Love Is The Best Teacher:

Love Is the Best Teacher Joan Walsh Anglund, 2004-03 In this inspirational gift book readers discover that the purpose of education is to light the lamp of understanding within the darkness that is ignorance Learn of Me; Or Words of Truth and Love from the Best Teacher , 1874 **Love Teaching, Keep Teaching** Peter Radford, 2020-11-27 A practical guide to staying well in a high pressure profession In the midst of a recruitment crisis and a massive exodus of teachers from our schools now is the time for some joined up thinking about teacher well being and mental health Filled with insightful advice and practical strategies Peter Radford's Love Teaching Keep Teaching invites educators to think differently about the way education is done and shows them how they can keep doing the job they love without sacrificing their health and well being Furthermore he paints a picture of a truly healthy school as being one in which the value of each staff member and student is fundamental to everything they do and shapes the way they do it Peter also offers a fresh perspective on school leadership encouraging leaders to rethink common practices and to explore the rewards and benefits of employing a people focused approach both in the staffroom and across the school Suitable for teachers and school leaders in both primary and secondary settings *Teaching, the Hardest Job You'll Ever Love* Steve Sonntag, 2010-08-16 Teaching Is The Hardest Job You Will Ever Love is a realistic guide that can help the high school teacher and community It includes ways to maintain one's health how to balance one's personal and school life and how to interact in a better successful manner In order to become successful it is important for high school teachers to include personal fulfillment so that students will ultimately learn not only the subject matter but also how to be self sufficient be self accountable and learn with others While students need to learn how to accept their learning and their grades parents or guardians also need to be able to be a support system for their young adults with encouragement when needed and with praise when earned *This Much I Know About Love Over Fear ...* John Tomsett, 2015-06-15 This Much I Know about Love Over Fear is a compelling account of leading a values driven school where people matter above all else Weaving autobiography with an account of his experience of headship John Tomsett explains how in an increasingly pressurised education system he creates the conditions in which staff and students can thrive Too many of our state schools have become scared soulless places John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership wisdom which emphasises love over fear Creating a truly great school takes patience Ultimately truly great schools don't suddenly exist You grow great teachers first who in turn grow a truly great school There is a huge fork in the road for head teachers one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher John strongly believes that if the head teacher is not teaching or engaged in helping others to improve their teaching in their school then they are missing the point The only thing head teachers need obsess themselves with is improving the quality of teaching both their colleagues and their own This Much I Know about Love Over Fear is an authentic personal
