Remembering Max Beerbohm Correspondence Conversations Criticisms:

Remembering Max Beerbohm Jacobus Gerhardus Riewald, 1991

Aspects of Book Culture in Early Modern

England T.A. Birrell, edited by Jos Blom, 2024-08-01 Thomas Anthony Birrell 1924 2011 was a man of many parts For most of his working life he was Professor of English Literature in the University of Nijmegen The Netherlands where he was famous for his lively humoristic and thought provoking lectures He was the author of some very popular literary surveys in Dutch one of which a history of English literature has had seven editions so far However first and foremost he was a bibliographer and a book historian The present collection contains fifteen of his book historical articles two reviews and one published version of a lecture for the illustrious Association Internationale de Bibliophilie The lecture with a wealth of illustrations about the British Library as the Custodian of the Unique gives one a sense of Birrell's ability to present an audience with a complicated topic in comprehensible but not simplified terms The reviews serve as a statement of principle of how to tackle the subject of English readers and books and the standards that ought to apply The articles demonstrate Tom Birrell's in depth knowledge dedication and scholarship He once said that he felt that he could have talked to the 17th century London booksellers on an equal footing and his work convinces one that they would have enjoyed these conversations *Aspects of Book Culture* was edited by Birrell's former pupil colleague friend and fellow bibliographer Jos Blom

British Playwrights, 1880-1956

William W. Demastes, Katherine Kelly, 1996-12-09 From 1880 to 1956 when John Osborne transformed the British theater world with *Look Back in Anger* British playwrights made numerous lasting contributions and provided a foundation for the innovations of dramatists during the latter half of the 20th century This reference profiles the life and work of some 40 British playwrights active during the late 19th and early 20th centuries many of whom are also known for their work as novelists and poets Included are figures such as W H Auden Max Beerbohm Noel Coward T S Eliot John Galsworthy Graham Greene D H Lawrence W Somerset Maugham George Bernard Shaw and Oscar Wilde Each entry provides a biographical overview a list of major plays and summaries of their critical reception a list of minor plays adaptations and productions an assessment of the playwright's career and archival and bibliographical information Included in this reference book are alphabetically arranged entries for some 40 British playwrights active from 1880 through 1956 Entries are written by expert contributors with each entry providing a biographical overview a list of major plays premieres and significant revivals along with a summary of the critical reception of these works a listing of additional plays adaptations and productions an assessment of the playwright's career and contributions with reference to published evaluations in magazines journals dissertations and books a listing of locations housing unpublished archival material if available a selected bibliography of the dramatist's published plays and of essays and articles by the playwright on aspects of the theater a selected bibliography of secondary sources and when available a listing of previously published bibliographies on the playwright

Collected Verse Sir Max Beerbohm, 1994 Text These have been heroically overcome by J G Riewald the leading Beerbohm authority for this

definitive anthology of Max Beerbohm's poetry Of the 138 poems here fifty one have never been collected before and eighty seven were not even published in Max's lifetime There are variant readings in manuscript copies including those written by Max himself so Dr Riewald's full textual notes will be welcome particularly as Max didn't consider accidentals of

Cumulative Bibliography of Victorian Studies, 1970 **Victorian Literature, 1830-1900** Dorothy Mermin, Herbert F. Tucker, 2002 This new anthology emphasizes Victorian nonfiction prose and verse with a generous fresh selection of pieces from authors within the canon as well as outside of it *English Literature in Transition, 1880-1920*, 1992 *Dandys-- Virtuosen der Lebenskunst* Günter Erbe, 2002 **English Novel Explication**, 1976 *Sir Max Beerbohm Man and Writer* Jacobus Gerhardus Riewald, 1953 It is thirty two years now since Bohun Lynch wrote his little book entitled Max Beerbohm in Perspective As its subject was not quite fifty then and at the height of his creative power the book naturally lacked the air of finality that one usually associates with studies of this kind But even apart from the inevitable limitation imposed by the time of writing Bohun Lynch's book leaves much to be desired It is an informal sympathetic and well written appreciation of certain selected aspects of Beerbohm's art rather than a careful and systematic analysis of all the then available facts This is especially evident from the author's virtual neglect of such topics as Beerbohm's literary ancestry his technique and his place as a critic and from the scant treatment accorded to his personality and to some of his works Bibliographical documentation about the writings and caricatures of Sir Max Beerbohm is equally inadequate The first important contribution in this field was made by A E Gallatin whose *Sir Max Beerbohm Bibliographical Notes* appeared in 1944 A revised version of part of this book by A E Gallatin and L M Oliver was serialized in the *Harvard Library Bulletin* in 1951 and published in 1952 as *No ill of the Soho Bibliographies* under the title *A Bibliography of the Works of Max Beerbohm*

This is likewise one of the factors by obtaining the soft documents of this **Remembering Max Beerbohm Correspondence Conversations Criticisms** by online.
