Nature Noir A Park Rangers Patrol In The Sierra:

Nature Noir Jordan Fisher Smith, 2006 Smith chronicles his 14 years as a park ranger on a huge tract of government land in the Sierras illuminating some startling truths about America's wild lands **Nature Noir** Jordan Fisher Smith, 2006-05-03 A nature book unlike any other peppered with gritty anti-romantic all too real tales of cops n bad guys in the great outdoors The San Diego Union Tribune Jordan Fisher Smith's startling account of fourteen years as a park ranger thoroughly dispels our idealized visions of life in the great outdoors Instead of scout troops and placid birdwatchers Smith's beat a stretch of land that has been officially condemned to be flooded brings him into contact with drug users tweaked out to the point of violence obsessed miners and other dangerous creatures In unflinchingly honest prose he both portrays the breathtaking natural world around him and reveals the unexpectedly dark underbelly of patrolling and protecting public lands Gloriously unlike anything I've ever read before gives entree into a strange dark and mesmerizing outdoor world that's absolutely unforgettable The Boston Globe By turns funny poignant and surprising an intimate memoir of the career of a state park ranger Not just any ranger but one with a wicked pen patrolling a doomed landscape Seattle Times Post Intelligencer Compelling refreshingly unsentimental Barry Lopez author of *Arctic Dreams* Smith offers a fresh perspective on our threatened environment *Nature Noir* reflects the spirit of an era as did *Desert Solitaire* Charlotte Observer **California State Park Rangers** Michael G. Lynch, 2009-02-23 The first park ranger in the world was appointed in California in 1866 Galen Clark was chosen as Guardian of Yosemite at what was then Yosemite State Park and the concept of rangers to protect and administer America's great nature parks was born The tradition continued in 1872 with the establishment of the first national park at Yellowstone From the earliest days park rangers have been romanticized they are explorers outdoorsmen tree lovers animal protectors police officers nature guides and park administrators The park ranger has become an American icon whose revered image has maintained itself to this very day **Dark Nature** Richard Schneider, 2016-10-04 In *The Ecological Thought* eco-philosopher Timothy Morton has argued for the inclusion of dark ecology in our thinking about nature Dark ecology he argues puts hesitation uncertainty irony and thoughtfulness back into ecological thinking The ecological thought he says should include negativity and irony ugliness and horror Focusing on this concept of dark ecology and its invitation to add an anti-pastoral perspective to ecocriticism this collection of essays on American literature and culture offers examples of how a vision of nature's darker side can create a fuller understanding of humanity's relation to nature Included are essays on canonical American literature on new voices in American literature and on non-print American media This is the first collection of essays applying the dark ecology principle to American literature *The Book Review Digest*, 2005 High Country Nevada Barr, 2013-06-06 It's fall in the Sierra Mountains and Anna Pigeon is slinging hash in Yosemite National Park's historic Ahwahnee Hotel Four young people all seasonal park employees have disappeared and two weeks of work by crack search and rescue teams have failed to turn up a single clue investigators are unsure as to whether

the four went AWOL for reasons of their own or died in the park. Needing an out of park ranger to work undercover, Anna is detailed to dining room duty but after a week of waiting tables, she knows the missing employees are only the first indication of a sickness threatening the park. Her twenty-something roommates give up their party girl ways and panic; her new restaurant colleagues regard her with suspicion and fear. Yet when Anna's life is threatened and her temporary supervisor turns a deaf ear, she follows the scent of evil, taking a solo hike up a snowy trail to the high country seeking answers. What awaits her is a nightmare of death and greed and perhaps her final adventure. **Blood Lure** Nevada Barr, 2002-02-05

In this mystery in Nevada Barr's New York Times bestselling series, District Park Ranger Anna Pigeon is betrayed by nature itself as a most unnatural evil stalks its prey in the pristine West. Straddling the border between Montana and Canada lies the Waterton Glacier International Peace Park, Anna's home away from home when she is sent on a cross-training assignment to study grizzly bears. Along with bear researcher Joan Rand and a volatile unpredictable teenage boy, Anna hikes the back country seeking signs of bear. But the tables are turned on their second night out when one of the beasts comes looking for them. Daybreak finds the boy missing, a camper mutilated, and Anna caught in a grip of fear, painfully aware that her lifelong bond with nature has inexplicably snapped. **High Sierra Quarry** Paul Wagner, 2023-05-19

When a young woman hiker is reported missing, the Forest Service takes part in the search. But the more Ranger Dan Courtwright learns about the case, the less sense it makes to him. And the more dangerous things get for everyone involved, especially Dan. All of which leads to confusion, consternation, and murder. *Ill Wind* Nevada Barr, 1995

In *Ill Wind*, Barr's powerful new novel, Park Ranger Anna Pigeon confronts death among the ruins. Colorado's Mesa Verde National Park is noted for its well-preserved cliff dwellings, the sole legacy of the Anasazi civilization which vanished without any other trace in the twelfth century. Separated from friends and family and haunted by personal demons, Anna finds solace in these quiet ruins, their pinon-scented turrets and towers backlit by the fading blue of distant mountain ranges. But the rugged beauty of the park and the mystery of the Anasazi are cruelly overshadowed by danger and death. An unusually high number of medical rescues and the unexpected death of an asthmatic child are followed by the sudden demise of a fellow ranger who is found neatly curled up in one of the ancient kivas, his hat and shoes at his side. Anna had thought she'd found a friend; in this man, she had seen him as a kindred spirit, but his death transforms him into an enigma. Puzzled and more deeply wounded than she'd ever dare admit, Anna immerses herself in the ensuing investigation. As she sifts through shifting loyalties and struggles to honor the past, she must face forces both seen and unseen which threaten her career and her very life. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. Hunting Season (Anna Pigeon Mysteries, Book 10) Nevada Barr, 2013-06-06

Anna Pigeon stumbles into a nest of secrets; can she find her way out? Park Ranger Anna Pigeon returns to face her most duplicitous foe: human nature. In Nevada Barr's thrilling mystery *Hunting Season*, Perfect for fans of Jo Nesbo and Janet Evanovich. Suspenseful, atmospheric, and pulse-pounding, *Hunting Season* ranks

right up there with the best in this excellent series Chicago Tribune When Anna answers a call to historic Mt Locust once a producing plantation and inn on Mississippi s Natchez Trace Parkway and now a tourist spot the last thing she expects to encounter is murder But the man Anna finds in the stand s old bedroom is no tourist in distress He s nearly naked and very dead his body bearing marks consistent with an S M ritual gone awry On a writing table nearby is an open Bible ominous passages circled in red It seems the deceased is the brother of Raymond Barnette local undertaker and a candidate for sheriff who wants to keep any hint of kinkiness out of the minds of the God fearing populace Ray may be hiding a house full of secrets in the old family homestead but before Anna can start her investigation she s waylaid by malevolent poachers peevish co workers and a suddenly turbulent romantic life And when hidden agendas and old allegiances are revealed it s suddenly Anna s life that s on the line What readers are saying about Hunting Season Fast paced lively descriptive and entertaining is the hallmark of a great writer Authentic and captivating Five stars Death on the High Route Ken Stichter,2007-04

Backpackers Sti and Rob discover skeletal remains of a female National Park Ranger at 11 000 feet in the trailless environment of the Sierra Nevada High Route The official determination is accidental death case closed But for Sti and Rob it is only the beginning of a tale that takes them down paths never before traveled Preeminent geologist Matthew Harris believes his granddaughter was murdered and convinces the two semi retired friends to be amateur investigators As such they encounter a series of strange historical connections extending back to early settlers in California s Owens Valley in the 1860 s The connections involve Indian uprisings geological research Los Angeles aqueduct archeological artifacts the deaths of two scientists and extremes that accompany the lust for gold What starts out as just another hike ends up as a journey through the history of the Eastern Sierra and the puzzling cause of the death of June Harris **Ranger On the Run** Ernest A. Lommatsch III,2019-05-15 When a Park Service Ranger stumbles on a heinous crime in the back country of Glacier National Park he s faced with his greatest challenge yet Alone outgunned outnumbered and with no communication with civilization he is forced to run and the hunter becomes the hunted The uphill battle only gets worse when he takes a bullet from one of the gunmen The criminals know that if this ranger survives they will lose everything They can t let that happen The ranger must die before it s too late Now the ranger must rely on his back country knowledge and skills to make it through This intriguing and exciting story of a park ranger that lives at the Belly River Valley Ranger Station is based on true events The ranger must rely on his knowledge of the back country that has been his back yard for the few past seasons Along with the action and adventure throughout this story the ranger s knowledge of animal habits plants and other tidbits of factual information found within Glacier National Park shine through in an intoxicating blend of true to life adventure

High Country Nevada Barr,2005-02-01 It s fall in the Sierra Mountains and Anna Pigeon is slinging hash in Yosemite National Park s historic Ahwahnee Hotel Four young people all seasonal park employees have disappeared and two weeks of work by crack search and rescue teams have failed to turn up a single clue investigators are unsure as to whether the four

went AWOL for reasons of their own or died in the park. Needing an out of park ranger to work undercover, Anna is detailed to dining room duty but after a week of waiting tables she knows the missing employees are only the first indication of a sickness threatening the park. Her twenty something roommates give up their party girl ways and panic her new restaurant colleagues regard her with suspicion and fear. Yet when Anna's life is threatened and her temporary supervisor turns a deaf ear she follows the scent of evil taking a solo hike up a snowy trail to the high country seeking answers. What awaits her is a nightmare of death and greed and perhaps her final adventure.

Rangers Mona Shepherd, 2016-06-27

All Ranger Shane MacLeod wants for himself and his young daughter is a change of scenery and a chance to leave behind painful memories when he transfers from Yosemite National Park to the Smokies. Little does he suspect the complications to come when his life gets tangled up with a distracting young woman named Andie Carson not to mention the fireworks when he adds old friend Ben Morgan to the picture. Hiring on the maverick with the ladykiller looks could cost Shane his career if not his life. Just goes to show what can blow up in your face when you try to do a favor for an old friend. Set against the deceptive serenity of the Great Smoky Mountains, **RANGERS** depicts the dramas that arise when nature hordes of visitors and the rangers sworn to protect both clash in America's most heavily visited national park. This behind the scenes portrayal illustrates the excitement and humor, the danger and fulfillment experienced by the men and women of the National Park Service. It celebrates their service while addressing the trials of starting over, testing the bounds of friendship and what defines true heroism.

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Nature Noir A Park Rangers Patrol In The Sierra**

In a global inundated with screens and the cacophony of quick connection, the profound energy and mental resonance of verbal art frequently diminish into obscurity, eclipsed by the continuous barrage of noise and distractions. Yet, set within the musical pages of **Nature Noir A Park Rangers Patrol In The Sierra**, a interesting perform of fictional elegance that pulses with raw thoughts, lies an unique trip waiting to be embarked upon. Penned by a virtuoso wordsmith, this interesting opus books viewers on an emotional odyssey, delicately revealing the latent possible and profound impact stuck within the elaborate web of language. Within the heart-wrenching expanse of this evocative evaluation, we shall embark upon an introspective exploration of the book is key styles, dissect their fascinating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
