disciple Mary who sat at Jesus feet listening to all he said It s to be with Jesus and to be formed to be like him one page at a time The NIV Lectio Bible was created with that end in mind to give those walking in the Way of Jesus a way of listening to God on the pages of Scripture This Lectio Bible is a companion to the Scripture Practice from John Mark Comer and Practicing the Way a nonprofit that creates resources to help churches apprentice in the Way of Jesus Learn more at practicingtheway.org resources Featuring an introduction by John Mark the NIV Lectio Bible is intentionally designed to be as distraction free as possible Beautifully designed single column with no chapter or verse numbers or subheadings to interrupt your reading this Bible allows you to fully immerse yourself into a seamless experience with Scripture as you invite Jesus to shape the architecture of your heart Features Full text of the accurate readable and clear New International Version NIV the most widely read modern English Bible translation trusted for its combination of accuracy readability and beauty Chapter and verse numbers removed to allow for seamless distraction free reading Introduction by John Mark Comer founder of Practicing the Way Complements the Scripture Practice one of nine core spiritual disciplines to help integrate the habits of Jesus into your daily life from Practicing the Way practicingtheway.org

Interpreting Scripture with the Great Tradition Craig A. Carter, 2018-04-17 The rise of modernity especially the European Enlightenment and its aftermath has negatively impacted the way we understand the nature and interpretation of Christian Scripture In this introduction to biblical interpretation Craig Carter evaluates the problems of post Enlightenment hermeneutics and offers an alternative approach exegesis in harmony with the Great Tradition Carter argues for the validity of patristic christological exegesis showing that we must recover the Nicene theological tradition as the context for contemporary exegesis and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy

Reading the Bible with Its Writers Stephen Burnhope, 2025-02-28 The Bible is a collection of sixty six books written by many different people over many hundreds of years All of its writers lived in an ancient world context and thought in ancient world ways But as Bible readers today we live and think in the modern world which is increasingly a postmodern world Things that were obvious to them are not obvious to us and vice versa For Christians who want to be faithful to the Bible as the Word of God the time and distance between then and now is a real challenge to navigate Stephen Burnhope suggests that we won t get it right by collapsing that gap by just picking the text up and reading it The Bible says insert a verse is not enough We will mishear both what the human authors were saying and what the divine author was saying Reading the Bible well starts from reading it with its writers understanding it as they understood it what they were saying why they said it and how they said it All of which is shaped and framed by the Bible s big themes that once we re aware of them we see running throughout from cover to cover
