Testing Fresh Expressions John Walker, 2016-04-01 Testing Fresh Expressions investigates whether fresh expressions of church really do what is claimed for them by the fresh expressions

movement and in particular whether their unique approach helps to reverse trends of decline experienced by traditional churches Part 1 examines those claims and untangles their sociological and theological assumptions From a careful study of factors underlying attendance decline and growth Part 2 argues that long term decline can be resisted only if churches are better able to attract children the non churched or both Part 3 tests the comparative ability of a group of growing parish churches and a group of fresh expressions to resist trends of decline and discovers some intriguing social dynamics common to both groups Part 4 argues that fresh expressions do not fulfil the unique role often claimed for them but that they do have the capacity to help reinvigorate the whole church

Trust, Risk and Uncertainty S. Watson,A. Moran,2005-06-07 The themes trust risk and uncertainty seem especially pertinent in the context of the post 9 11 world This book brings together a range of new research with a focus on the risk society debate and on the themes of trust uncertainty and ambivalence Where much of the work within these crucial debates in the social sciences has been theory based and theory driven Trust Risk and Uncertainty combines theoretical sophistication with empirical analysis and research in the fields of philosophy education social policy government health and social care sociology and media and cultural studies

The dilemmas of development work Hoggett, Paul,Mayo, Marjorie,2008-11-19 Social development work takes place in the grey area between government and the voluntary and community sectors This book written by three well known educators and researchers in the social policy and development field explores the ways in which front line professionals working with communities identify and address the dilemmas inherent in the current policy context Drawing upon original material the authors examine how community engagement workers negotiate the ethical and emotional challenges they face how they work through problems of community representation at interpersonal and team levels how they manage the conflicting roles of local activist and paid worker and what role colleagues management and others play when responding to such challenges The dilemmas of development work reconnects to and updates an important tradition in social policy which explores the dilemmas of street level work It draws on contemporary political theory and current debates concerning the modernisation of governance and psycho social perspectives on identity values and agency Combining theory and practice it will appeal to practitioners policy makers and undergraduates in social and public policy
