Remembering A.J. Andrew Johnston, 2022-01-20 What do I strive to contribute through my passion and visions I want to help make the world make a little more sense I want to do work as a critic and journalist that helps increase the audience of work that deserves exposure and explain why it deserves exposure And eventually I want to create artistic work of my own in the form of fiction or essays that in its own way does the same thing work that illustrates connections puts things in context and ultimately makes people realize that for all the insane bullshit that s going on out there and has been going on out there since time immemorial the world is really a pretty cool place AJ
