interviews with the painter's closest friends, members of his family and many of the subjects of his controversial canvases. Weber's critical and human grasp acutely analyzes the paintings in terms of both their aesthetic achievement and what they reveal of their maker's psyche. Combined with his rich knowledge of Balthus's life and his insight into the ideas and forces that have helped to shape Balthus's work over the past seven decades, gives us a striking, illuminating portrait of one of the most admired and outrageous artists of our time.

[Riviera Dreaming](#) Maureen Emerson, 2018-04-12 In 1926 Barry Dierks, a young American architect, arrived in Paris and fell in love with France. With his partner, an ex-officer in the British Army, he built a white, flat-roofed Modernist masterpiece that rested on the rocks below the Esterel with views across the Mediterranean. They called it Le Trident. From the moment it was built, it captivated the Riviera. As commissions for more villas flooded in, Barry Dierks and Eric Sawyer, those two charmers, flourished at the heart of Riviera society. Over the years, Dierks would design and build over 70 of the Riviera's most recognizable villas for clients ranging from Somerset Maugham's Villa Mauresque and Jack Warner's Villa Aujourd'hui to the Marquess of Cholmondeley's Villa Le Roc and Maxine Elliott's Chateau de l'Horizon, later the home of Aly Khan and Rita Hayworth. *Riviera Dreaming* tells the dazzling story of the lives, loves and adventures that played out behind the walls of these glamorous houses and provides an unparalleled portrait of life on the Cote d'Azur at the height of the Jazz Age.

[The Drama of Marriage](#) J. Clum, 2012-01-02 In studying performances of marriage in modern and contemporary British and American drama, Clum highlights the fact that paradoxically, at a time when theatre was both popular entertainment and high culture, many of the most commercially and artistically successful plays about marriage were written by homosexual men. Beginning with Oscar Wilde and focusing on some of the most successful British and American playwrights of the past century, including Somerset Maugham, Noël Coward, Terence Rattigan and E. M. Williams in England, and Clyde Fitch, George Kelly, Tennessee Williams, William Inge and Edward Albee in the US, *The Drama of Marriage* looks at how the plays they wrote about heterosexual marriage continue to impact contemporary gay playwrights and the depiction of marriage today.
