Summary of Myles Munroe's Single, Married, Separated and Life after Divorce Everest Media, 2022-05-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 There is a myth of singleness which is the belief that being single is bad and unhealthy However there is no problem with being single The problem is with the definition society has given to it which is influenced by the god of this

world 2 Adam was not alone because he had God as his companion The implication is that Adam was so unique and whole that he did not miss anyone You do not need to marry in order to avoid being alone as long as you have someone else like you to be your companion 3 God gave men the right to choose so He would not choose for them Thus it is up to men to choose their spouses Do not become overly spiritual or irrational in this regard 4 The word God used when He told Adam it was not good for him to be alone is used in three major foundational definitions exclusive isolated solitary To summarize God s view of singleness we must consider how much we have refined our separateness from others uniqueness to others and our wholeness for others

Single, Married, Separated and Life after Divorce Myles Munroe, 2005-01-28 Single Married Separated Life After Divorce Expanded Edition 2003 Singleness is a myth To be single means to be all one alone separate unique and whole MARRIAGE is when two separate unique and whole persons one male and one female make a covenant to exchange vows committing their lives to remain together until death Separation is an unofficial divorce with the exact same effect as divorce It is the most tragic state of limbo Divorce means to desert The armed forces prosecute deserters God has made no provision for divorce in the Bible If you are invited to a wedding you are a covenant witness and if this couple later divorces you should be invited to the divorce just as you were to the wedding
