Religious Public Relations Handbook Religious Public Relations Council, 1976 **Religious Public Relations Handbook for Local Congregations** James Steele, **Religious Public Relations Handbook** Charles DeVries, 1982

Church Advertising, Public Relations and Marketing in Twentieth-Century America John C. Hardin, 2022-12-14
This book examines the complex relationship between religion and business in twentieth century America. It is the story of how Christianity's most basic institution, the local church, wrestled with the challenges and compromises of competing in the modern marketplace through adopting the advertising, public relations, and marketing methods of business. It follows these sacred promoters and their critics as they navigated between divinely inspired and consumer demanded. Amid an animated and contentious battleground for principles, practices, and parishioners, John C. Hardin explores the landscape of selling religion in America and its evolution over the twentieth century.
