**The Scheme for Full Employment** Magnus Mills, 2011-05-16 A unique talent Mills s novels are among the best and most original in recent English fiction Literary Review An enjoyable novel by a truly original writer Sunday Times The Scheme was designed to provide an honest wage for an honest day s labour Men driving identical rust resistant Univans deliver Univan parts to strategically spaced warehouses Simple self perpetuating and efficient it seems destined to last forever But when some drivers begin leaving early and developing delivery sidelines the workforce is divided into two camps Flat Dayers and Early Swervers As tensions mount the whole system threatens to fall apart The Comic Turn in Contemporary English Fiction Huw Marsh, 2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present The Scheme for Full Employment Magnus Mills, From Magnus Mills the acknowledged master of the working class dystopic parable a

*Three to See the King* Magnus Mills, 2002-12-06 A novel rich in comic menace from the author of *The Restraint of Beasts* In a setting Samuel Beckett might have found homey lives a man in a house made of tin He is content The tin house is well constructed and located miles from the tin houses of his nearest neighbors Though he seems to have escaped society however society finds him One day a woman arrives and moves in Soon a neighbor comes to visit and then another Soon moving figures silhouette the horizon People dismantling their tin houses and setting off to find a master builder with a revolutionary message The gravitational pull cannot be resisted Nor can this novel Part mystery part parable *Three to See the King* stalks the reader's imagination and grows inexorably and irresistibly in the telling

*Explorers of the New Century* Magnus Mills, 2011-09-05 The brilliant satirical novel by the Booker Prize shortlisted author of *The Restraint of Beasts* To write one unique book is a rare achievement The ability to produce several is truly special Independent A demented deadpan comic wonder Thomas Pynchon It is the beginning of the century and two teams of explorers are racing across a cold windswept deserted land to reach the furthest point from civilisation It is they find an awfully long way Johns and his men take the western route along a rocky scree gossiping bickering and grumbling as they go Meanwhile Tostig's men make their way along the dry riverbed in the east they are fewer with just five men and ten mules and better organised than their rivals But with Johns' team keeping pace in the distance the race is on to reach the Agreed Furthest Point

*All Quiet on the Orient Express* Magnus Mills, 2011-05-16 A dark surreally funny novel from the bestselling Booker Prize shortlisted author Hilariouly surreal It's a bit like the Coen Brothers directing an Alan Bennett play *Fantastic Daily Mirror* Understatedly surreal deadpan gothic Mills is a master of the uncanny Such a fresh fictional voice *Esquire* It is the end of the summer The tourists have already gone and now the sun is abandoning the Lake District's damp valleys Only a lone camper remains enjoying the quiet He plans to stay just long enough to prepare for a trip to the East But then the owner of the campsite asks him to paint a fence and he innocently obliges Soon other odd jobs pile up until little by little he becomes ensnared in the ominous out of season

**The Restraint of Beasts** Magnus Mills, 2011-05-16 A heaving cauldron of black humour You'll

never look at a stretch of high tensile agricultural fencing in quite the same way ever again Time Out Extremely unusual finely crafted and funny Observer Tam and I took hold of Mr McCrindle and lowered him into the hole feet first We decided to leave his cap on Fencers Tam Richie and their ever exasperated English foreman are forced to move from rural Scotland to England for work After a disastrous start involving a botched fence and an accidental murder the three move to a damp caravan in Upper Bowland and soon find themselves in direct competition with the sinister Hall Brothers whose business enterprises seem to combine fencing butchering and sausage making The Restraint of Beasts introduced readers to the now much loved unique voice of Magnus Mills and his surreally comic world **Beyond Cognitive Metaphor Theory** Monika

Fludernik,2012-03-29 In this innovative collection an international group of scholars come together to discuss literary metaphors and cognitive metaphor theory The volume s goals are three fold The first aim of the book is to present some recent approaches to metaphor which have no immediate connection with cognitive metaphor theory and have developed independently of it While the cognitive approach has become the leading paradigm in the English speaking world elsewhere in Europe rhetorical semantic and logical models have remained in use and continue to be elaborated These models have so far had little international exposure Their inclusion in this study is meant to provide a balance to the cognitive paradigm and to open up a possible discussion of the advantages and disadvantages of cognitive metaphor theory for the analysis of literary texts The second aim of the collection is to illustrate a range of successful applications of the new cognitive models to literary texts And the third aim of the study is to provide an assessment of cognitive metaphor theory from a literary point of view

*The Field of the Cloth of Gold* Magnus Mills,2015-04-23 SHORTLISTED FOR THE GOLDSMITHS PRIZE 2016 One of Britain s most original inimitable writers The Times The field looks completely wrong now she announced one blustery afternoon It s all gone out of balance The Great Field lies in the bend of a broad meandering river Bounded on three sides by water on the fourth side it dwindles gradually into wilderness A handful of tents are scattered far and wide across its immensity Their flags flutter in the warm breeze rich with the promise of halcyon days But more and more people are setting up camp in the lush pastures and with each new arrival life becomes a little more complicated And when a large and disciplined group arrive from across the river emotions run so high that even a surplus of milk pudding can t soothe ruffled feathers Change is coming change that threatens the delicate balance of power in the Great Field This simultaneously down to earth and surreal fable cements Magnus Mills status as one of Britain s most original novelists **Screwtop Thompson** Magnus Mills,2010-10-04 All of the Booker shortlisted Magnus Mills darkly comic and hugely entertaining short stories are here collected in one book for the first time Imagine The Office crossed with Brave New World hilarious Express He has no literary precedent and he also appears to have no imitators He mines a seam that no one else touches on every sentence in every book having a Magnus Mills ring to it that no other writer could produce Independent In Hark the Herald a guest stays at an eerie guesthouse over Christmas without encountering any other residents despite constant reassurance from the

landlord that he would see them if only he arrived for breakfast slightly earlier in Only When the Sun Shines Brightly Aesop's fable about a competition between the Sun and the Wind to get a man to take his coat off gets a new look involving a railway arch a builder and a piece of plastic sheeting In Once in a Blue Moon a man arrives home to find the family house under siege with his mother armed dangerous and firing at the police with a shotgun and attempts to appease her with an invitation to seasonal hospitality and in the title story rivalry between three cousins over a faulty toy gets out of hand as the cousins unwittingly imitate the toy they're fighting over Magnus Mills has published two collections of stories Only When the Sun Shines Brightly and Once in a Blue Moon which are collected here for the first time along with three new stories

*How Literary Worlds Are Shaped* Bo Pettersson, 2016-09-12 Literary studies still lack an extensive comparative analysis of different kinds of literature including ancient and non-Western *How Literary Worlds Are Shaped A Comparative Poetics of Literary Imagination* aims to provide such a study Literature it claims is based on individual and shared human imagination which creates literary worlds that blend the real and the fantastic mimesis and genre often modulated by different kinds of unreliability The main building blocks of literary worlds are their oral visual and written modes and three themes challenge perception and relation They are blended and inflected in different ways by combinations of narratives and figures indirection thwarted aspirations meta-usages hypothetical action as well as hierarchies and blends of genres and text types Moreover literary worlds are not only constructed by humans but also shape their lives and reinforce their sense of wonder Finally ten reasons are given in order to show how this comparative view can be of use in literary studies In sum *How Literary Worlds Are Shaped* is the first study to present a wide-ranging and detailed comparative account of the makings of literary worlds
