Singer Of Tales In Performance:

The Singer of Tales in Performance John Miles Foley, 1995 Building on his work in *Traditional Oral Epic* and *Immanent Art* the author aims to dissolve the perceived barrier between oral and written creating a theory from oral formulaic theory and the ethnography of speaking and ethnopoetics He argues that a work's word power derives from its performance and its implied traditional context

The Singer of Tales Albert Bates Lord, Stephen Arthur Mitchell, Gregory Nagy, 2000 Discusses the oral tradition as a theory of literary composition and its applications to Homeric and medieval epic

The Korean Singer of Tales Marshall R. Pihl, 2024-11-01 Pansori the traditional oral narrative of Korea is sung by a highly trained soloist to the accompaniment of complex drumming The singer both narrates the story and dramatizes all the characters male and female Performances require as long as six hours and make extraordinary vocal demands In the first book length treatment in English of this remarkable art form Pihl traces the history of pansori from its roots in shamanism and folktales through its nineteenth century heyday under highly acclaimed masters and discusses its evolution in the twentieth century After examining the place of pansori in popular entertainment and its textual tradition he analyzes the nature of texts in the repertoire and explains the vocal and rhythmic techniques required to perform them Pihl's superb translation of the alternately touching and comic Song of Shim Chong the first annotated English translation of a full pansori performance text illustrates the emotional range narrative variety and technical complexity of pansori literature The Korean Singer of Tales will interest not only Korean specialists but also students of comparative literature folklore anthropology and music

Japanese Singers of Tales: Ten Centuries of Performed Narrative Alison McQueen Tokita, 2017-03-02 Alison McQueen Tokita presents a series of case studies that demonstrate the persistence of Japanese sung narratives in a multiplicity of genres over ten centuries including the way they flourished and declined together with factors contributing to development and change in narrative performance Performed narratives are examples of a shared cultural heritage which in the past have given people a sense of belonging to a community Narratives that were continually re told and recycled in different versions and formats over a long period of time served to build people's sense of a common identity over space the geographical extent of Japan and time the enduring power of many specific narratives such as The Tale of the Heike Much scholarly attention has focused on Japanese pre modern literature and drama but the tradition of oral narrative has barely been touched Tokita argues that it is possible to identify a continuous tradition of performed narrative in Japan from the tenth to the twentieth centuries The elements of variation and change relate to the move away from oral narrative to text based performance and from a simple narrative situation with one performer to complex theatrical narratives with dancers singers and other musicians The resulting complexity led to the pre eminence of the musical aspects in some cases and of dramatic or dance aspects in others Tokita includes substantial musical analysis and exploration of theoretical issues as well as documentation of important performance traditions all of which are extant

Recovering the

Original Gospel of Thomas April D. DeConick, 2006-06-01 This book explores the fascinating and enigmatic collection of 114 sayings of Jesus the Gospel of Thomas that was discovered in the sands of Nag Hammadi Egypt in the 1940 s Since its discovery scholars and the public alike have been intrigued to know what the Gospel says and what light it sheds on the formation of early Christianity Here DeConick provides a new English translation of the entire Gospel of Thomas which includes the original kernel of the Gospel and all the sayings A unique feature of this book is that translations to the parallels of the Gospel are also included

Jesus, Skepticism, and the Problem of History Zondervan, 2019-10-08 In recent years a number of New Testament scholars engaged in academic historical Jesus studies have concluded that such scholarship cannot yield secure and illuminating conclusions about its subject arguing that the search for a historically authentic Jesus has run aground *Jesus Skepticism and the Problem of History* brings together a stellar lineup of New Testament scholars who contend that historical Jesus scholarship is far from dead These scholars all find value in using the tools of contemporary historical methods in the study of Jesus and Christian origins While the skeptical use of criteria to fashion a Jesus contrary to the one portrayed in the Gospels is methodologically unsound and theologically unacceptable these criteria properly formulated and applied yield positive results that support the Gospel accounts and the historical narrative in Acts This book presents a nuanced and vitally needed alternative to the skeptical extremes of revisionist Jesus scholarship that on the one hand uses historical methods to call into question the Jesus of the Gospels and on the other denies the possibility of using historical methods to learn about Jesus

The Singers of Lamentations Nancy Lee, 2021-10-01 The author analyzes the poetic songs of biblical Lamentations with oral poetic folkloric method for the first time with surprising results Contemporary lament poems are then compared from recent post war Croatia and Bosnia Herzegovina about suffering in cities under siege Oral poetic and socio rhetorical methods illumine two lead singers in dialogue in a mourning context employing formulas and themes of dirge psalmic and prophetic traditions in their compositions but infusing these with their individual artistry to respond to Jerusalem s destruction Poets through history and across cultures share common ground in how they render the suffering of their war torn cities The prophet Jeremiah emerges in Lamentations as one lead singer by virtue of how he modifies traditional formulas imagery themes terms in response to the context A woman emerges as another lead singer who pushes the limits of current theology in crisis

Voices from the Straw Mat Chan E. Park, 2003-02-28 From its humble straw mat origins to its paradoxical status as a national treasure p ansori has survived centuries of change and remains the primary source of Korean narrative and poetic consciousness In this innovative work Chan Park celebrates her subject not as a static phenomenon but a living organic tradition adapting to an ever shifting context Drawing on her extensive literary and performance backgrounds Park provides insights into the relationship between language and music singing and speaking and traditional and modern reception Her performance centered approach to p ansori informs the discussion of a wide range of topics including the amalgamation of the dramatic the narrative and the poetic the invocation of traditional narrative in

contemporary politics the vocal construction of gender and the politics of preservation *Between Script and Scripture: Performance Criticism and Mark's Characterization of the Disciples* Zach Preston Eberhart, 2024-03-25 This volume reimagines the first century reception of the Gospel of Mark within a reconstructed yet hypothetical performance event In particular it considers the disciples character and characterization through the lens of performance criticism Questions concerning the characterization of the disciples have been relatively one sided in New Testament scholarship in favor of their negative characterization This project demonstrates why such assumptions need not be necessary when we re consider the oral aural milieu in which the Gospel of Mark was first composed and received by its earliest audiences **Textual Criticism and Sacred Texts** Signe Cohen, 2023-03-20 In *Textual Criticism and Sacred Texts* Signe Cohen looks at the text critical scholarship on sacred texts across disciplines She traces the development of the genealogical method and discusses its role in textual criticism today The book examines the applicability of traditional text critical methods to oral texts as well as the roles of translations and commentaries in textual criticism Cohen then turns to the under theorized question of the relationship between religion and text critical scholarship and outlines ethics of textual criticism applied to religious texts She then discusses how new digital technologies will change the textual scholarship of the future and proposes new ways that scholars can collaborate across sub disciplines
