Love and Women in Early Chinese Fiction Daniel Hsieh, 2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of zhiguai and chuanqi fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of chuanqi and zhiguai written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as The Peony Pavilion and Dream of the Red Chamber

Women Who Love Too Much is the book you've been waiting for. Therapist Robin Norwood explores the concept of loving too much as a pattern that many women develop as a result of unresolved childhood issues. For these women, the drive to seek love becomes all-consuming, often leading them into toxic, destructive relationships with men. They then spend years trying to fix these unhealthy dynamics, only to fall deeper into emotional turmoil. In this bestselling book, Norwood examines the addictive nature of these relationships and provides a clear, specific recovery program for breaking free from the cycle of loving too much. It's an empowering guide for women who want to heal from destructive love patterns and build healthier, more fulfilling relationships.

Men Who Hate Women and the Women Who Love Them Susan Forward, Joan Torres, 2002-01-02. Is this the way love is supposed to feel? Does the man you love assume the right to control how you live and behave? Have you given up important activities or people to keep him happy? Is he extremely jealous and possessive? Does he switch from charm to anger without warning? Does he belittle your opinions, your feelings, or your accomplishments? Does he withdraw love, money, approval, or sex to punish you? Does he blame you for everything that goes wrong in the relationship? Do you find yourself walking on eggs and apologizing all the time? If the questions here reveal a familiar pattern, you may be in love with a misogynist, a man who loves you yet causes you tremendous pain because he acts as if he hates you. In this superb self-help guide, Dr. Susan Forward draws on case histories and the voices of men and women trapped in these negative relationships to help you understand your man's destructive pattern and the part you play in it. She shows how to break the pattern, heal the hurt, regain your self-respect, and either rebuild your relationship or find the courage to love a truly loving man.
