Religion Southern Style Norman Alexander Yance, 1978-01-01 Bulletin - Council on the Study of Religion Council on the Study of Religion, 1982 *Home without Walls* Carol Crawford Holcomb, 2020-04-07 A critical examination of the Woman's Missionary Union and how it shaped the views of Southern Baptist women The Woman's Missionary Union WMU founded in 1888 carved out a uniquely feminine space within the Southern Baptist Convention during the tumultuous years of the Progressive Era when American theologians were formulating the social gospel These women represented the Southern Baptist elite and as such had the time to read write and discuss ideas with other Southern progressives They rubbed shoulders with more progressive Methodist and Presbyterian women in clubs and ecumenical missionary meetings Baptist women studied the missionary publications of these other denominations and adopted ideas for a Southern Baptist audience *Home without Walls* Southern Baptist Women and Social Reform in the Progressive Era shows how the social attitudes of women were shaped at the time By studying primary documents including personal letters official exchanges and memoranda magazine publications newsletters and editorials Carol Crawford Holcomb uncovers ample evidence that WMU leaders aware of the social gospel and sympathetic to social reform appropriated the tools of social work and social service to carry out their missionary work Southern Baptist women united to build a financial empire that would sustain the Southern Baptists through the Great Depression and beyond Their social attitudes represented a kaleidoscope of contrasting opinions By no stretch of the imagination could WMU leaders be characterized as liberal social gospel advocates However it would also be wrong to depict them as uniformly hostile to progressivism or ignorant of contemporary theological ideas In the end they were practical feminists in their determination to provide a platform for women's views and a space for women to do meaningful work Texas Baptist Leadership and Social Christianity, 1900-1980 John Woodrow Storey, 1986 *Bulletin* Council on the Study of Religion, 1983 **The New Crusades, the New Holy Land** David T. Thinking With the Church Derek C. Hatch, 2017-12-08 Over the centuries Baptists have labored to follow Christ in faithful devotion and service More recently they have occasionally partnered with fellow Christians from other traditions in these efforts while learning from each other along the way In *Thinking With the Church* Derek Hatch argues that Baptists need to follow the same pattern when it comes to their theological reflection engaging the wisdom of all Christian pilgrims across time This will require a new theological method ressourcement that embraces Baptists place within the Great Tradition of the Christian faith Such work will not abandon long held Baptist convictions but offers resources for renewing Baptists theological vision as they participate in the fullness of the mystical body of Christ

Subject Guide to Books in Print ,2001 *Paperbound Books in Print* ,1992 **The International Authors and Writers Who's who** Ernest Kay,1986 Theology After Christendom Joshua T. Searle,2018-02-14 Christianity must be understood not as a religion of private salvation but as a gospel movement of universal compassion which transforms the world in the power of God's truth Amid several major global crises including the rise of terrorism and religious fundamentalism and a sudden resurgence of political extremism Christians must now face up fearlessly to the challenges of living in a post truth age in which deceitful politicians present their media spun fabrications as alternative facts This book is an attempt to enact a transformative theology for these changing times that will equip the global Christian community to take a stand for the gospel in an age of cultural despair and moral fragmentation The emerging post Christendom era calls for a new vision of Christianity that has come of age and connects with the spiritual crisis of our times In helping to make this vision a reality Searle insists that theology is not merely an academic discipline but a transformative enterprise that changes the world Theology is to be experienced not just behind a desk in an armchair or in a church but also in hospitals in

foodbanks in workplaces and on the streets Theology is to be lived as well as read Politics and Piety Aaron Menikoff, 2014-05-29 Historians have painted a picture of nineteenth century Baptists huddled in clapboard meetinghouses preaching sermons and singing hymns seemingly unaware of the wider world According to this view Baptists were so heavenly minded they were of no earthly good Overlooked are the illustrative stories of Baptists fighting poverty promoting abolition petitioning Congress and debating tax policy Politics and Piety is a careful look at antebellum Baptist life It is seen in figures such as John Broadus whose first sermon promoted temperance David Barrow who formed an anti slavery association in Kentucky and in a Savannah church that started a ministry to the homeless Not only did Baptists promote piety for the good of their churches but they did so for the betterment of society at large Though they aimed to change America one soul at a time that is only part of the story They also engaged the political arena forcefully and directly Simply put Baptists were social reformers Relying on the ideas of rank and file Baptists found in the minutes of local churches and associations as well as the popular parochial newspapers of the day Politics and Piety uncovers a theologically minded and controversial movement to improve the nation Understanding where these Baptists united and divided is a key to unlocking the differences in evangelical political engagement today *Religious Periodicals Directory* G. P. Cornish, 1986
