Reminiscences of Sixty Years in Public Affairs George Sewall Boutwell,2006 *Reminiscences of Sixty Years in Public Affairs Volume I* George S. Boutwell,2018-08-15 *Reminiscences of Sixty Years in Public Affairs Volume I Large Print* By George S Boutwell At the request of my daughter and my son and by the advice of my friends the Honorable J C Bancroft Davis and the Honorable William A Richardson I am venturing upon the task of giving a sketch of my experiences in life during three fourths of a century The wisdom of such an undertaking is not outside the realm of debate A large part of my manhood has been spent in the politics of my native state and in the politics of the country For many years I have had the fortune to be associated with those in whose hands the chief powers were lodged I have been a witness of and in some cases an actor in events that have changed the character of the institutions and affected the fortunes of the country Those events and their consequences must in time disturb if they do not change the institutions of other countries We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
