Brooklyn Love Yael Levy, 2012-09-17 For any young woman it can be hard to follow the rules especially when you're falling in love But for Rachel Hindy and Leah it's especially hard Because as Orthodox Jews they live by a whole different set of rules No touching a guy any guy before marriage No dating unless they are considering marriage and then only marrying a man who rates high on their parents' checklists All Rachel's mother wants for her daughter is to see that her daughter marries well Naturally this is where the rich Columbia U educated lawyer comes in The problem is Rachel's already found a guy who makes her heart race A Rabbi But how could a struggling Rabbi possibly give Rachel the security her mother demands Hindy is very pious and only wants to marry a Talmud scholar The problem is she's in love with an Orthodox Jewish guy she works with How long can she keep saying no when her heart says yes And will she be able to stick to her values amidst temptation Leah wants to be a doctor but her mother insists she study computers even though she hates computers Her mom a struggling immigrant has fixed ideas about the course to success and marriage which doesn't include any of Leah's wishes What will it take for Leah to break out of her mom's and community's expectations and follow her dreams In *Brooklyn Love* three Orthodox Jewish women who are caught between crushing guilt of defying their mothers and their desire to be normal are there for each other as they try to figure out who they really are and what they really want

The Catholic Church on Marital Intercourse Robert Obach,2008-12-16 The Catholic Church on Marital Intercourse traces the development of the Church s theology of marital sexuality from New Testament times to the present day The early ecclesial leaders promoted a theology of sexuality based on Stoicism s biological perception that sexual activity was solely for the purpose of reproduction Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves With the Second Vatican Council 1962 1965 a new and positive view of marital sexuality emerged recognizing the Pauline view that the couple s marital acts express their love for each other along the lines of Christ s love for his church Ephesians 5 In sum The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other
