Jason Maratos

Risk And Resilience Adults Who Were The Children Of Problem Drinkers:

Risk and Resilience Richard Velleman, Jim Orford, 2013-01-11 Risk and Resilience looks at the issue of young adults who grew up in families where a parent and sometimes both had a drinking problem Alcohol related problems are now recognized as being near the very top of the world league table of health and social problems Since the large majority of problem drinkers are adults aged between 22 and 55 many are parents with children or adolescents in their care In the USA alone there are estimated to be over six million children under the age of 18 living with a parent with a drinking problem and over 22 million adults one in every eight American adults who were brought up with a parent who had a drinking problem Clearly many children who grow up in this sort of environment have a difficult childhood Velleman and Orford examine the question of what happens to such children when they grow up Risk and Resilience focuses on three main themes What is the likelihood of such young adults developing drinking problems themselves What

Adult Drug and Alcohol Problems, Children's Needs, Second Edition Joy Barlow, Di Hart, Jane Powell, 2016-07-21 Parental drug use can cause serious harm to children Adult Drug and Alcohol Problems Children's Needs supports practitioners in their work with families where parental drug use leads to concerns about children's welfare The training resource contains summaries of the key messages for practitioners tools and tips to support effective practice training and development activities practice examples from around the UK This second edition has an increased focus on alcohol misuse and reflects recent changes to both policy and practice The book will be useful for all individuals and agencies involved with families where parents are struggling with substance abuse including children's social workers substance misuse workers primary care and school staff criminal justice agencies obstetric and paediatric teams substitute carers and a range of voluntary and community services *The Treatment of Drinking Problems* Griffith Edwards, E. Jane Marshall, Christopher C. H. Cook, 2003 The Treatment of Drinking Problems has become over the past twenty years the definitive text in its field Internationally acclaimed and translated into six languages it is the most authoritative source book for the treatment of alcohol problems for all professionals who encounter them

Parental Substance Misuse and Child Welfare Brynna Kroll, Andy Taylor, 2003 Focusing on the needs of children of substance misusing parents and the dilemmas faced by professionals working with them this comprehensive book brings together for the first time theoretical and practice issues for all those involved with the crossover between responses to drug and alcohol problems and child welfare Describing the effects of substance misuse on good enough parenting and attachment and taking into account theories about substance use the authors analyse the issues facing children including the impact on psychological and emotional development Emphasising the importance of developing holistic approaches involving both child care and drug and alcohol agencies as well as families this book presents a practical model for risk assessment and intervention that balances the competing needs of parents and their children It is an essential resource for all those working or training to work in the fields of child welfare substance misuse health education and criminal justice *The*

Psychodynamics of Addiction Martin Weegmann, Marcel Cohen, 2008-09-15 In the treatment of addictions and their psychological understanding cognitive behavioural and motivation approaches have been paramount In contrast the psychodynamic contribution has been muted This book redresses this imbalance by bringing together a team of senior clinicians with psychotherapeutic backgrounds as well as extensive experience in addiction Stress is placed on the diversity of psychodynamic understanding and its relevance to the everyday problems met by addicted individuals The first theoretical part of the book is followed by examples from group and individual therapy and the foreword is written by Dr Edward Khantzian The *Psychodynamics of Addiction* will be of interest to psychotherapists who may lack experience in addiction and to other clinicians working in the field doctors nurses and psychologists Introduction Review of Different Schools Container and Contained The School of Bion The Application of Bowlby's Attachment Theory to the Psychotherapy of Addictions The Vulnerable Self Heinz Kohut and the Addictions Therapy Dynamics of Addiction in the Clinical Situation Psychodynamic Assessment of Drug Addicts Individual Psychotherapy with Addicted People Group Therapy for Addiction Helping the Helpers Psychodynamic Perspective on Relapse Prevention in Addiction In Search of A Reliable Container Staff Supervision in a DDU Countertransference with Addicts Addiction and the Family Growing up with Alcohol or Drug Abuse in the Family References Index

Substance Misuse Joy Barlow, 2009-12-15 Substance misuse and its pervasive problems is a constant challenge for social work health and related professionals today It is paramount that professionals remain up to date on current issues and their responsibilities Based on research and evidence this book provides a sound basis for grounded and innovative practice

Integrated Approaches to Drug and Alcohol Problems Willm Mistral, 2016-04-14 Integrated Approaches to Drug and Alcohol Problems Action on Addiction provides a pathway through the field of addiction giving a clear description of points along that path from the beginning of problematic use of drugs and alcohol to treatment support recovery and reintegration in society The book illustrates the principle of integrated approaches to tackling the rise in problems with addiction Practical applications of these approaches are demonstrated in the work of UK charity Action on Addiction one organisation which has been influenced by and contributed to the research and practice of the authors The interventions illustrated within Integrated Approaches to Drug and Alcohol Problems demonstrate how the findings of international research can be brought together to provide effective services for individuals families and communities suffering from addiction related problems Some of the foremost internationally recognized addiction researchers clinicians and trainers from the UK USA and Canada have contributed chapters to this book It will be of interest to all those working in the field of drug and alcohol addiction including counsellors and therapists as well as GPs nurses and public health officers Integrated Approaches to Drug and Alcohol Problems will also have general appeal to anyone studying Psychology and Mental Health courses at undergraduate or postgraduate level plus those affected by addiction

Psychoanalytic Theory for Social Work Practice Marion Bower, 2005 Written by practicing social workers and social work educators this text

analyzes modern psychoanalytic and psychosocial approaches to social work and relates them to current practices and values Focusing on working with children and families the text covers salient issues in social work practice including risk assessment dealing with parents with drug and alcohol problems supervision and management of emotional stress Throughout the book there is an emphasis on the realities of frontline practice and looking at what can realistically be achieved It also addresses the research evidence for this approach With psychoanalytic and psychosocial approaches becoming increasingly popular this text will be a welcome addition for professionals students and social work educators

*They F*** You Up* Oliver James,2010-12-20 Do your relationships tend to follow the same destructive pattern Do you feel trapped by your family s expectations of you Does your life seem overwhelmingly governed by jealousy or competitiveness or lack of confidence In this ground breaking book clinical psychologist Oliver James shows that it is the way we were cared for in the first six years of life that has a crucial effect on who we are and how we behave Nurture in effect shapes our very nature James combines the latest scientific research with fascinating interviews to show that understanding your past is the first step to controlling your present

Applications of Group Analysis for the Twenty-First Century Jason Maratos,2018-05-15 The Institute of Group Analysis IGA celebrates forty years from its foundation with the publication of these two volumes The first volume aims to publicise the foundations of group analysis with the earliest papers of Foulkes as well as the most influential theoretical contributions by pillars of modern group analysis such as Pines Brown and Hopper The reader will be able to see the development of Group Analysis form an opinion about the trajectory that it follows and judge which way the tradition of openness and creative integration of diverse theoretical contributions will lead in the twenty first century The second volume focuses on the numerous fields of work that use group analytic principles Workers in the field of forensic psychotherapy would now consider a great omission if they did not use some form of group analytic intervention as would professionals dealing with those who manifest personality disorders or different age groups such as adolescents Group analysis has made significant contribution to organisational work to feminism and anti discrimination including anti racism as well as in education

Emerging Perspectives on Substance Misuse Willm Mistral,2013-06-27 Copy Web Catalog Emerging Perspectives on Substance Misuse addresses theoretical practice and policy issues with regard to the problematic use of alcohol and illegal drugs Comprises chapters from some of the most internationally well known academics and practitioners representing a range of different specializations and perspectives in the field Presents a wide range of emerging evidence based perspectives Includes content relevant for researchers practitioners and policy makers who work with individuals or policy related to drug and alcohol misuse Areas covered include gender and substance use working with children and families of substance misusers and the emerging recovery movement

The Child's World Jan Horwath,Janet Anne Basarab-Horwath,2010 Rev ed of The child s world assessing children in need 2001

Families Bereaved by Alcohol or Drugs Christine Valentine,2017-07-06 Individuals bereaved by the drug or alcohol related death of a

family member represent a sizeable group worldwide Families Bereaved by Alcohol or Drugs is the long awaited result of an important and ambitious research project into the experiences commonly encountered by members of this stigmatized and vulnerable group Based on focus groups with the practitioners and service personnel who support grieving relatives following the loss of a loved one to alcohol or drugs as well as interviews with the largest qualitative sample of adults bereaved by substance use that has been reported to date this much needed contribution to research on addiction and bereavement identifies four major reasons why grief following this tragic kind of death is particularly difficult By examining the experiences of a wide range of stakeholders including practitioners and policymakers in health social care and the criminal justice system the research contained within this book underscores the large number of organizations that play a role in the implementation of official procedure following a drug or alcohol related death and identifies significant gaps in the system that bereaved individuals must negotiate Grounded in extensive and rigorous academic research Families Bereaved by Alcohol or Drugs is essential reading for academics researchers and postgraduate students in the fields of mental health and addiction social work and social studies psychology family studies and bereavement The book should also be of interest to anyone with a professional interest in bereavement or substance use

Supporting People with Alcohol and Drug Problems Sarah Galvani, 2012-05-16 Social workers and other social care professionals regularly face the challenges of working with people with alcohol and other drug problems Yet many receive little if any training for working with these issues As substance use and its social impact on communities and families rises up the political agenda this book offers a timely support for social workers and other social care staff working in this area Supporting people with alcohol and drug problems addresses the current gap in social work and social care education It provides a combination of research evidence policy frameworks and practical hints and tips for good social work practice Based around practice examples supplied by social workers from both adults and children s social care it combines knowledge with action It also provides an important introduction to the evidence base on assessment intervention and partnership working with specialist substance use colleagues This book is for all those working in children s and adults social work and social care settings who are working with people who use or have problems with alcohol and other drugs

Families Affected by Addiction Gallus Bischof, Richard Velleman, Jim Orford, Abhijit Nadkarni, Marcela Tiburcio, 2025-05-06 This Open Access book sheds new light on the wide range of Affected Family Members experiences At a conservative estimate there are at least 100 million adults across the globe who are affected by their relatives addiction problems These Affected Family Members AFMs experience multiple stresses coping dilemmas and a lack of information and support and are at heightened risk for ill health The results are very costly both from the personal and from the public services point of view The volume elaborates on the barriers to providing effective help including political neglect under representation in both policy and service delivery models the lack of involvement and encouragement from health and social care professionals the stigmatisation and bias as barriers to care and

the range of evidence based interventions It also explores the similarities and differences of all of these areas depending on the type of addiction problem that the family is affected by alcohol illicit drugs gambling etc While covering the more commonly reported work in high income countries the contributions put strong emphasis on the experience of AFMs in low and middle income countries Given its truly global approach the book will be a key resource for practitioners policymakers and researchers alike *Assessing Children's Needs and Circumstances* Steve Walker,Hedy Cleaver,2004-03-01 Drawing on interviews with social workers and their managers and families and young people themselves the authors of this important book show how the principles embodied in the Assessment Framework have been applied to social work practice This book should be read by all professionals working to promote the welfare and well being of children *Effective Working with Neglected Children and their Families* Elaine Farmer,Eleanor Lutman,2012-08-15 Using findings from a research study conducted over five years this book gives an insight into current social care provision for children suffering from neglect It highlights the complex and enduring needs of the children most likely to drop out of range of social care systems and offers practical guidelines for reengaging children and services **Edwards' Treatment of Drinking Problems** Keith Humphreys,Anne Lingford-Hughes,Griffith Edwards,David M. Ball,Christopher C.H. Cook,E. Jane Marshall,2016-04-28 This book presents state of the art accessible reviews of the science of alcohol treatment and guidance for the management of clinical situations *Child Neglect* Brigid Daniel,Julie Taylor,2004-10-15 This book addresses the key themes in child neglect draws on current research and practice knowledge and sets out the implications for practice With a joint health and social work focus this interdisciplinary book is an essential resource for all professionals working towards integrated and collaborative childcare services **Understanding What Children Say** Sarah Gorin,2004-01-01 Focusing on UK research dating from 1990 to 2003 this literature review examines what children say about living in families where there is domestic violence parental substance misuse or parental health problems

Risk And Resilience Adults Who Were The Children Of Problem Drinkers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Risk And Resilience Adults Who Were The Children Of Problem Drinkers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Risk And Resilience Adults Who Were The Children Of Problem Drinkers has opened up a world of possibilities. Downloading Risk And Resilience Adults Who Were The Children Of Problem Drinkers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Risk And Resilience Adults Who Were The Children Of Problem Drinkers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Risk And Resilience Adults Who Were The Children Of Problem Drinkers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Risk And Resilience Adults Who Were The Children Of Problem Drinkers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such

activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Risk And Resilience Adults Who Were The Children Of Problem Drinkers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Risk And Resilience Adults Who Were The Children Of Problem Drinkers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
