Sandra Marie Schneiders

Religious Life The Challenge Of Tomorrow:

Religious Life Loan Le, 2016-06-22 Following the Second Vatican Council when each Religious Institute was encouraged to research its charism some Institutes experienced a tension between their charism and their mission or even difficulty identifying what their charism was This book is a study of the theological understanding of charism and of mission in relation to Religious Life within the Catholic Church While this topic has featured in much Roman Catholic theological literature since Vatican II there appears to be a dearth of in depth studies This book addresses this apparent lacuna It draws particularly on the work of two major theologians Jean Marie Roger Tillard OP and Sandra Marie Schneiders IHM who have reflected at length on charism and mission in the period leading up to Vatican II and on the implementation of its documents with respect to Religious Life The very significant contributions of Tillard and Schneiders on the topic provide Religious as well as others who want to know and understand Religious Life with an interesting and motivating insight into charism and mission in Religious Life Within the Roman Catholic Church a Year of Consecrated Life has just drawn to a close and this book forms a background and a response to Pope Francis Apostolic Letter to all Consecrated People on the occasion of the Year of Consecrated Life November 2014 which invited Religious to reflect on these aspects that are essential to the life they have chosen to live

Religious Life in a New Millennium Volume One Sandra M. Schneiders, I.H.M., *Religious Life* Cassian J. Yuhaus, 1994 The chapters in this book were originally talks given at the 25th International Institute for Religious which brought together a group of creative people to reflect on whether religious life has any future and what shape it might take The contributors to this book offer a variety of approaches that suggest the old ways of life are dead while the new ones are coming into focus

Finding the Treasure Sandra Marie Schneiders, 2000 Sandra Schneiders brilliant and perceptive analysis projects a new model of religious life Deeply exciting and genuinely consoling from back cover

Spiritan Life and Mission Since Vatican II William Cleary, 2018-02-01 The Second Vatican Council 1962-65 called for the renewal of all religious institutes in the Catholic Church The Congregation of the Holy Spirit Spiritans responded initially under the leadership of Archbishop Marcel Lefebvre Different interpretations of Vatican II caused divisions culminating in Lefebvre's departure from the congregation From this difficult starting point the Spiritans sought to redefine themselves in creative fidelity to their founding intention the spirit of Vatican II and the signs of the times *Spiritan Life and Mission since Vatican II* recounts this journey of renewal in three parts the Spiritan world before Vatican II and the election of Archbishop Lefebvre as superior general in 1962 the *ad experimentum* period culminating with a new rule of life in 1986 and the implementation of this new rule as interpreted through inter congregational discourse particularly the general chapters of 1992 1998 and 2004 The development of thinking on the church's mission and the congregation's rediscovery of the founding charisms of Claude Poullart des Places and Francis Libermann provide the parameters for this positive interpretation of the Spiritan journey of renewal Its evolution in the third millennium into a multicultural international missionary community of some

three thousand members from over sixty countries in service of the Missio Dei bears testimony to this The Evolution of a Vow Judith Schaefer, 2009 For centuries the vow of obedience has been at the heart of religious life With the renewal efforts of Vatican II the vow has been dramatically restructured but not theologically re envisioned The Evolution of a Vow Obedience as Decision Making in Communion addresses the changes in the vow and proposes a renewed theology that supports the living out of obedience in the twenty first century Obedience in communion as a theological proposal invites vowed religious to create a pattern of limitless listening that everywhere seeks the call of God to communion Against the horizon of communion obedience becomes the singular thread of grace by which vowed religious become who they are called to be

The General Chapter in a Religious Institute Elizabeth M. Cotter, 2008 This book examines the historical antecedents of the concept of general chapter the supreme authority in an institute of consecrated life This provides the basis for an examination of the contemporary understanding of the nature of its power and authority as portrayed in the 1983 Code of Canon Law The general chapter is analysed in terms of its juridic status collegial nature participative character and representative function as well as its dynamic aspects and faith dimension The author applies the findings to one institute of consecrated life Institute of the Blessed Virgin Mary Loreto Branch This application provides an example of the challenges inherent in working participatively and collaboratively within a hierarchical structure Because consecrated life has an inalienable ecclesial dimension understanding authority and power and their exercise in institutes of consecrated life has relevance for understanding authority and its exercise in other organs of authority at all levels in the church

Within and Without Michael John Cunningham, 2003 *Journey into Faith and Fidelity* Nadine Foley, 1999-01-10 This book is a collection of related stories by members of the Adrian Dominican congregation that reflects the creative movement that has taken place in religious life as women have responded to the

inspiration of Vatican Council II as well as to the impact of contemporary culture While the impetus to renewal came directly from the Church authority adaptation and change far exceeded what was originally envisioned by those who authorized the process particularly when the institutes responded to the directive to consult all the members The contributors to this book trace the most critical influences that moved religious congregations toward a renewed religious life They embraced a God who does not remain static but who moves in human history a loving God who relates to us in care and compassion a Holy Spirit who dwells within and inspires through discernment the decisions and directions that are to be taken a sense of personal worth and empowerment as women baptized into gospel mission and ministry a response to Church teaching that action on behalf of justice is constitutive of Gospel mission In renewing their religious life women have an important experience to offer the Church for ongoing renewal in the future as reflection upon these essays and continuing dialogue will reveal
