A bright, circular light flare is visible on the right side of the image, partially overlapping the woman's face and the background. The overall tone is warm and serene.

Reflections On The Christ:

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him *Reflections of the Christ Mind* presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today *Reflections of the Christ Mind* Paul Ferrini, 2000

Richard Rohr, Patrick Boland, 2021-02-16 In this companion to *The Universal Christ* Richard Rohr and Patrick Boland offer forty reflections and practices exploring what it means to live in Christ In his landmark book *The Universal Christ* Richard Rohr articulated a transformative view of what it means to recognize Jesus as Christ as a portrait of God s constant unfolding work in the world Now in partnership with Patrick Boland a psychotherapist and member of Rohr s Center for Action and Contemplation community he invites readers to engage with the themes of the book through spiritual practice Each reflection in this book draws on a key passage of *The Universal Christ* paired with prayers journal prompts and embodied exercises that invite readers into a more personal encounter with the truth that the presence and compassion of the Christ are in every thing Whether read daily for the season of Lent or explored over the course of a year *Every Thing Is Sacred* is a hope filled
