N. Reddy,2000-05-25 Gunard Nagin the main character in this book is a complex character romantic and cerebral He lives his life in a constant state of war torn between these polarizing states until he discovers that this polarization is cultural and phenomenomical He questions both Kierkegaard s and Nietzsche s ethical and aesthetic ideas In the realization

that both these ideas are bogus he tries to live a life that he considers valid In the course of which he encounters three loves from diverse backgrounds which offer him a challenge in more ways than the reader could imagine There is Desir e who is demure and sensible But when a hurtful thing happens to her she falls back upon her tradition There is Kaori a Japanese woman planted in a foreign soil who is willing to agree with the ideas of Gunard But she was not willing to go all the way And finally there is Gabriella a modern woman devoid of the Past groping her way in a world that is stripped culturally bare by her own volition Would Gabriella offer the solution Gunard was seeking Are these three women faithful to the past present and future states What does Gunard get from all this Is aesthetic living a state of immediacy and ethical living a state of permanence If we strip an event of its pastness what ethical value would that event have What does the birth of the girl Nozomi contribute to this drama Is Gunard just a confused person For answers read When Maples Blush from cover to cover In the process enjoy the sweet and lyrical qualities of the book

Understanding Love Timo Purjo,2025-10-02 This book is a true voyage of exploration across the sea of love approaching the theme through a logotherapeutic and philosophical perspective The author PhD Timo Purjo examines love as the highest value a fundamental spiritual capacity and the deepest meaning of human existence It leads the reader from foundational philosophical principles to concrete life situations in which love is expressed as an attitude a responsibility a decision and a calling It draws upon Viktor Frankl s anthropological understanding of the human person placing emphasis on the role of the will to meaning self transcendence and responsibility in realizing authentic love The author reflects on love not just as a feeling but as a value that gives direction and purpose to human life Through philosophical analysis drawing on the insights of M Scheler K Jaspers E Fromm and other important thinkers Purjo connects the logotherapeutic understanding of meaning with fundamental questions about the nature of love the challenges it faces and its potential for growth Building upon Frankl s concept of WILL TO MEANING as the cornerstone of logotherapy Purjo expands the framework by guiding the reader toward a conscious and empowered WILL TO LOVE The practical dimension of love is also explored as love in

interpersonal relationships in professional settings love directed toward imperfection love in suffering and loss and love for non human beings and nature The book includes personal stories that testify to love as a genuine and vital force in life What makes this book truly unique is that the author does not write from the position of someone who knows what love is but rather as someone who searches learns and shares with the reader what he has discovered along the way More than a theoretical exploration this book is an invitation to pause reflect and re examine the ways in which love shapes our decisions our relationships and our sense of purpose It encourages the reader to engage in the courageous act of loving not as a fleeting emotion but as an enduring orientation toward the good the true and the meaningful Through this lens love becomes not only a personal experience but an existential commitment a spiritual path and a shared human journey Understanding Love is a deeply personal yet universal book philosophical yet warm academically grounded yet accessible to anyone seeking a deeper understanding of love in their own life Catalog of Copyright Entries.
