Freeman,2007-04 The enclosed poems are on various subjects most of which are my own personal religious viewpoints from anything as typical as finding a poem at a garage sale i.e. prayer by an unknown Confederate soldier patriotic poems two poems about dogs i.e. Ode to Dominique and O Good Shepherd with religious crossovers many of them carry my affinity toward angels anywhere from a few lines i.e. Hearken to the Angels to mere mentionings of angels or other religious topics that I feel strongly about i.e. Circles from Heaven which is basically about man and wife three poems about Christmas poems either about Jesus or my personal feelings on societal topics most of which I have tried to overlay religious topics and mix them with how I feel certain topics of society should be Then there are also everyday topics i.e. nature friendship old neighbors soothsayers etc that may or may not have religious overtones and poems on holidays i.e. Easter Memorial Day the aforementioned Christmas poems etc I tried to include poems also for those people who don't believe in God i.e. Where do Atheists go all poems written with feeling and inspiration were not written to offend anyone and said author apologizes beforehand if certain viewpoints of said poems which were written with enjoyment do offend anyone The author hopes that if you do have a notion to pick up this book that you will at least find one poem you do like as the author tried to put some variety in her poetry **Reflections** Elsie Gee,Bill Gee,1997-01-01 **Reflections** Daron Kenneth,2012-09-27

Individual poems speak specifically to the experience of the empty nest role reversals separations and adaptations to language and culture Swinglish and made up words appear throughout the work along with chants and spells which is why these poems have enjoyed popularity as performance poems For every poet there comes a time when a poet needs to assemble his/her own favorites for this kind of book a reflection
