Love Changes:

Love Changes Ayana Ellis, 2008 The perfect world Beatrice envisions is destroyed when her best friend falls to earth Toni finds love with Kaseem a successful investment banker whom Beatrice believes could help her maintain her high flying lifestyle and when one's disloyalty to the other is revealed the friendship is put to the test Original *Love Changes* Marsha R Cook, 2002-06-12 Elaine Lewis seemed to have the ideal life with great friends and a busy social calendar Most importantly she had the perfect husband in Martin a physician who loved her more than she could ever love herself She was the envy of all her friends But what they didn't know was that Elaine was hiding a painful secret from her past The birth of Martin and Elaine's son Stevie forces Elaine to recall her past and she refuses to find room for him in her heart Stevie's birth drives a wedge between the once happily married couple throwing Elaine into a downward spiral of gambling adultery and denial Eventually she must face her past in order to try saving her future *Love Changes Everything* Micah Berteau, 2019-09-03

We all crave love We try to fill the void inside with any number of poor substitutes We seek validation from empty outlets We're thirsty for compliments We change who we are to impress people who aren't looking and don't care Yet we are still desperately searching for a love that changes everything for us a love that doesn't fade and doesn't fail even when we do That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer Unpacking this powerful love story from the Old Testament in a way you have never heard pastor Micah Berteau releases us from the fears hurts insecurities and anxieties of life by showing us just how extravagantly we are loved in spite of our faults our failures and our sins If you're tired of trying so hard to be worthy of someone else's love lost in what's fake or drawn to live in the temporary Micah Berteau has good news for you there is a better way to live and love Foreword by Jentezen Franklin
