

Love Poems about Eyes

By Maya Anthony

Gaze of Wonder

In your gaze, a universe I see,
Stars align in your eyes so free.
Mysteries deep, like oceans wide,
In your eyes, my heart does confide.

Whispers of love in every glance,
In your eyes, my dreams dance.
Tales untold, in depths so true,
Your eyes speak, in every hue.

With every look, you cast a spell,
In your eyes, my fears dispel.
A gaze so kind, a love so wise,
In your eyes, my soul flies.

Love Into Poetry:

Happiness in Love Jerry Yonga, 2023-01-21 Welcome to my collection of love and romantic poetry As you dive into these pages you will be transported to a world of emotions and feelings unique to the human experience Poetry is an art form that has been around for centuries and continues to be a powerful medium for expressing the most intimate and profound aspects of our lives In this book you will find a variety of styles and techniques used to convey the beauty and complexity of love Just as Ansel Adams used his unique style to capture the grandeur of nature this poet has used their techniques to express the nuances of love Whether it is through vivid imagery raw emotions or deep introspection these poets have found a way to capture the essence of what it means to love and be loved As you read these poems you may be transported to different worlds from the city's heart to the ocean's depths You may find yourself laughing crying or feeling in awe at the beauty of the words Each poem reflects the poet's creativity and it is essential to remember that poetry is not a science but an art form Just as Michael Jackson used his unique technique to play music this poet used his style to tell love stories The poet has not been bounded by old fashioned borders but has pushed the boundaries of what is possible in poetry These poems are not only about love but they also explore the complexities of relationships and the human experience This book is not only a collection of poems but it is also a celebration of love in all its forms Whether you are reading these poems as a lover a friend or simply someone who appreciates the beauty of words the poet hopes you will find something that resonates with you Poetry is a powerful medium that can touch our hearts and minds in ways that words alone cannot So sit back relax and be transported to a world of love and romance I hope you will enjoy this poetry collection as much as I have enjoyed putting it together Dr Jerry
