Expedition, Journal of a Military Reconnaissance from Santa Fe, New Mexico to the Navaho Country James Harvey Simpson, 1964 *Blood and Thunder* Hampton Sides, 2007-10-09 NATIONAL BESTSELLER From the author of *Ghost Soldiers* comes an eye opening history of the American conquest of the West a story full of authority and color truth and prophecy The New York Times Book Review In the summer of 1846 the Army of the West marched through Santa Fe en route to invade and occupy the Western territories claimed by Mexico Fueled by the new ideology of Manifest Destiny this land grab would lead to a decades long battle between the United States and the Navajos the fiercely resistant rulers of a huge swath of mountainous desert wilderness At the center of this sweeping tale is Kit Carson the trapper scout and soldier whose adventures made him a legend Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American yet willingly followed orders that would ultimately devastate the Navajo nation Rich in detail and spanning more than three decades this is an essential addition to our understanding of how the West was really won

accomplishments such as exploration gathering scientific data and building towns **Red Shirt** Lawrence D. Sundberg, 2015-05-09 Henry Lafayette Dodge has long been a familiar name in 19th century American Southwestern history As one of the earliest and most effective Indian agents to the Navajo he has been portrayed as a congenial sympathetic and compassionate advocate for the tribe a veritable role model The Navajo knew him as Red Shirt a man they came to respect appreciate and trust Those who knew Dodge admitted although often grudgingly that he had unrivaled influence over the tribe By today's sensibilities Henry L Dodge was hardly a role model In his youth he was irresponsible hot headed and violent As an adult he was sued for assault and battery land fraud breach of promises and misuse of public funds He apparently couldn't be trusted with money his own or others Finally brought down by scandal he fled Wisconsin in the dead of night abandoning his career his wife and his children leaving them nearly destitute How then should history assess him Honestly precisely as he was an ambitious and imperfect man The honest telling gives a straightforward account of not only Henry L Dodge but what became the veritable mythology of the West from the bawdy old French Missouri river towns to the raucous lead mining districts of southwest Wisconsin through the slaughter of the Winnebago and Black Hawk wars to the invasion of New Mexico and the chaos of the Indian frontier it is a gritty personal tale of the true West **Navajo Roundup** Lawrence C. Kelly, 1970 **Navajo Blessingway Singer** Frank Mitchell, 2003 This life history of a Navajo leader recorded in the 1960s and first published in 1977 is a classic work in the study of Navajo history and religious traditions A skillful meticulous and altogether praiseworthy contribution to Navajo studies Although the focus of Mitchell's autobiography is upon his role as a Blessingway singer there is much material here on Navajo history and culture in the late nineteenth and early twentieth centuries Mitchell attended the government school at Fort Defiance worked on the railroad in Arizona served as a handyman and interpreter at several trading posts and the Franciscan missions and later served as a tribal councilman in the 1930s and as a judge in the 1940s and 1950s His observations on these experiences are relevant to our understanding of contemporary Navajo life Lawrence C Kelly Western Historical Quarterly This book stands easily among the best of the native autobiographies Narrated by a thoughtful and articulate Navajo leader over a span of eighteen years this life history is brought into English with none of the selective romanticizing that has spoiled some books It is a superb job of bringing one culture ever closer to another Barre Tolken Western Folklore **The Union** Kenneth White Munden, Henry Putney Beers, 1986 **Natural History**, 1927 The Counterfeiters of Bosque Redondo Matt Fitzsimons, 2022-07-25 Discover the staggeringly true story of how the first Navajo silversmiths fed and freed a nation Old Pounder they called him the very first Navajo silversmith Yet Herrero Delgadito's greatest legacy is measured in lives not ounces the scores of Navajo women and children he plucked out of slavery in 1864 the hundreds of exiles he risked everything to feed in 1865 and the thousands of people he helped lead back home in 1868 A remarkable portrait of human resilience Delgadito's story upends conventional narratives of the West revealing an illicit slave system that began with the Conquistadors and reached its apex under the

Union Army Even as US officials fought to end slavery in the South they weaponized human trafficking against the Navajo Nation in New Mexico Matt Fitzsimons traces the trajectory of the prisoners of Bosque Redondo who forged a path to freedom
