Religious in the 1983 Code Elizabeth McDonough,1985 **Canon Law Explained** Fr. Laurence J. Spiteri ,2014-02-25

Not only inefficiency but frustration disorder anger and injustice threaten all human endeavors no matter how pure their motives or high their ideals That s why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies how conflicts are to be resolved and above all how each organization s mission is and is not to be accomplished Is it any wonder then that the Catholic Church comprised not of 200 persons but 1 2 billion members in 200 countries also governs itself by means of a handbook which it calls the Code of Canon Law Because handbooks and manuals concern themselves with the day to day inner working of organizations they often reveal more than do news releases about the actual purposes and genuine spirit of organizations a fact that s particularly true in the case of the Catholic Church Indeed if you want to know the Church for who She is you need to be familiar with the Code of Canon Law Unfortunately it contains over 1 752 rules or canons Among them you ll find fascinating canons that lay out the Church s official principles and procedures governing matters as various as abbots and annulments scandals and Sacraments monks and missions bishops and books priests and popes synods and sacraments homeschoolers hostile witnesses baptisms burials parishes penance confessions Councils impotence imprimaturs and even marriages to the person who murdered your spouse Thankfully Vatican expert and veteran author Fr Laurence Spiteri has in the pages of Canon Law Explained relieved you of the need to read all 1 752 of them fascinating or not Here he acquaints you with the fundamental canons by which the Church seeks to bring about as it declares in the very last canon the purpose all of them serve The salvation of souls which must always be the supreme law in the Church Fr Spiteri s brief but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non Catholics about our Church and that sometimes frustrates even us Catholics As he relates the Church s laws and procedures directly to Christ s command to go forth and teach all nations and to the role those laws and procedures play in your salvation and mine Fr Spiteri transforms what seem to be dry as dust rules into the sweet waters of salvation If you want to know the Church for who She is and to love Her more Canon Law Explained is the book for you

The Reception of Vatican II Matthew L. Lamb,Matthew Levering,2017 A sequel to Vatican II Renewal within Tradition OUP 2008 The Reception of Vatican II shows how the Council has been received and interpreted over the course of the more than fifty years since it concluded The meaning of the Second Vatican Council has been fiercely contested since before it was even over and since its completion has seen a battle for the soul of the Church waged through the interpretation of Council documents Each essay in this volume looks at how one of those documents has been interpreted in the post Vatican II era and points the way forward for its future reception

From Trent to Vatican II Raymond F. Bulman,Frederick J. Parrella,2006-05-25 The second Vatican Council was convened by Pope John XXIII between 1962 and 1965 It marked a fundamental shift toward the modern Church and its far reaching innovations replaced or radically changed

many of the practices rules and attitudes that had dominated Catholic life and culture since the Council of Trent in the sixteenth century In this book a distinguished team of historians and theologians offers an impartial investigation of the relationship between Vatican II and Trent by examining such issues as Eucharistic theology liturgical change clerical reform the laity the role of women marriage confession devotion to Mary and interfaith understanding As the first book to present such a comprehensive study of the connection between the two great Councils this is an invaluable resource for students theologians and church historians as well as for bishops clergy and religious educators **Shattered Faith** Sheila Rauch Kennedy,2013-05-15 In 1993 Sheila Rauch Kennedy received a letter from the Boston Catholic Archdiocese announcing that her former husband Congressman Joseph Kennedy was seeking an annulment of their marriage If the Church granted the annulment the marriage which had lasted twelve years would be rendered nonexistent not simply ended as was stated in the divorce decree but invalid from the start And their two sons would be regarded as children of an unsanctified union Joseph Kennedy needed the annulment to remarry within the Church and he encouraged his ex wife to ignore the details Stunned by the hypocrisy of the process and the betrayal of trust it involved Sheila Rauch Kennedy was determined to defend the legitimacy of her former marriage **Shattered Faith** is the fascinating chronicle of that struggle and of what Kennedy uncovered about the uses and frequency of annulments in the United States Interweaving her own experiences with those of other women whose trust in the Church was shattered by annulment she tells a story that will surprise anger and move readers of every faith The American Benedictine Review ,1986 **Bowker's Law Books and Serials in Print** ,1995

Religious Life as Imitation of Christ Serena Charivupurayidathil,1991 **Autopoiesis and Configuration Theory: New Approaches to Societal Steering** Roel J. in 't Veld,Catrien J.A.M. Termeer,Linze Schaap,Mark J.W. Martinyuk,2012-12-06 **Religious Leadership** Sharon Henderson Callahan,2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience
