Rediscovering Hope Our Greatest Teaching Strategy:

Rediscovering Hope Richard L. Curwin,1992-01-01 Provides strategies for teacher to create an atmosphere of hope and success in the classroom

What Do You Say When...? Hal Holloman,Peggy Yates,2013-10-11 Do you remember a time when you used the right words at the right moment and they made all the difference With the aim of helping you repeat that experience every day this book provides hundreds of examples of what we call Best Practice Language BPL a research based technique designed to help teachers use words to improve student behavior in the classroom and beyond In their years of working at the K 12 levels educators Hal Holloman and Peggy H Yates have identified the exact phrases and key words you can use to handle recurring disruptions inappropriate outbursts and students low self confidence among other classroom realities BPL will enable you to Set your expectations clearly on the first day of school Prevent and resolve conflicts between students Create a safe haven for shy apprehensive students Establish meaningful relationships with students built on trust Help students foster a respect for themselves their peers and for adults Maintain a positive classroom environment that encourages personal responsibility Whether you re a new teacher a veteran teacher a pre service teacher or school administrator the tools in this book will help you use words effectively in ways that resonate with students and provide them with clear and promising direction

Discipline With Dignity for Challenging Youth Richard Curwin,Allen Mendler,2004-01-01 Create positive change in your most challenging students with the help of practical strategies found in this resource Learn the five fundamental principles and seven goals that are the foundation of all effective discipline strategies The authors share proven practices for classroom discipline reveal reasons why students misbehave and offer 21 effective drug free ways to help students with ADHD

Creating a Democratic Climate for Kids Mary Lou McCormick,2020-10-28 The principles of democracy freedom and the rights of individuals are taught from textbooks but the principles of autocracy and dictatorship are still practiced in most schools and homes It is no wonder our children feel unsettled defiant and even outright rebellious Many of our young people are growing up ignorant of and uncommitted to the great principles upon which our nation was founded The way to make children committed to our democratic way of life is to make them full participants in it This new guide is provided to assist educators and parents in making our schools and homes models of democracy giving our kids the freedom of choice and bestowing on them the basic rights of citizenship Parents and educators must unite as democratic leaders to guide coach and stimulate our young people to assume responsibility for themselves The future of our nation may depend on it

Durkheim and Modern Education W.S.F. Pickering,Geoffrey Walford,2002-09-11 This volume explores Durkheim s place in modern educational thought at three different levels Durkheim s ideas on education are analyzed and placed in the context of modern society current educational issues are explored using a Durkheimian framework Durkheim s thought is related to that of modern educational theorists to reveal his enduring influence In discussing Durkheim s modern relevance the contributors stress his desire to integrate the practical and

theoretical aspects of education They identify particular pertinence in his focus upon the moral base of education and his insistence upon the importance of the social and society *Character Matters* Thomas Lickona,2004-02-10 In *Why Character Matters* a leader in the character education movement and author of the landmark book *Educating for Character* Lickona now lays out 100 specific strategies that will help parents as well as teachers instill children with the values that will help them lead good and successful lives **Educational Psychology Australian Edition** Anita Woolfolk,Kay Margetts,2012-07-25 Learning and teaching is an integrated process and theory and practice cannot be separated As in the previous Australasian edition *Educational Psychology 3e* continues to emphasise the educational implications and applications of child development cognitive science learning and teaching Recurring themes throughout the text include ideas about education social and socio cultural aspects of education schools families and community development learning and curriculum and effective teaching Author Kay Margetts incorporates Australasian perspectives and applications using the work of Australasian researchers and teachers Numerous examples case studies guidelines and practical tips from experienced teachers are used in the text to explore the connections between knowledge understanding and practice

Discipline with Dignity Richard L. Curwin,Allen N. Mendler,Brian D. Mendler,2018-04-16 In this revised and updated 4th edition *Discipline with Dignity* provides in depth guidance for implementing a proven approach to classroom management that can help students make better choices and teachers be more effective Emphasizing the importance of mutual respect and self control the authors offer specific strategies and techniques for building strong relationships with disruptive students and countering the toxic social circumstances that affect many of them including dysfunctional families gangs and poverty Educators at all levels can learn The difference between formal and informal discipline systems and when to use each The role of values rules and consequences How to address the underlying causes of discipline problems that occur both in and out of school What teachers can do to defuse or prevent classroom disruptions and disrespectful behavior without removing students from the classroom Why traditional approaches such as threats punishments and rewards are ineffective and what to do instead How to use relevance teacher enthusiasm choice and other elements of curriculum and instruction to motivate students How to reduce both teacher and student stress that can trigger power struggles With dozens of specific examples of student teacher interactions *Discipline with Dignity* illustrates what you can do and not do to make the classroom a place where students learn and teachers maintain control in a nonconfrontational way The goal is success for all in schools that thrive **Promoting Family Wellness and Preventing Child Maltreatment** Isaac

Prilleltensky,Geoffrey Brian Nelson,Leslea Peirson,2001-01-01 Deals with the promotion of emotional well being in families and the prevention of child maltreatment Values policies and resources are examined as both facilitators of and barriers to effective action *Making Good Choices* Richard L. Curwin,2003-02-11 This guidebook offers teachers eight ready to use strategies to help students make good choices for good behavior in the classroom as well as in the real world If Parents

Cared Enough... Mary M. Hall-Rayford, 2012-09-10 Everyone knows by now or least thinks they know that a majority of students especially inner city students fall short on standardized tests in most public schools Media reports as well as government entities always infer that the fault of low student performance falls on the shoulders of the teachers Really Teachers have no control over the environment in which a child is raised Teachers have no control over whether parents read or do not read to their children Teachers have no control over district policies that do not add up to real school reform Teachers have no control over legislators who care more about politics than educating children So how is it that it is always the teachers fault that students do not perform well Student performance in schools excel when parents are actively engaged in creating and maintaining an environment that is conducive to learning raising children who are respectful and responsible getting involved in the business of learning in the schools with the local school board and in electing officials responsible for legislation regarding education Resources in Education ,1993-07 **Strategies for Successful Classroom**
