeur makes an exceptionally rewarding conversation partner for anyone wishing to explore the complex issues associated with interreligious dialogue This book is essential for studies of hermeneutics ethics religious philosophy global cooperation and hospitality comparative theology and religious identity
