Lords Prayer Text In Tradition:

The Lord's Prayer Kenneth W. Stevenson, 2004 The Lord's Prayer A Text in Tradition is a quite unique title which studies the use and interpretation of the Lord's Prayer from the earliest times to the present day It draws together the work of scholars of the biblical patristic medieval reformation and modern periods The Lord's Prayer Gerald O'Collins, 2007 In The Lord's Prayer the author explains what the prayer meant to Jesus himself and to his first followers and he also describes what the Our Father has continued to mean over the centuries and what it means today Like the story of his birth death and resurrection the prayer Jesus shared with his disciples has gone out to all nations and cultures The Lord's Prayer summarises the message of the kingdom and of the Gospel BOOK JACKET The Lord's Prayer (Touchstone Texts) William M. IV Wright, 2023-02-28 Since the beginning of Christianity the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord's Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God's Word to people When we say this prayer not only are we speaking to God but God is also speaking to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School Jewish Traditions in Early Christian Literature, Volume 5 The Didache H.W.M. van den Sandt, David Flusser, 2002-01-01 This volume demonstrates that we should understand nascent Christianity and early Judaism as sharing to a large extent the same traditions It throws fresh light on the Jewishness of the Two Ways teaching in Didache 1-6 as it presents a cautious reconstruction of the Jewish prototype of the Two Ways and traces the Jewish life situation in which the instruction could flourish In the field of liturgical studies a significant contribution is made to the discussion of Didache 7-10 It improves our understanding of the Jewish provenance and historical development of Baptism and Eucharist The book also presents an intriguing look into the ministry of itinerant apostles and prophets Didache 11-15 considering the larger environment of Jewish religious and cultural history *The Lord's Words* Michael Theobald, 2025-11-11 The great Johannine speeches of Jesus in the fourth gospel exert an unbroken magic on their listeners They accomplish this by use of vivid imagery e.g. bread vine shepherd way and their many repetitions of crucial insights What seems at first monotonous actually draws one into a deep spiral of knowledge Apart from a few exceptions interpreters of John's gospel agree The historical Jesus did not speak as John styles his Jesus If the goal is to reconstruct the message and words of the historical Jesus one will have to turn to the synoptic gospels The Lord's Words develops a new explanation model for the genesis of the Johannine Jesus speeches These speeches are based on core words from the

Johannine church tradition which the evangelist received reflected in the monologues and dialogues of the gospel and so worked out his speech compositions The study is not as in an older branch of research the apologetic attempt to connect John to a presumed Jesus tradition by tracing the development of the words of the Lord Rather the book focuses upon the literary and theological hermeneutics of the evangelist in dealing with those good words At the same time the book pursues the goal of uncovering the origins of the high Johannine Christology Wisdom Christology investigating the trauma of the Johannine Christians schism from the Jewish synagogue

Liturgy and Interpretation Kenneth Stevenson, 2013-01-07 Kenneth Stevenson is one of the UK's leading liturgical scholars with an international reputation Much of his work is in the borderlands of theology worship and history The essays in this book are worked examples of the importance of interpretation and liturgy particularly in the light of the growing impact in recent years of reception history and how this interacts not only with biblical scholarship but with worship and doctrine as well Interpretation and Liturgy is a big subject and one that is unlikely ever to go away It is part of the twofold movement of divine initiative and human aspiration or to put it yet more directly what some would immediately call the inspiration of the Holy Spirit others would call the religious imagination and others again would call both **The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel** Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus Whilst the centrality of the Lord's Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality **Apologetic Discourse and the Scribal Tradition** Wayne Campbell Kannaday, 2004 Annotation It is commonly acknowledged that the original manuscripts of Matthew Mark Luke and John did not survive the exigencies of history What modern readers refer to as the canonical Gospels are in fact compositions reconstructed from copies transmitted by usually anonymous scribes Apologetic Discourse

and the Scribal Tradition examines an important facet of the fascinating but seldom reported story of the interests that shaped the formation of the text of the New Testament With an informed awareness of the dynamic discourse between pagan critics and early defenders of early Christianity and careful scrutiny of more than one hundred variant readings located in the literary tradition of the New Testament text the author drafts a compelling case that some scribes occasionally modified the text of the Gospels under the influence of apologetic interests

Origins of Old Germanic Studies in the Low Countries

Kees Dekker, 1999-01-12 This volume deals with the study of Old Germanic languages in the Low Countries in the seventeenth century The work of the philologist and lawyer Jan van Vliet 1622 1666 has been taken as a starting point for a discussion of the intellectual background and philological methodology of seventeenth century investigations into the earliest recorded forms of the Germanic languages Van Vliet s activities provide an extraordinary example of the earliest attempts to approach Old Germanic languages from a comparative point of view The cosmopolitan tradition of philological studies in the Dutch Republic as well as Van Vliet s great admiration of Francis Junius 1590 1677 the founding father of Germanic philology formed the basis for his ideas about vernacular languages His work allows us a unique insight in the pioneering seventeenth century studies in Germanic philology

Morris, 2017-10-24 In this study Michael J Morris examines aspects of synoptic gospel demonology specifically human responses to demonic evil It is clear that early Christian demonology can be more fully understood against the background of early Jewish traditions In the Dead Sea Scrolls for instance there are two fundamental ways by which protection against demons is sought The first anti demonic method is exorcism and the second is characterized by its preventative nature and is typically referred to as apotropaism Although many contributions have been made on the topic of exorcism in the gospels less attention has been paid to the presence of apotropaic features in the gospel texts Therefore Michael J Morris offers a timely examination of apotropaic tradition in early Judaism and its significance for demonological material in the synoptic gospels
