School Time See And Say:

Missbenj J L Dominek,2017-02-07 Beautiful Jeanie had resigned herself to knowing that the cancer had spread and there was nothing more they could do She knew the signs and understood her life on earth was drawing to an end All earthly matters were dealt with including re homing arrangements for her beloved little dogs Everything had been settled and all was in order Then as she sat in the doctors office waiting for her final appointment something completely unexpected happens She meets an oddly familiar stranger who reaches out to her with an expression of charity and generosity He offers her a place to stay that would provide her with the comfort and solitude that she longed for so she could peacefully pass through her final days At the time Jeanie accepted the strangers offer she did not know that there was more to come In a matter of days she had a reason to hope Her health was improving Perhaps it was a miracle She had to know more about this wonderful stranger and as the story unfolds we learn that Jeanie is about to live an extraordinary life **Evidence, pt. 1** Great Britain.
