Ghosts and Goosebumps Jack Solomon,Olivia Solomon,1994-03-01 Ghosts and Goosebumps is a rich collection of

folktales and superstitions that capture the oral traditions of central and southeastern Alabama In its pages one can glimpse the long lost horse and buggy times when people sat up all night with the dead and dying hoed and handpicked cotton drew water from wells and met the devil rather regularly The book is divided into three parts tales superstitions and slave narratives The spirits of treasure keepers poltergeists murderers and the murdered wicked men and good men and true float through the book s first section Sue Peacock for example recalls seeing the ghost of her brother and E C Nevin describes a mysterious light in a swamp In other tales reports of supernatural experiences are proved to be rationally explicable Lee Wilson s devil in the cemetery turns out to be a cow and chains rattling near New Tabernacle Church in Coffee County belong not to specters but to hogs The superstitions are arranged according to subject and include such topics as love and marriage weather and the seasons wish making bad luck signs and portents Anonymous tellers confide that it is bad luck to carry ashes out after dark to let a locust holler in your hand to rock an empty rocking chair to let your fishing pole cross someone else s or to have a two dollar bill unless one corner has been removed The slave narratives selected from the Works Progress Administration Folklore Collection are substantial and yield a fascinating view of nineteenth century African American folk life replete with sillies and lazy men preachers and witches brave little boys and reluctant bridegrooms Although the times and places have changed the spirit of the folk is unaltered Taken together these folktales are marvelously diverse by turns fearsome fantastical witty ribald charmingly innocent showing people from all backgrounds their endless vices and occasional virtues their hopes fears and loves

Confronting Whiteness Boswell, W. Benjamin, 2024-02-21

Engaging intellectual works by Black authors to help readers identify and dismantle Whiteness **Catalyst One** Robert E. Rushton, 2004 A matrix of Morality wisdom Philosophy insights Diplomatic cynicism Common sense impressions Whimsy freak notions Personal love relations Societal love relations War Guerilla War Assassinations New political terminology and conceptions And much more for you the story maker to ponder extract and catalyze into your very own allergy using your genius to flesh it out in your name a legend of our time Story smiths will delight in the wisdom given in the various sections on love that may be extracted here from and fashion into a story line A refreshing change of outlook on this subject both from society s point of view and from the individual s intuitive instincts The parabolic sections on Front Line War Guerilla War and Assassination will offer the story maker pause for thought on these subjects The story maker s own abstraction and reworking of these new concepts will leave ample scope for metamorphosis into ones own powerful narrative The cynical section on diplomacy takes the subject to new horizons that will lead one from fresh works in this subject thus adding modern scope to those works of Michiavelli The story maker s extraction modification and reapplication of the various other sections of this work may possibly lead to new higher ground in plot constructs This book will both entertain and enlighten you A revolutionary and extraordinary book that crosses the boundaries of religion philosophy and intellectual thought with purity lucidity and protraction laid out in an order that allows full scope of craft a blueprint for your own book in word

erection This book of parables venerates the probity of extraordinary events in the life and times of contemporary society and doings It validates and encourages responsibility for creating your own truly insightful work The book requires some effort in understanding fresh ground breaking concepts and thus willingness to learn and grasp new terminology **Teaching**

Secondary English Daniel Sheridan,2013-03-07 This new edition of Teaching Secondary English is thoroughly revised but its purpose has not changed Like the popular first edition it balances content knowledge with methodology theory with practice and problem posing with suggested solutions The tone and format are inviting while addressing student readers on a professional level Rather than attempting to cover everything the text provides a framework and materials for teaching a secondary English methods course while allowing considerable choice for the instructor The focus is on teaching literature writing and language the basics of the profession Attention is given to the issues that arise as one seeks to explore what it means to teach English The problems and tensions of becoming a teacher are discussed frankly in a manner that helps students figure out their own attitudes and solutions Features Focuses on a few central concepts in the teaching of secondary English Provides an anthology of 22 readable and challenging essays on key topics allowing students to hear a variety of voices and opinions Includes an applications section for each reading that extends the discussion and asks students to explore problems and grapple with important issues related to the articles Offers short writing assignments in questions that follow the readings and in brief writing tasks in the applications and a longer writing assignment at the end of each chapter Addresses student readers directly without talking down to them New in the Second Edition This edition is shorter tighter and easier to use The opening and concluding chapters more directly address the concerns of new teachers The anthology is substantially updated of the 22 articles included 14 are new to this edition Each essay is preceded by a brief introduction and followed by questions for further thought There are fewer applications but these are more extensive and more fully integrated within the text A writing assignment is provided at the end of each chapter Interviews with college students before and after student teaching are included in Chapters 1 and 6 The bibliographies at the end of each chapter are fully updated *Imagined Frontiers* Carl Abbott,2015-09-10 We live near the edge whether in a settlement at the core of the Rockies a gated community tucked into the wilds of the Santa Monica Mountains a silicon culture emerging in the suburbs or in the future homesteading on a terraformed Mars In Imagined Frontiers urban historian and popular culture scholar Carl Abbott looks at the work of American artists who have used novels film television maps and occasionally even performance art to explore these frontiers the metropolitan frontier of suburban development the classic continental frontier of American settlement and the yet unrealized frontiers beyond Earth Focusing on writers and artists working during the past half century an era of global economic and social reach Abbott describes the dialogue between historians and social scientists seeking to understand these frontier places and the artists reimagining them in written and visual fictions This book offers perspectives on such well known authors as T C Boyle and John Updike and on such familiar movies and television shows as

Falling Down and The Sopranos By putting The Rockford Files and the cult favorite Firefly in conversation with popular fiction writers Robert Heinlein and Stephen King and literary novelists Peter Matthiessen and Leslie Marmon Silko Abbott interweaves the disparate subjects of western history urban planning and science fiction in a single volume Abbott combines all new essays with others previously published but substantially revised to integrate western and urban history literary analysis and American studies scholarship in a uniquely compelling analysis of the frontier in popular culture Johnny Appleseed and the American Orchard William Kerrigan, 2012-10-02 Johnny Appleseed and the American Orchard illuminates the meaning of Johnny Appleseed Chapman's life and the environmental and cultural significance of the plant he propagated Creating a startling new portrait of the eccentric apple tree planter William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies across New England and the Midwest The character of Johnny Appleseed stands apart from other frontier heroes like Davy Crockett and Daniel Boone who employed violence against Native Americans and nature to remake the West His apple trees nonetheless were a central part of the agro ecological revolution at the heart of that transformation Yet men like Chapman who planted trees from seed rather than grafting ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West Over the course of his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre market one Weaving together the stories of the Old World apple in America and the life and myth of John Chapman Johnny Appleseed and the American Orchard casts new light on both James Gilbert University of Maryland **Monographic Series** Library of Congress, **Virginia Folk Legends** Thomas E. Barden, 1991 What do devil dogs witches haunted houses Daniel Boone Railroad Bill Justice John Crutchfield and lost silver mines have in common All are among the subjects included in the vast collection of legends gathered between 1937 and 1942 by the field workers of the Virginia Writers Project of the WPA For decades following the end of the project these stories lay untouched in the libraries of the University of Virginia Now folklorist Thomas E Barden brings to light these delightful tales most of which have never been in print Virginia Folk Legends presents the first valid published collection of Virginia folk legends and is endorsed by the American Folklore Society *A Treasury of North American Folktales*, 1998 This collection of anonymous stories and yarns legends and myths distills the collective experience of mankind **Towboat on the Ohio** James E. Casto, 2021-12-14 To get a personal look at what it is like to work on the Ohio River newspaperman James E Casto spent eight days aboard the Blazer as it traveled the Ohio from Huntington West Virginia to Pittsburgh up the Allegheny and the Monongahela and then back to Huntington The Paul G Blazer a gleaming white towboat owned and operated by Ashland Oil pushes a group or tow as the rivermen call it of nine barges on this trip Along the way Casto introduces us to Captain Ronnie Davis pilot Ronnie Burge engineer Steve Bellomy the mates the deckhands and the cook as well as the river itself the life and the beauty that are the Ohio Interwoven with the narrative of the trip upriver and back is the history of

commerce on the Ohio of how the flatboats and keelboats gave way to the steamboats and how in turn the steamboats were replaced by today's powerful diesel powered boats such as the Blazer Mark Twain wrote that the Mississippi had a new story to tell every day The same can be said of the Ohio As engaging as it is informative Towboat on the Ohio tells one of the many stories of the busy hardworking Ohio River *Myths, Legends, and Folktales of America* David Adams Leeming, Jake Page, 2000 Presents a variety of myths tales and legends Includes Native American tales about creation goddesses trickster gods the Indian and the white man as well as Hispanic American Asian American Anglo American and African American stories Features patriotic heroes American loners frontiersman and tall tales Western outlaws lawmen and cowboys slave rebels and Blues legends among other topics **The Rural New-Yorker** , 1915 *Children's Literature* Barbara Stoodt, 1996
