Sin Patron Fabricas Y Empresas Recuperadas Por Sus Trabajadores Una Historia Una Guia:

Sin patrón Lavaca (Organization),2004 Durante dos largos años acompañamos el proceso de recuperación de fábricas y empresas El resultado es esta trilogía En primer lugar una hipótesis sobre lo que representa este movimiento en permanente revolución Luego diez historias paradigmáticas que permiten intuir lo que hay detrás de esta batalla biografías y contextos Por último una guía Con direcciones teléfonos e mails detalles sobre formas de organización productos cantidad de puestos de trabajo recuperados entre otros datos de cada uno de los 161 establecimientos relevados *Cooperativas y fábricas recuperadas en la Argentina* , World Literature and the Geographies of Resistance Joel Nickels,2018-06-07 This book proposes a new definition of world literature an archive of democratic mechanisms external to state power Accordingly World Literature and the Geographies of Resistance takes shape as an exploration of nonstate space territories of self government that contest the vertical command structures of the state Joel Nickels argues that literature devoted to these processes of spatial occupation can help us imagine democratic alternatives to state space and to the regime of legalized dispossession that goes under the name of globalization Conceptualized in these terms world literature can be viewed not as the corollary of 90s era cosmopolitanism but as a document of strategies for the militant reorganization of social space This ambitious book addresses the work of Patrick Chamboise Ousmane Sembene Miguel Angel Asturias Claude McKay Arundhati Roy T S Eliot and Melvin Tolson It engages with theories of transnationality diaspora and postcoloniality as well as world literature

Commoning Labour and Democracy at Work Dario Azzellini,Marcelo Vieta,2025-08-28 This book investigates the return of workers self management in recent decades as responses to recurring neoliberal crises In particular the book homes in on worker recuperated enterprises WREs a promising form of workers self organization whereby workers restart troubled bankrupt or shuttered companies as cooperatives or other forms of democratic workplace The book argues that WREs are prefigurative of new forms of work based on equality and sustainability Framed by the concepts of autogestión in the labour commons and prefigurative ethico political practices the book argues that WREs contribute to the construction of more directly democratic community economies Drawing on a range of contemporary case studies from numerous countries in the Global South and North as well as new theories of workers self management the book contributes a critical development political economic and class struggle Marxist perspective to the re emergent labour question within anti systemic social movements while theorizing the transformative nature of WREs for workers work organizations and communities Bringing a class analysis back into current discourses and debates concerning democracy at work and alternatives to global capital this book will be of interest to researchers across the fields of development studies labour studies political economy sociology of development sociology of work and political science **In the Wake of Neoliberalism** Karen Ann Faulk,2012-11-21 Understanding the various meanings given to human and citizenship rights in Argentina is an important task particularly so given the nation's prominence in global discussions An exporter of tactics ideas

and experts Argentina has become a site of innovation in the field of human rights This book investigates two prominent Buenos Aires protest organizations Memoria Activa and the BAUEN workers cooperative to consider how each has framed its demands within a language of rights Fundamentally this book is concerned with the complex interrelationship between the discourse of human rights and the neoliberal project In exploring the way in which rights talk is used and adapted locally by various activist groups the book looks at the mutually formative and contentious interactions between ideas of human rights rights of citizenship and the concrete and envisioned social relationships that form the basis for social activism in the wake of neoliberalism

Translocal Geographies Ayona Datta,Katherine Brickell,2016-02-17 Bringing together a wide range of original empirical research from locations and interconnected geographical contexts from Europe Australasia Asia Africa Central and Latin America this book sets out a different agenda for mobility one which emphasizes the enduring connectedness between and embeddedness within places during and after the experience of mobility These issues are examined through the themes of home and family neighbourhoods and city spaces and allow the reader to engage with migrants diverse practices which are specifically local yet spatially global This book breaks new ground by arguing for a spatial understanding of translocality that situates the migrant experience within across particular locales without confining it to the territorial boundedness of the nation state It will be of interest to academics and students of social and cultural geography anthropology and transnational studies

Las políticas de la economía social desde una perspectiva antropológica Alice Bryer,James G.
