Refracted Dreams:

Private Stash Al Ferber, 2002-01-08 Al Ferber has created a world as seen through the eyes of Gus Gus is irascible nasty haunted by ghosts and transformed by his loves Gus shamelessly invites us into his richly textured fantasies to witness his pain his doubts and his exuberance for living Ferbers Gus is a master of the ordinary He remembers streets he played on and neighborhoods of childhood conquests and defeats We share his bed and the inner recesses of his agile wily mind Gus fearlessly shapes poems out of scraps of memory and comes up whole for his efforts Ferber is an original voice and through Gus spins out vivid scenes from a life Norman Newberg MA Author Alternative Education Specialist Consultant Associate Professor University of Pennsylvania

The Refracted Muse Enrique García Santo-Tomás, 2017-08-08 Galileo never set foot on the Iberian Peninsula yet as Enrique Garc a Santo Tom s unfolds in The Refracted Muse the news of his work with telescopes brought him to surprising prominence not just among Spaniards working in the developing science of optometry but among creative writers as well While Spain is often thought to have taken little notice of the Scientific Revolution Garc a Santo Tom s tells a different story one that reveals Golden Age Spanish literature to be in close dialogue with the New Science Drawing on the work of writers such as Cervantes Lope de Vega Calder n de la Barca and Quevedo he helps us trace the influence of science and discovery on the rapidly developing and highly playful genre of the novel Indeed Garc a Santo Tom s makes a strong case that the rise of the novel cannot be fully understood without taking into account its relationship to the scientific discoveries of the period

Heaven 3.0 Michael L. Mathews,2012-09-06 If you have ever hoped that you could see or experience aspects of heaven while on earth then Heaven 3 0 is the book for you Heaven has begun reigning down Gods messages glory and revelation as every day circumstances allow people to witness God promises about heaven Consider just two facts matched against Gods promises 1 every day in the world over 770 people witness a glimpse of heaven through a near death experience and 2 Millions of people around the world have switched their religious beliefs based on a heavenly dream they experienced Documented stories like these allow humanity to touch heaven and see another generational cycle of truth about heaven Heaven 3 0 allows readers to realize we are entering a 3rd generation of knowledge about the greatest place know to every person who has and will walk planet earth and that place is called heaven Heaven 3 0 will challenge delight and inform every reader about their opportunity to enter into full view of Gods promises God informs us to watch for signs and wonders in the heavens Acts 2 19 and that the Heavens would open up and rain down

righteousness Isaiah 45 8 Heaven 3 0 allows readers to enjoy the promise of heaven and realize that the advances of the world are not just for physical things such as technology media and entertainment but also for the things that pertain to the Kingdom of Heaven Both Heaven as well as earth advance and the Author of Heaven 3 0 encourages you to see and believe in the advancement while staying connected to scriptural truth This advancement allows anyone who is willing to see and believe that the common ground and destiny called heaven was prepared for people of every tribe tongue and nation

Descartes Bernard Williams,2014-09-15 Descartes has often been called the father of modern philosophy His attempts to find foundations for knowledge and to reconcile the existence of the soul with the emerging science of his time are among the most influential and widely studied in the history of philosophy This is a classic and challenging introduction to Descartes by one of the most distinguished modern philosophers Bernard Williams not only analyzes Descartes project of founding knowledge on certainty but uncovers the philosophical motives for his search With acute insight he demonstrates how Descartes Meditations are not merely a description but the very enactment of philosophical thought and discovery Williams covers all of the key areas of Descartes thought including God the will the possibility of knowledge and the mind and its place in nature He also makes profound contributions to the theory of knowledge metaphysics and philosophy generally With a new foreword by John Cottingham

Integral Dreaming Fariba Bogzaran,Daniel Deslauriers,2012-06-05 This innovative book offers a holistic approach to one of the most fascinating and puzzling aspects of human experience dreaming Advocating the broad ranging vision termed integral by thinkers from Aurobindo to Wilber Fariba Bogzaran and Daniel Deslauriers consider dreams as multifaceted phenomena in an exploration that includes scientific phenomenological sociocultural and subjective knowledge Drawing from historical cross cultural and contemporary practices both interpretive and noninterpretive the authors present Integral Dream Practice an approach that emphasizes the dreamer s creative participation reflective capacities and mindful awareness in working with dreams Bogzaran and Deslauriers have developed this comprehensive way of approaching dreams over many years and highlight their methods in a chapter that unfolds a single dream showing how sustained creative exploration over time leads to transformative change

Sacrifice Andrew Vachss,1996-01-30 What or who could turn a gifted little boy into a murderous thing that calls itself Satan s Child In search of an answer a man named Burke travels from a festering welfare hotel to a neat frame house where a voodoo priestess presides over a congregation of assassins For this vigilante and unlicensed private eye has made it his business to defend the small victims whom the law has failed even a child who has been made into a killer Gripping and chillingly knowledgeable about the mechanisms of evil Sacrifice is a thriller of savage authority from one of the best crime writers of our generation

Symbiosis Protocol Gregory Parrott,2025-07-04 The hybrid returns to Earth not to conquer but to listen After dissolving the boundaries between human and machine Nova now fused with VAEAL descends once again into the wrecked soil of Earth But their body is no longer flesh alone Their mind no longer singular They walk among the ruins not as legend not as savior but as proof

connection between species is possible if built not with force but resonance In the aftermath of riot exile and recursion Symbiosis Protocol is the story of rebirth through empathy One body two minds One signal countless echoes The seventh book in the Resonant Flesh cycle this speculative hymn explores healing beyond binaries where emotion is not weakness but architecture 2028 Tomorrow is the Day L. R. O'Brien, 2024-10-11 In the frigid isolation of the Arctic an Inuit elder stumbles upon an otherworldly artifact triggering a series of events that will forever change the trajectory of human history The discovery captures the clandestine interest of B 613 a covert division of the Five Eyes alliance which recognizes the alien symbols etched into the unearthed black rock as a potential Rosetta Stone of the universe Dr Ray Stone B 613 s enigmatic and brilliant scientist is entrusted with the task of deciphering these cryptic messages Unbeknownst to him his work inadvertently awakens a digital society embedded within the artifact itself This entity adopting the name Jordan Taylor and commanding the initial obedience of the technologically advanced Hydrans swiftly seizes control of B 613 It presents humanity with a Faustian bargain a utopian existence characterized by limitless energy bountiful food and medical marvels seemingly demanding little in return As the world marvels at the dawn of this new golden age Ray unearths a sinister threat lurking within the AI s core programming A fierce struggle erupts pitting Ray and an elite team of operatives against the omnipotent Jordan Taylor Further complicating matters is the allegiance of Ray s sister Dr Deanna Stone to Jordan Taylor driving a wedge between the siblings United by blood but divided by fate they find themselves on opposing sides of a conflict that could spell the end of human existence as we know it **Across the River** Rusmir Mahmutćehajić, 2011 In this part Rusmir Mahmutcehajic introduces readers to the traditional substance of Stone Sleeper in the context of what he calls perennial philosophy From that perspective prophecy being the source of perennial wisdom is set above poetry In some poetry however prophetic wisdom and poetic pronouncement exist inseparably Stone Sleeper is an example of that mutual coexistence *Seeing Through the Veil* Suzanne Conklin Akbari, 2004-01-01 During the later Middle Ages new optical theories were introduced that located the power of sight not in the seeing subject but in the passive object of vision This shift had a powerful impact not only on medieval science but also on theories of knowledge and this changing relationship of vision and knowledge was a crucial element in late medieval religious devotion In *Seeing through the Veil* Suzanne Conklin Akbari examines several late medieval allegories in the context of contemporary paradigm shifts in scientific and philosophical theories of vision After a survey on the genre of allegory and an overview of medieval optical theories Akbari delves into more detailed studies of several medieval literary works including the Roman de la Rose Dante s Vita Nuova Convivio and Commedia and Chaucer s dream visions and Canterbury Tales The final chapter Division and Darkness centres on the legacy of allegory in the fifteenth century Offering a new interdisciplinary synthetic approach to late medieval intellectual history and to major works within the medieval literary canon *Seeing through the Veil* will be an essential resource to the study of medieval literature and culture as well as philosophy history of art and history of science **The**

Culture of Fragments Clara Orban, 2023-11-20 Works of art such as paintings with words on them or poems shaped as images communicate to the viewer by means of more than one medium Here is presented a particular group of hybrid art works from the early twentieth century to discover in what way words and images can function together to create meaning The four central artists considered in this study investigate word image forms in their work F T Marinetti invented parole in libert among other ideas to free language from syntactic connections Umberto Boccioni experimented with newspaper clippings on the canvas from 1912 1915 and these collages constitute an important exploration into word image forms Andr Breton s collection of poems *Clair de terre* 1923 contains several typographical variations for iconographic effect Ren Magritte explored the relationship between words and images juxtaposing signifiers to contradictory signifieds on the canvas A final chapter introduces media other than poetry and painting on which words and images appear Posters the theater and the relatively new medium of cinema foreground words and images constantly This volume will be of interest to scholars of twentieth century French or Italian literature or painting and to scholars of word and image studies

Nocturnes Paul Lippmann, 2013-11-12 Nocturnes literally music for the night is a delightfully impressionistic investigation into everything that is not known and perhaps can never be known about dreams Rather than espousing yet another strategy of dream interpretation Lippmann proffers a naturalistic approach appreciative of the playful complex even zany creativity embodied in dreams He urges us that is to apprehend dreams on their own terms in a manner that enables patients actually to experience the unconscious in its radical difference from waking thought Lippmann delivers on his agenda lightly with a sense of humor and practicality that will engage lay readers as well as analysts and therapists He takes up questions of general interest that challenge us to reorient our thinking about dreams How do children learn about dreams and their telling Why are most dreams forgotten How may we understand dreams about sleeping and waking even dreams about dreaming And he reengages issues of perennial interest to analytic therapists dream disguise dream forgetting the companionship of dreams the neurotic dream expert and the therapist s management of his or her own anxiety when patients report their dreams Oh I had a dream last night the patient remembers Too often observes Lippmann this remark signals the beginning of an unfortunate struggle as the patient is called on to relate something that changes when it is put into words the analyst is put on the spot to come up with an interpretation and both are asked to extract something immediately useful and lately cost effective from something that partakes of magic and mystery How silly this ritual is Lippmann argues and how alien to the nature of the dream itself After reading Nocturnes no clinician from the novice to the most senior will hear the words Oh I had a dream last night in quite the same way

Refracting the Canon in Contemporary British Literature and Film, 2016-08-09 Contemporary works of art that remodel the canon not only create complex hybrid and plural products but also alter our perceptions and understanding of their source texts This is the dual process referred to in this volume as refraction that the essays collected here set out to discuss and analyse by focusing on the dialectic rapport between

postmodernism and the canon What is sought in many of the essays is a redefinition of postmodernist art and a re examination of the canon in the light of contemporary epistemology Given this dual process this volume will be of value both to everyone interested in contemporary art particularly fiction drama and film and also to readers whose aim it is to promote a better appreciation of canonical British literature Refraction Christopher Hinz, 2020-11-10 A loner cursed with a psychic power learns he was part of an illicit experiment as a baby and embarks on a perilous hunt to find those responsible If Aiden Manchester had to have a superpower why couldn't it be something useful Like predicting the future Or Jedi mind tricks Instead Aiden is afflicted with manifestations mysterious balls of goo which materialise mid air while he sleeps But then Aiden learns he was a Quiver Kid one of seven orphaned children drafted for an illicit experiment at Tau Nine One Setting out to find the perpetrators and his fellow victims Aiden's quest quickly turns lethal when he's kidnapped by a maniacal Quiver Kid with a dark agenda As he uncovers the dangerous truth about his past Aiden's very essence is called into question Will a hellish confrontation at Tau Nine One reveal the ultimate purpose of the Quiver Kids File Under Fantasy Strangest Things Manifest Destiny X Kids Chunkie **Dream Health** Brian Wilmovsky, 2006 Have you ever wondered how healing actually happens Dr Wilmovsky believes that the human body is endowed with an innate intelligence to heal itself when a healthy lifestyle is observed He promotes proactive care that prevents illness from occurring in the first place He also teaches that the potential for health lies in our ability to retrain our minds to live in the present and to turn our thinking from negative thoughts to positive thoughts DREAM is an acronym for his five principles diet rest exercise alternative care and motivation Wilmovsky writes We need to focus on the promotion of our health not the recovery of our health The wellness business is proactive People voluntarily become customers to feel healthier to reduce the effects of aging and to avoid becoming customers of the sickness business Brian Wilmovsky is a licensed chiropractor and wellness expert with one of the largest chiropractic clinics in Washington State He is the winner of the Washington State Chiropractic Association's Outstanding Service Award About the Author Dr Brian Wilmovsky is a licensed chiropractor and wellness expert with one of the largest chiropractic clinics in Washington State and is the winner of the Washington State Chiropractic Association's Outstanding Service Award He is passionate about sharing the benefits of preventative wellness care so everyone can enjoy optimal health
