Refugees And Gender:

Gender in Refugee Law Efrat Arbel, Catherine Dauvergne, Jenni Millbank, 2014-04-16 Questions of gender have strongly influenced the development of international refugee law over the last few decades This volume assesses the progress toward appropriate recognition of gender related persecution in refugee law It documents the advances made following intense advocacy around the world in the 1990s and evaluates the extent to which gender has been successfully integrated into refugee law Evaluating the research and advocacy agendas for gender in refugee law ten years beyond the 2002 UNHCR Gender Guidelines the book investigates the current status of gender in refugee law It examines gender related persecution claims of both women and men including those based on sexual orientation and gender identity and explores how the development of an anti refugee agenda in many Western states exponentially increases vulnerability for refugees making gendered claims The volume includes contributions from scholars and members of the advocacy community that allow the book to examine conceptual and doctrinal themes arising at the intersection of gender and refugee law and specific case studies across major Western refugee receiving nations The book will be of great interest and value to researchers and students of asylum and immigration law international politics and gender studies **Refugee Women** Leah

Bassel, 2012-05-31 Debates over the headscarf and niqab so called sharia tribunals Female Genital Operations and forced marriages have raged in Europe and North America in recent years raising the question does accommodating Islam violate women s rights The book takes issue with the terms of this debate It contrasts debates in France over the headscarf and in Canada over religious arbitration with the lived experience of a specific group of Muslim women Somali refugee women The challenges these women eloquently describe first hand demonstrate that the fray over accommodating culture and religion neglects other needs and engenders a democratic deficit In *Refugee Women Beyond Gender versus Culture* new theoretical perspectives recast both the story told and who tells the tale By focusing on the politics underlying how these debates are framed and the experiences of women at the heart of these controversies women are considered first and foremost as democratic agents rather than actors in the culture versus gender script Crucially the institutions and processes created to address women s needs are critically assessed from this perspective Breaking from scholarship that focuses on whether the accommodation of culture and religion harms women Bassel argues that this debate ignores the realities of the women at its heart In these debates Muslim women are constructed as silent victims Bassel pleads compellingly for a consideration of women in all their complexity as active participants in democratic life The book will appeal to students and scholars throughout the social sciences particularly of sociology political science and women s studies **Refugees and Gender**

Heaven Crawley, 2001 *Refugees and Gender Law and Process* examines how those representing asylum seekers can ensure that all gender related aspects of an asylum claim are considered and appropriately reflected in the determination process The book aims to provide a comprehensive understanding of the concepts of gender related persecution as well as a

gendered framework for the interpretation of the key elements of the 1951 Refugee Convention Detailed information is provided on the implications of gender in asylum law policy and practice in the UK with comparative case law and materials from other countries including Canada US and Australia Refugees and Gender Law and Process provides a theoretical overview an outline of case law and a practical resource which is intended to improve standards of representation and decision making and to increase awareness of the gendered experiences of refugees facing persecution *Gender, Violence, Refugees* Susanne Buckley-Zistel, Ulrike Krause, 2017-08-01 Providing nuanced accounts of how the social identities of men and women the context of displacement and the experience or manifestation of violence interact this collection offers conceptual analyses and in depth case studies to illustrate how gender relations are affected by displacement encampment and return The essays show how these factors lead to various forms of direct indirect and structural violence This ranges from discussions of norms reflected in policy documents and practise the relationship between relief structures and living conditions in camps to forced military recruitment and forced return and covers countries in Africa Asia and Europe

Development & Diaspora Wenona Mary Giles, Penny Van Esterik, 1996 Extrait de l introduction The survival strategies and resilience of refugee women are vital to substenance and social change in their households workplaces and communities As we write this introduction Rwandese women and men and their families are becoming refugees in huge numbers just as in the past people from Vietnam Cambodia Laos Bosnia Sudan Mozambique have moved into exile News reports tell of the devastating circumstances that often await refugees makeshift camps devoid of water food health care and other basic human needs in addition to threats to security The forced displacement of millions of people across the world indicates that to remain safely in one s home community and country is no longer a fundamental human right It is difficult to step back from devastating images of refugees to see these women as individuals And it is equally difficult to distance oneself by theoretical and abstract analysis But feminist praxis must always be informed by theory and theory by praixs In this book we work toward change by examining the position of various groups of refugee women in history and theory cross culturally and across disciplines and professions **Only Rape! Human Rights and Gender Equality for Refugee Women** Eileen

Pittaway, Linda Albina Bartolomei, 2022-11-29 This book charts the roller coaster ride taken by the authors over the past 33 years in the ongoing fight to acknowledge prevent and respond to the rape and sexual abuse of women in conflict and displacement situations They have worked with an international network of academics refugee women and human rights activists in 22 countries The story moves between refugee camps and the United Nations refugee settlements in cities and national governments Theory and ethical research methods are an important part of the story At times it is very confronting sometimes amusing and often uplifting *Research Handbook on Migration, Gender, and COVID-19* Marie McAuliffe, Céline Bauloz, 2024-01-18 Drawing together the latest research on migration gender and COVID 19 this erudite Research Handbook contributes to a better understanding of the immediate and longer term implications of the pandemic on gender dynamics

and roles in international migration Providing a wealth of expert critical analysis it considers post COVID 19 realities and assesses the future scope of research in this interdisciplinary field of study *The Gender and Security Agenda* Chantal de Jonge Oudraat, Michael E. Brown, 2020-05-27 This book examines the gender dimensions of a wide array of national and international security challenges The volume examines gender dynamics in ten issue areas in both the traditional and human security sub fields armed conflict post conflict terrorism military organizations movement of people development environment humanitarian emergencies human rights governance The contributions show how gender affects security and how security problems affect gender issues Each chapter also examines a common set of key factors across the issue areas obstacles to progress drivers of progress and long term strategies for progress in the 21st century The volume develops key scholarship on the gender dimensions of security challenges and thereby provides a foundation for improved strategies and policy directions going forward The lesson to be drawn from this study is clear if scholars policymakers and citizens care about these issues then they need to think about both security and gender This will be of much interest to students of gender studies security studies human security and International Relations in general The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Gender and Migration* Anastasia Christou, Eleonore Kofman, 2022-03-07 This open access short reader offers a critical review of the debates on the transformation of migration and gendered mobilities primarily in Europe though also engaging in wider theoretical insights Building on empirical case studies and grounded in an analytical framework that incorporates both men and women masculinities sexualities and wider intersectional insights this reader provides an accessible overview of conceptual developments and methodological shifts and their implications for a gendered understanding of migration in the past 30 years It explores different and emerging approaches in major areas such as gendered labour markets across diverse sectors beyond domestic and care work to include skilled sectors of social reproduction the significance of families in migration and transnational families displacement asylum and refugees and the incorporation of gender and sexuality in asylum determination academic critiques and gendered discourses concerning integration often with the focus on Muslim women The reader concludes with considerations of the potential impact of three notable developments on gendered migrations and mobilities Black Lives Matter Brexit and COVID 19 As such it is a valuable resource for students academics policy makers and practitioners **The Palgrave Handbook of Gender and Migration** Claudia Mora, Nicola Piper, 2021-02-16 This handbook adopts a distinctively global and intersectional approach to gender and migration as social class race and ethnicity shape the process of migration in its multiple dimensions A large range of topics exploring gender sexuality and migration are presented including feminist migration research care family emotional labour brain drain and gender parenting gendered geographies of power modern slavery women and refugee law masculinities and more Scholars from North and South America Europe Asia and Oceania delve into institutional

normative and day to day practices conditioning migrants rights opportunities and life chances based on material from around the world This handbook will be of great interest to students and scholars across a range of disciplines including Women s and Gender Studies Sociology Sexuality Studies Migration Studies Politics Social Policy Public Policy and Area Studies

Gendering the International Asylum and Refugee Debate J. Freedman,2015-06-23 This revised and updated 2nd edition of Freedman s hard hitting study aims to remedy the current lack of gender specific analyses of asylum and refugee issues It provides a comprehensive account of the situation of women in global forced migration and explains the ways in which women s experiences are shaped by gendered relations and structures

The Sage Encyclopedia of Refugee Studies Yen Le Espiritu,2025-09-01 Refugees and displacement are defining issues of the 21st century with over 70 million asylum seekers refugees and stateless individuals forced from their homes as of 2020 Every two seconds one person is forcibly displaced due to climate change global epidemics and ongoing conflicts The SAGE Encyclopedia of Refugee Studies edited by members of The Critical Refugee Studies Collective serves as a vital and comprehensive resource for understanding the historical political and cultural dimensions of displacement Featuring over 250 authoritative articles this landmark reference work is organized into three key themes law politics and policy humanitarianism and humanitarian organizations and media culture and storytelling Drawing from disciplines such as migration studies Indigenous studies critical race studies environmental studies sociology political science law anthropology and the arts this encyclopedia critically examines refugee issues in relation to imperialism racism patriarchy and militarism Beyond academic analysis The SAGE Encyclopedia of Refugee Studies centers refugee voices through narratives first person accounts and visual storytelling highlighting the lived experiences communities and creative expressions of displaced individuals This essential resource is invaluable for scholars educators policymakers community based organizations and refugees themselves

Gender and Refugee Status Thomas Spijkerboer,2017-03-02 This is the first comprehensive socio legal study of the interrelation between gender and the law of refugee status In the past decade the issue has received increasing attention in academic writing the media and the courtroom This book contains an interdisciplinary analysis The empirical data collected for this study and not published previously concerns Dutch asylum practice The Netherlands is a prominent refugee receiving country in Europe yet hardly any English texts address Dutch refugee law The book also covers foreign case law and academic writing Therefore the analysis is relevant for all refugee receiving countries in the Western world the empirical data on The Netherlands functions as a case study The book combines perspectives of post structuralist feminism and post colonial studies Refugee women are constructed as a double other This intersectionality is related to the construction of the Third World as feminine passive in need of active outside intervention etc etc The book provides a comprehensive overview of academic writing and of case law on the subject On this basis of theoretical perspectives that were almost ignored until now it develops an innovative critique of refugee law discourse and outlines its possible consequences for legal doctrine

Sudanese Women Refugees J.

Edward,2007-10-29 This book examines the social cultural economic and political transformations that have occurred among southern Sudanese women refugees as they experience life in Cairo Egypt It intends to show how these women use their newly acquired skills and knowledge to challenge their past and to challenge the image of women refugees as victims and dependents The author counters previous literature s tendency to categorize these women as victimized dependent and backwards rather than recognizing their strength and contributions to their new societies Gender and Refugee Status

Thomas Spijkerboer,2000 A comprehensive socio legal study of the interrelation between gender and the law of refugee status The book contains an interdisciplinary analysis The empirical data collected for this study concerns Dutch asylum practice The Netherlands is a prominent refugee receiving country in Europe yet hardly any English texts address Dutch refugee law The book also covers foreign case law and academic writing Therefore the analysis is relevant for all refugee receiving countries in the Western world the empirical data on the Netherlands functions as a case study The book combines perspectives of post structuralist feminism and post colonial studies Refugee women are constructed as a double other This intersectionality is related to the construction of the Third World as feminine passive in need of active outside intervention

Women, Gender and Labour Migration Pamela Sharpe,2002-01-31 New and original research which fills a gap in the market of migration studies Covers a broad range of topics Clearly and accessibly written **The Oxford Handbook of Refugee and Forced Migration Studies** Elena Fiddian-Qasmiyeh,Gil Loescher,Katy Long,Nando Sigona,2014-06-12 Refugee and Forced Migration Studies has grown from being a concern of a relatively small number of scholars and policy researchers in the 1980s to a global field of interest with thousands of students worldwide studying displacement either from traditional disciplinary perspectives or as a core component of newer programmes across the Humanities and Social and Political Sciences Today the field encompasses both rigorous academic research which may or may not ultimately inform policy and practice as well as action research focused on advocating in favour of refugees needs and rights This authoritative Handbook critically evaluates the birth and development of Refugee and Forced Migration Studies and analyses the key contemporary and future challenges faced by academics and practitioners working with and for forcibly displaced populations around the world The 52 state of the art chapters written by leading academics practitioners and policymakers working in universities research centres think tanks NGOs and international organizations provide a comprehensive and cutting edge overview of the key intellectual political social and institutional challenges arising from mass displacement in the world today The chapters vividly illustrate the vibrant and engaging debates that characterize this rapidly expanding field of research and practice **The Routledge Handbook of Gender and Development** Anne Coles,Leslie Gray,Janet Momsen,2015-02-20 The Routledge Handbook of Gender and Development provides a comprehensive statement and reference point for gender and development policy making and practice in an international and multi disciplinary context Specifically it provides critical reviews and appraisals of the current state of gender and development and considers future

trends It includes theoretical and practical approaches as well as empirical studies The international reach and scope of the Handbook and the contributors experiences allow engagement with and reflection upon these bridging and linking themes as well as the examining the politics and policy of how we think about and practice gender and development Organized into eight inter related sections the Handbook contains over 50 contributions from leading scholars looking at conceptual and theoretical approaches environmental resources poverty and families women and health related services migration and mobility the effect of civil and international conflict and international economies and development This Handbook provides a wealth of interdisciplinary information and will appeal to students and practitioners in Geography Development Studies Gender Studies and related disciplines

A Gendered Approach to the Syrian Refugee Crisis Jane Freedman,Zeynep Kivilcim,Nurcan Özgür Baklacioğlu,2017-02-24 The refugee crisis that began in 2015 has seen thousands of refugees attempting to reach Europe principally from Syria The dangers and difficulties of this journey have been highlighted in the media as have the political disagreements within Europe over the way to deal with the problem However despite the increasing number of women making this journey there has been little or no analysis of women s experiences or of the particular difficulties and dangers they may face A Gendered Approach to the Syrian Refugee Crisis examines women s experience at all stages of forced migration from the conflict in Syria to refugee camps in Lebanon or Turkey on the journey to the European Union and on arrival in an EU member state The book deals with women s experiences the changing nature of gender relations during forced migration gendered representations of refugees and the ways in which EU policies may impact differently on men and women The book provides a nuanced and complex assessment of the refugee crisis and shows the importance of analysing differences within the refugee population Students and scholars of development studies gender studies security studies politics and middle eastern studies will find this book an important guide to the evolving crisis

The Ideal Refugees Elena Fiddian-Qasmiyeh,2014-02-11 Refugee camps are typically perceived as militarized and patriarchal spaces and yet the Sahrawi refugee camps and their inhabitants have consistently been represented as ideal in nature uniquely secular and democratic spaces and characterized by gender equality Drawing on extensive research with and about Sahrawi refugees in Algeria Cuba Spain South Africa and Syria Fiddian Qasmiyeh explores how why and to what effect such idealized depictions have been projected onto the international arena
