Small Press Record of Books in Print Len Fulton,1994 **Pantomime of a Madman and Other Bad Poems** Artchil Daug,2012-08-19 Over a hundred poems written in a time when the color of the real world run away to the simulation created from the ego of humanity The deserted world is reflected in these poems from the loneliness of fallen buildings and rising humanism Madness is the product of our own delusions of having a special position in the world then madness became a reaction against it Here the madman rises The Mirror of Our Anguish Douglas Radcliff-Umstead,1978 Introduces to the English reading public the seven novels and the most typical tales of that writer whose literary fame still rests upon his achievements as a dramatist Divine Madman Dominique Rolin,2005 This novel begins as on his deathbed the painter through the eyes of his beautiful young wife steps back into his past Caught between two realities Pieter Brueghel born to poverty and oppression was also divinely gifted In his studio he would turn into a madman wildly seeking his double who had been sent by God to reveal the truth of creation This double would enter into his body to paint some of the finest paintings the world has ever seen *Neon Madman* John Harvey,2016-09-13 The final entry in the groundbreaking series of hardboiled British mysteries starring Scott Mitchell the toughest detective to ever call London home The ledge isn t quite wide enough for Scott Mitchell to stand but he ll have to make it work He keeps his balance just long enough to get a few quick snaps of the motel room opposite where a client s wife is enjoying a spirited act of adultery and has no idea that she s been caught on film It s sleazy work but anything that keeps Mitchell s wallet fat and his hide safe is fine by him But he took this case because it carried not a hint of danger so why is somebody trying to kill him The West Indian man bursts into Mitchell s office threatening to tear him apart Mitchell talks him down before the man is able to break any limbs or God forbid his camera but he still hasn t got a clue who the intruder is or how he s tied up in the adultery case And when this simple bit of divorce work goes from quick and easy to slow and deadly Mitchell will have to move fast if he wants to stay alive The final novel in the series that brought the American hardboiled style to Britain Neon Madman is perfect for fans of Raymond Chandler and John D MacDonald Scott Mitchell was one of the first hardboiled British private investigators and he remains the best Neon Madman is the 4th book in the Scott Mitchell Mysteries but you may enjoy reading the series in any order From Madman to Crime Fighter Roslynn D. Haynes,2017-08-31 A study of the scientist in Western culture from medieval images of alchemists to present day depictions of cyberpunks and genetic engineers They were mad of course Or evil Or godless amoral arrogant impersonal and inhuman At best they were well intentioned but blind to the dangers of forces they barely controlled

They were Faust Frankenstein Jekyll Moreau Caligari Strangelove the scientists of film and fiction cultural archetypes that reflected ancient fears of tampering with the unknown or unleashing the little understood powers of nature In *From Madman to Crime Fighter* Roslynn D Haynes analyzes stereotypical characters including the mad scientist the cold blooded pursuer of knowledge the intrepid pathbreaker and the bumbling fool that from medieval times to the present day have been used to depict the scientist in Western literature and film She also describes more realistically drawn scientists characters who are conscious of their public responsibility to expose dangers from pollution and climate change yet fearful of being accused of lacking evidence Drawing on examples from Britain America Germany France Russia and elsewhere Haynes explores the persistent folklore of mad doctors of science and its relation to popular fears of a depersonalized male dominated and socially irresponsible pursuit of knowledge for its own sake She concludes that today's public response to science and scientists much of it negative is best understood by recognizing the importance of such cultural archetypes and their significance as myth *From Madman to Crime Fighter* is the most comprehensive study of the image of the scientist in Western literature and film

Literary Remains Eileen J. Cheng, 2013-04-30 Lu Xun 1881 1936 arguably twentieth century China's greatest writer is commonly cast in the mold of a radical iconoclast who vehemently rejected traditional culture The contradictions and ambivalence so central to his writings however are often overlooked Challenging conventional depictions Eileen J Cheng's innovative readings capture Lu Xun's disenchantment with modernity and his transformative engagements with traditional literary conventions in his modern experimental works Lurking behind the ambiguity at the heart of his writings are larger questions on the effects of cultural exchange accommodation and transformation that Lu Xun grappled with as a writer How can a culture estranged from its vanishing traditions come to terms with its past How can a culture severed from its roots and alienated from the foreign conventions it appropriates conceptualize its own present and future *Literary Remains* shows how Lu Xun's own literary encounter with the modern involved a sustained engagement with the past His creative writings which imitate adapt and parody traditional literary conventions represent and mirror the trauma of cultural disintegration in content and in form His contradictory uncertain and at times bizarrely incoherent narratives refuse to conform to conventional modes of meaning making or teleological notions of history opening up imaginative possibilities for comprehending the past and present without necessarily reifying them Behind Lu Xun's refusal to mourn that is his insistence on keeping the past and the dead alive in writing lies an ethical claim to recover the redemptive meaning of loss Like a solitary wanderer keeping vigil at the site of destruction he sifts through the debris composing epitaphs to mark both the presence and absence of that which has gone before and will soon come to pass For in the rubble of what remains he recovered precious gems of illumination through which to assess critique and transform the moment of the present *Literary Remains* shows how Lu Xun's literary enterprise is driven by a radical hope that in spite of the destruction he witnessed and the limits of representation his writings like the texts that inspired his own might somehow capture glimmers of the past and

the present and illuminate a future yet to unfold Literary Remains will appeal to a wide audience of students and scholars interested in Lu Xun modern China cultural studies and world literature *R. O. A. M. ,Ramblings of A Madman - Space, Time, Travel, Evolution, Pyramids, Einstein, Darwin, Aliens, UFOs, Ghosts, the Paran* Jonathan Royle,T H.
