Patrick Diamond

Remaking The Labour Party From Gaitskell To Blair:

Remaking the Labour Party Tudor Jones, 2005-09-21 Remaking the Labour Party examines the development of revisionist thought in the Labour Party from the 1950s up to Tony Blair's successful attempt to rewrite Clause Four in April 1995. The main focus is upon the most distinctive and controversial aspect of Labour revisionism: its attitude toward public ownership and socialism, private ownership and the mixed economy. Remaking the Labour Party comprises a detailed study of a process of ideological conflict which began with the Labour Party's debate in the 1950s over the link between public ownership and socialism. The deepening confrontation that arose from the revisionist thinking of Crosland and Gaitskell is explored in the Clause Four controversy of 1959-60 and in the uneasy compromise forged in its aftermath. The period of ideological truce under Harold Wilson's leadership is examined together with the bitter conflict that later resurfaced in the party during the 1970s and early 80s. Finally, the study focuses on the second stage of Labour's policy and ideological rethinking which developed after 1983 under the leadership first of Neil Kinnock and then of Tony Blair. Drawing on the author's own interviews with some of the leading protagonists of the debate as well as upon a wide range of primary and secondary sources, Remaking the Labour Party will be of value to students of modern British politics and political thought; it will also be of interest to observers and members of the Labour Party.

The modernisation of the Labour Party, 1979-97 Christopher Massey, 2020-07-06 This monograph recasts the modernisation of the Labour Party and sheds new light on Labour's years in the wilderness between 1979 and 1997. The monograph uniquely traces the party's major organisational changes across its eighteen years of opposition. Labour's organisational modernisation in this period fundamentally altered the party's internal structures, policy-making pathways and constitution. The study begins with an investigation into the scene inherited by Labour's leadership in the early 1980s and examines Neil Kinnock's quest for a stable majority on the party's ruling National Executive Committee between 1983 and 1987. From this position, the monograph surveys the major organisational changes of the Labour Party in their period of opposition: the Policy Review 1987-92, One Member One Vote 1992-94, Clause IV 1995-96 and Partnership in Power 1996-97. Through a re-examination of Labour's modernisation in the light of new source material and extensive primary interviews, this research significantly contributes to the understanding of the rise of New Labour.

Justifying New Labour Policy J. Atkins, 2011-04-12 An original combination of theoretical innovation and a detailed empirical analysis of the ideas, language and policy of New Labour. Politicians often appeal to moral principles and arguments in their efforts to win support for new policy programmes. Yet the question of how politicians use moral language has until now been neglected by scholars.

Social Policy Hugh Bochel, Guy Daly, 2014-03-26 This thoroughly updated new edition provides a comprehensive introduction to contemporary social policy and addresses its historical, theoretical and contextual foundations. Divided into four sections, it opens with a survey of the socio-economic, political and governmental contexts within which social policy operates, before moving on to look at the historical development of the subject. The third section examines

contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy including work and welfare education adult health and social care children and families crime and criminal justice health housing race disability Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations Social Policy is an essential textbook for undergraduate students taking courses in social policy and related courses such as criminology health studies politics sociology nursing youth and social work

New Labour's Old Roots Patrick Diamond, 2015-01-28 The New Labour project was not conjured up out of thin air it only looks that way because of the party's amnesia about the intellectual roots and political traditions which have guided it This book provides extracts from fifteen thinkers and politicians located within the revisionist tradition as an antidote to that amnesia It is an all star cast from R H Tawney Hugh Gaitskell and Anthony Crosland to Roy Hattersley Gordon Brown and Tony Blair The collection demonstrates that Labour's revisionism is not a rigid body of doctrine but a cast of mind that distinguishes between core values ends and policy instruments means revisionist thinkers are engaged in the continuous pursuit of policy innovation never shrinking from abandoning policies that fail to achieve the desired ends All successful Labour governments have been determined to avoid the confusion of means and ends These essays show a determination throughout the party's history to debate and discuss political ideas in the cause of a fairer more equal society Fully updated and revised edition

European Socialists and the State in the Twentieth and Twenty-First Centuries Mathieu Fulla, Marc Lazar, 2020-08-05 This edited volume promotes a comparative and transnational approach to the complex and ambiguous relationship between West European socialism and the contemporary state over the longue dur e It encourages a better understanding of socialism while also casting an original light on the history of the contemporary state in Europe Socialists have been a prime political force since the late nineteenth century through to the present Through their strength their presence at the heart of societies their dynamism inventiveness and influence they have left their mark on the European physiognomy and helped to forge part of its identity This is particularly true where the welfare state is concerned and the role played by the state in constructing embedding and extending this social model Surprisingly there has been no research aiming to systematically analyse the relationship between socialism and the state This volume fills a gap in knowledge by rejecting the media simplification and political polemic maintained by opponents of socialism and sometimes by socialists themselves which systematically links socialism with statism It focuses on numerous case studies involving France Italy Spain Greece Austria Germany Belgium the United Kingdom and Scandinavia and highlights the diversity of organisations within European socialism Ultimately this book demonstrates that the fate of this

political culture depends on the socialist parties themselves but also on any new configurations that states may assume. Conversely the future of states will also depend partly on the choices made by socialists if they still exist and still have the means to shape decisions and make their voices heard.

Leaders of the Opposition T. Heppell, 2012-03-27 Timothy Heppell brings together a renowned group of contributors to consider the role of the Leader of the Opposition in British Politics. The book argues that the neglect of opposition studies needs to be addressed especially given the increasing importance attached to the performance of the Leader of the Opposition in the British political system.

A History of the British Labour Party Andrew Thorpe, 2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010. This new edition of *A History of the British Labour Party* brings us up to date examining Gordon Brown's period in office and the Labour Party under the leadership of Ed Miliband. Andrew Thorpe's study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches. This new edition covers the entirety of the party's history from 1900 to 2014. Examines the reasons for the party's formation and its aims. Analyses the party's successes and failures including its rise to second party status and remarkable recovery from its problems in the 1980s. Discusses the main events and personalities of the Labour Party such as MacDonald, Attlee, Wilson, Blair and Brown. With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain's major political parties.

The Promise of the Third Way O. Newman, R. De Zoysa, Richard De Zoysa, 2001-05-16 Aiming to transcend the outdated conflict between Left and Right the Third Way was welcomed by leading figures on the world stage. Its programme of modernisation, flexibility and community regeneration indicated a way forward for the New Age. Within a firm market emphasis equality of opportunity and social inclusion were given a prominent place. However its lack of direction and disinclination to face hard decisions have left its promise unfulfilled. This book puts forward a rigorous rethinking towards making the Third Way an effective instrument of progress for Britain as well as abroad.

Political Issues for the Twenty-First Century Mark Cowling, 2017-07-05 Assembling accessible and informative essays on contemporary debates and future issues in politics this rewarding volume focuses on political developments in UK, European and international issues and modern theoretical debates and problems. Each essay establishes the historical context before providing a speculative analysis of possible future developments. The collection presents a range of challenging and provocative accounts that deal with some of the most delicate, complex and fundamental issues that affect people living in Western Europe in the twenty-first century.

Territory, Identity and Spatial Planning Mark Tewdwr-Jones, Philip Allmendinger, 2006-09-27 This book provides a multi-disciplinary study of territory, identity and space in a devolved UK through the lens of spatial planning. It draws together leading internationally renowned researchers from a variety of disciplines to address the implications of devolution upon spatial planning and the rescaling of UK politics. Each contributor offers a different perspective on the core

issues in planning today in the context of New Labour's regional project particularly the government's concern with business competitiveness and key themes are illustrated with important case studies throughout

The Struggle for Labour's Soul Raymond Plant, Matt Beech, Kevin Hickson, 2004 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper's Polly Toynbee discuss the Labour Party's political philosophy and address key topics like globalization constitutional reform equality and the third way

Understanding British Party Politics Stephen Driver, 2011-05-16 This is an excellent text which charts a safe path for students through the minefield that is contemporary British party politics in a wonderfully efficient yet engaging way

Colin Hay University Of Sheffield

The Struggle for Labour's Soul Matt Beech, Kevin Hickson, Raymond Plant, 2018-06-14 The election of the most left wing Labour Party Leader since 1945 followed by the Party's third consecutive general election defeat and the ongoing cultural divisions around Brexit present an ideal opportunity for a thorough re evaluation of the state of the Party within its broader ideological and historical context This second edition of this highly respected book analyses the current developments and places them in their historical setting through a clear three part framework of Ideological Positions Struggles and Commentaries Thoroughly updated and featuring contributions by leading academics and politicians it continues to represent one of the most ground breaking and thorough analyses of Labour's political thought in a generation and will be of key interest to scholars students and observers of British Politics British History Party Politics and the Labour Party

The Socialist Ideas of the British Left's Alternative Economic Strategy Baris Tufekci, 2019-11-30 This book provides the first book length study of the political and economic ideas of the British left's Alternative Economic Strategy in the 1970s and early 1980s Discussing the AES's approaches to capitalism the nation state and the working class it argues that existing academic accounts have significantly overstated the radicalism of the strategy Perhaps more notable especially in the light of its stated revolutionary aims was the extent of its moderation its continuities with post war Labour revisionism its marked reluctance to look beyond the market economy the degree of its preoccupation with Britain's global economic status and its inability to break with Labourist politics of class co operation in the national interest While the book argues that the AES was the last class politics socialist initiative in mainstream British politics it also explores the ways in which its ideas perhaps prepared the way for New Labour in the 1990s and its relationship with Corbynism since 2015

Corbyn Richard Seymour, 2017-12-05 How Jeremy Corbyn the radical left candidate for the Labour leadership won twice and won big In the 2017 general election Jeremy Corbyn pulled off an historic upset attracting the biggest increase in the Labour vote since 1945 It was another reversal of expectations for the mainstream media and his soft left detractors Demolishing the Blairite opposition in 2015 Corbyn had already seen off an attempted coup Now he had shattered the government's authority and even Corbyn's most vitriolic critics have been forced into stunned mea culpas For the first time in decades socialism is back on the agenda and for the first time in Labour's history it defines the leadership Richard Seymour tells the story of how Corbyn's rise was made possible by the

long decline of Labour and by a deep crisis in British democracy He shows how Corbyn began the task of rebuilding Labour as a grassroots party with a coalition of trade unionists young and precarious workers students and Old Labour pugilists who then became the biggest campaigning army in British politics Utilizing social media activists turned the media's Project Fear on its head and broke the ideological monopoly of the tabloids After the election with all the artillery still ranged against Corbyn and with all the weaknesses of the Left's revival Seymour asks what Corbyn can do with his newfound success

The Planning Polity Mark Tewdwr-Jones, 2005-06-27 Planning is not a technical and value free activity Planning is an overt political system that creates both winners and losers The Planning Polity is a book that considers the politics of development and decision making and political conflicts between agencies and institutions within British town and country planning The focus of assessment is how British planning has been formulated since the early 1990s and provides an in depth and revealing assessment of both the Major and Blair governments terms of office The book will prove to be an invaluable guide to the British planning system today and the political demands on it Students and activists within urban and regional studies planning political science and government environmental studies urban and rural geography development surveying and planning will all find the book to be an essential companion to their work

The Crosland legacy Diamond, Patrick, 2016-07-20 Anthony Crosland bequeathed a significant intellectual legacy to the Labour Party including his celebrated treatise The Future of Socialism published sixty years ago In this timely book Patrick Diamond argues that Crosland continues to serve as a vital reference point for today's Labour Party He considers a wide range of Crosland's writings on the economy and politics relating his ideas to ideological debates taking place within the Labour Party about egalitarian social democracy electoral strategy the European question and the importance of progressive liberalism on the British centre left This is the first substantial work to fully consider Crosland's legacy for British social democracy Written in a clear and persuasive way it will appeal to a broad audience of thinkers and activists with an interest in the history of the Labour Party and the British Left

Revisiting the Welfare State Robert Page, 2007-09-16 What was the impact of the Second World War on the development of the welfare state Did Attlee's pioneering post war Labour governments create the welfare state and a socialist society Was there a welfare consensus between Labour and the Conservatives in the period from 1951 to 1979 Was there a welfare revolution during the Thatcher and Major years What lies at the heart of New Labour's welfare policy In Revisiting the Welfare State Robert Page provides a persuasive fresh and challenging account of the British welfare state since 1940 His text re-examines some of the most commonly held assumptions about the post war welfare state and reignites the debate about its role and purpose Robert Page starts from the premise that the student of social policy can gain a deeper understanding of the welfare state by studying political and historical accounts of the welfare state party manifestos policy documents and political memoirs Drawing from these sources he provides a clear guide to the changing role of the state in the provision of welfare since 1940 Each of the five chapters is devoted to a particular theme associated

with the post war welfare state the last of which focuses on the strategy of the New Labour governments of Tony Blair
Written by one of the leading authorities on contemporary social policy Revisiting the Welfare State is a stimulating guide to the political history of the post war welfare state in Britain It is essential reading for students of social policy social work politics and contemporary history It will also appeal to the general reader who is seeking an accessible guide to the political history of the post war welfare state **Social Democracy in Power** Wolfgang Merkel,Alexander Petring,Christian Henkes,Christoph Egle,2008-03-31 Compares and explores how social democratic governments have had to adapt to globalization European integration and social change and whether they have successfully managed to uphold old social democratic goals and values in light of the devaluation of traditional policy instruments

Remaking The Labour Party From Gaitskell To Blair Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Remaking The Labour Party From Gaitskell To Blair PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Remaking The Labour Party From Gaitskell To Blair PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Remaking The Labour Party From Gaitskell To Blair free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Remaking The Labour Party From Gaitskell To Blair Books

1. Where can I buy Remaking The Labour Party From Gaitskell To Blair books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
