Louis Zukofsky: Selected Poems Louis Zukofsky, 2006-04-06 With an ear tuned to the most delicate musical effects an eye for exact and heterogeneous details and a mind bent on experiment Louis Zukofsky was preeminent among the radical Objectivist poets of the 1930s This is the first collection to draw on the full range of Zukofsky's poetry containing short lyrics versions of Catullus and generous selections from A his 24 part poem of a life and provides a superb introduction to a modern master of whom the critic Guy Davenport has written Every living American poet worth a hoot has stood aghast before the steel of his integrity The most formally radical poet to emerge among the second wave of American modernists Louis Zukofsky continues to influence younger poets attracted to the rigor inventiveness and formal clarity of his work Born on New York's Lower East Side in 1904 to emigrant parents Zukofsky achieved early recognition when he edited an issue of Poetry devoted to the Objectivist poets including George Oppen and Charles Reznikoff In addition to an abundance of short lyrics and a sound based version of the complete poems of Catullus he worked for most of his adult life on the long poem A of which he said In a sense the poem is an autobiography the words are my life Zukofsky's work has been described as difficult although he himself said I try to be as simple as possible In the words of editor Charles Bernstein This poetry leads with sound and you can never go wrong following the sound sense Zukofsky loved to create patterns some of which are apparent and some of which operate subliminally Each word like a stone dropped in a pond creates a ripple around it The intersecting ripples on the surface of the pond are the pattern of the poem Here for the first time is a selection designed to introduce the full range of Zukofsky's extraordinary poetry About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today's most discerning poets and critics "A" Louis Zukofsky, 2011 Magnificent a great poem really rolling in all its power and splendor of language James Laughlin **Louis Zukofsky and the Poetry of Knowledge** Mark Scroggins, 1998 Provides a provocative and advanced introduction to the thought and writing of Louis Zukofsky aptly described as one of the first postmodernists Poet translator and editor Louis Zukofsky was born in New York City in 1904 Raised to speak first Yiddish and then English he was fascinated by language from an early age This deep preoccupation with language its musicality complex constructions and fluid meaning later became a key component in the development of his poetry Friend to William Carlos Williams Marianne Moore and Ezra Pound mentor to Robert Creeley and influence on many of the Language Movement poets Zukofsky and his work stand squarely at the center of American poetry's transition from modernism to postmodernism Mark Scroggins advances thoughtful readings of Zukofsky's key critical essays a wide variety of his shorter poems and his poem of a life A He carefully situates Zukofsky within his literary and historical contexts examining his relationship to Pound his 1930s Marxist politics

and his sense of himself as a Jewish modernist poet Scroggins also places Zukofsky within an ongoing tradition of American poetry including the work of Wallace Stevens Charles Bernstein Ronald Johnson Michael Palmer and John Taggart *The Poem of a Life* Mark Scroggins,2007-11 Poet and biographer Mark Scroggins takes an extensive look into the life of Zukofsky a crucially important yet often critically neglected American modernist poet Following the span of Zukofsky's career from his early work to the dense and tantalising beauties of his last poems Scroggins pays special attention to A a monumental and epic poem Zukofsky spent nearly 50 years working on At every turn *The Poem of a Life* offers a fascinating look into the life and work of this revered poet **Anew** Louis Zukofsky,2011 A gathering of all of Zukofsky's poems outside of A poems that are absolute clarification crystal cabinets full of air and angels Kenneth Rexroth [Louis Zukofsky and the Transformation of a Modern American Poetics](#) Sandra Kumamoto Stanley,1994-02-02 An excellent and original study of a crucial twentieth century American poet James Breslin author of *From Modern to Contemporary American Poetry 1945 to 1965* **The Correspondence of William Carlos Williams and Louis Zukofsky** William Carlos Williams,Louis Zukofsky,2003-12-04 Table of contents *Bottom* Louis Zukofsky,Celia Thaew Zukofsky,2002-08-21 Written between 1947 and 1960 and first published in 1963 the prose work in the first of these two volumes reflects Louis Zukofsky's ongoing obsession with Shakespeare whose plays he had first seen performed in Yiddish and is central to understanding Zukofsky's work Tracing the themes of knowledge love and physical vision the eyes have it through both Shakespeare's plays and the poetry Bottom On Shakespeare is more than a compendious act of homage by one poet to another In effect it lays out Zukofsky's poetics and theory of knowledge on a grand scale tracing his themes through the whole of Western culture from the Classical Greeks through William Carlos Williams The second volume of *Bottom On Shakespeare* consists of Celia Thaew Zukofsky's spare operatic setting of Shakespeare's *Pericles Prince of Tyre* a play in which Zukofsky saw Shakespeare rewriting the classic plots and tropes of the *Odyssey* The Wesleyan edition features a new foreword by Bob Perelman **A Test of Poetry.
