Remaking Motherhood How Working Mothers Are Shaping Our Childrens Future:

Remaking Motherhood Anita Shreve,1988 This study proposes that the children of working mothers are enriched rather than deprived and enjoy greater independence and a fuller sense of life s options **Working Mother** ,1987-07 The magazine that helps career moms balance their personal and professional lives *Motherhood* Anne Manne,2005-09 Covers the debates over early institutional childcare the problems of reconciling work and family life the crisis of fertility and the impact of the new capitalism on the changing landscape of childhood **Representations of Motherhood** Donna Bassin,Margaret Honey,Meryle Mahrer Kaplan,1994-01-01 Explores the maternal experience from the mother s point of view The book questions a society that has devalued and sentimentalized motherhood and presents images of generative and creative women who are also mothers It also discusses the portrayal of mothers in art film and literature **Taking Sex Differences Seriously** Steven E. Rhoads,2010-05 Most discussions of sexuality today assume that differences between men and women are insubstantial and that the boundary between the masculine and the feminine is highly porous To reflect the idea that male and female roles have been socially constructed they speak of gender instead of sex and ridicule the double standard of studs and sluts Because men and women are virtually interchangeable it is argued men should do an equal share of domestic work so that women can compete equally with men outside the home This vision of androgyny has compelling aspects But Dr Steven Rhoads finds one problem whatever we might like to believe sex distinctions remain a deeply rooted part of human nature In *Taking Sex Differences Seriously* he assembles a wealth of scientific evidence showing that these differences are hardwired into our biology They range from the subtle women instinctively carry babies on their left side near the maternal heartbeat to the profound women with higher testosterone levels are more promiscuous more competitive and more conflicted about having children Rhoads explores male female disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men s temptation toward predatory sex and encouraging others like women s greater interest and talent in caring for babies Steven Rhoads dispels social clichs and spotlights biological realities in this provocative book Meticulously researched and elegantly written *Taking Sex Differences Seriously* is a groundbreaking look at the way we are **From Superwomen to Domestic Goddesses** Natasha Campo,2009 This book examines the rise and fall of feminism in the public imagination in the last twenty years and explains why feminism failed me has become the catch cry of a generation Today many women turn their back on feminism because they feel betrayed by the promises of feminism Yet during the 1980s the popular ideal of the Superwoman offered a source of empowerment and pride for women and equality with men even having it all seemed possible Through a close reading of popular culture sources this book shows how women s engagement with feminism has shifted over time and considers its future as a social movement *The Stars are Fire* Anita

Shreve,2017 A novel based on the true story of the largest fire in Maine s history follows the experiences of a pregnant woman who struggles to protect her two young children and watches her home burn while her husband joins the volunteer firefighters **Shaping the Future for Early Childhood Programs** Lawrence J. Schweinhart,Leslie De Pietro,1988

How Does Work Affect the Family? Greenhaven,Greenhaven Press Editors,1989 Various authors debate how sex roles were established and how men and women respond to changes in sex roles Includes critical thinking skills activities

Mothers and Mothering Penelope Dixon,1991 **New Books on Women and Feminism** ,1988 *The Working Woman's Baby Planner* Marla Schram Schwartz,1993 This all in one organizer planner and information resource should help the working mother to be meet the special demands and challenges of both her job and pregnancy Included is help on making the right child care choices tips for prenatal care advice on relieving stress and physical discomfort at work ways to make the most of maternity leave and nutrition vitamin exercise charts Braille Book Review ,1988 The Broadview Anthology of Social and Political Thought - Volume 2: The Twentieth Century and Beyond Andrew Bailey,Samantha Brennan,Will Kymlicka,Jacob T. Levy,Alex Sager,Clark Wolf,2008-09-12 The second volume of this comprehensive anthology covers the twentieth and early twenty first centuries The anthology is broad ranging both in its selection of material by figures traditionally acknowledged as being of central importance and in the material it presents by a range of other figures The material in this volume is presented in three sections The first Power and the State includes selections by such figures as Goldman Lenin Weber Schmitt and Hayek Among those included in the Race Gender and Colonialism section are de Beauvoir Gandhi Fanon and Young The third and by far the longest section Rights Based Liberalism and its Critics focuses on the many interrelated directions that social and political philosophy has taken since the publication of John Rawls s ground breaking A Theory of Justice in 1971 In order to better meet the needs of today s students the editors have made every effort to include accurate and accessible translations of the readings Additionally every selection has been painstakingly annotated and each figure is given a substantial introduction highlighting her or his major contributions within the tradition For figures of central importance the editors have included extended introductions that place the figure in the context of intellectual history as well as of political thought In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume s development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction Twenty-first-century American Novelists Lisa Abney,Suzanne Disheroon Green,2004 Authors at the dawn of the twenty first century focus predictably on topics that influence their society Recurring with notable frequency in the writing of contemporary American authors are issues such as the environment gender roles terrorism and ecoterrorism domestic abuse religion and spirituality technology sexual and racial identities the economy the family and its construction drug use and its social ramifications and a
