Reminiscences of Tolstoy, by His Son Ilia Lvovich graf Tolstoy, 2022-08-15 In Reminiscences of Tolstoy by His Son Ilia Lvovich graf Tolstoy provides an intimate portrait of one of literature's colossal figures Leo Tolstoy through the filial lens. This text is an invaluable addition to the glass cabinet of literary biographies rich in personal anecdotes and observations that offer a vivid tableau of the literary titan's life behind the venerated publications. Ilia's narrative combines a delicate balance of emotional depth and factual detail employing a literary style that is as much an homage to his father's legacy as it is a unique exploration of familial bonds. The reminiscences are nestled within the broader literary context of the era providing readers with a comprehensive backdrop for understanding Tolstoy's profound influence on world literature. In chronicling his father's life Ilia Lvovich graf Tolstoy draws upon his intricate knowledge of the personal and professional intricacies that shaped the elder Tolstoy. This book likely emerges not only from Ilia's access to his father's private life but also from a need to share the human aspect of a man often only encountered through his literary achievements. The work stands as a testament to the profound impact that the senior Tolstoy's ideological, philosophical and literary ideals imparted on his family, Russian society and the undulating sphere of global literature. Readers interested in the interplay between personal experience and literary creation will find this work particularly enlightening, illuminating not just the character of a legendary writer but the timeless influence of his works and the enduring love and respect of a son for his father. **Reminiscences of Tolstoy** graf Il'ia L'vovich Tolstoy, 1914

Reminiscences of Tolstoy, by His Son graf Tolstoy, 2016-08-10 Leo Tolstoy was a Russian writer who is considered to be one of the greatest authors in history. Tolstoy wrote many classics in different genres such as *War and Peace*, *Anna Karenina* and *The Kingdom of God is Within You* and much of his work was based off of his life experiences in the Crimean War and his spiritual awakening. This book written by Tolstoy's son provides an excellent in depth look at the legendary writer as a family man and as a person who struggled with his spiritual convictions. Reminiscences of Leo Tolstoy His Contemporaries, 2002-12 Never before had such a voice sounded in Europe. It is little to say that we were thrown into raptures by the creative genius of Tolstoy. It became part of our life, became our very own, wrote Romain Rolland, one of Tolstoy's greatest contemporaries. This book is neither a biography nor a literary portrait. It is the voice of the times in which Tolstoy lived. These reminiscences contributed by people from widely different circles by Tolstoy's wife and children whose contributions give us a true picture of the great writer's private life by writers, artists and actors who were his friends by comrades who accompanied him on the military campaigns in which he took part by the doctors who tended him by people who served as prototypes of characters from his novels by teachers in his school at Yasnaya Polyana by peasants of Yasnaya Polyana representing that human ocean whose flux and flow Tolstoy followed with such rapt attention all of them taken
