Remembering Jody:

Marids & Memory Loss Aurelia Skye, Is Jody crazy or has the world gone mad Jody wakes from a terrible nightmare where she lost Drake into a bewildering world that doesn't feel like her own Drake is the sheriff her mother and grandmother live with her father in Portland her twin children are off to college and the supernatural doesn't exist in this Harrow Bay Everyone says she had a concussion and it's just the aftereffects causing her memory loss and sense that everything is wrong Jody tries to believe that but she can't truly convince herself When she learns she's up against a marid it takes all her strength to fight and it will take more than being strong to get back what she's lost Remembering Boethius Elizabeth Elliott, 2016-03-23 Remembering Boethius explores the rich intersection between the reception of Boethius and the literary construction of aristocratic identity focusing on a body of late medieval vernacular literature that draws on the Consolation of Philosophy to represent and reimagine contemporary experiences of exile and imprisonment Elizabeth Elliott presents new interpretations of English French and Scottish texts including Machaut's Confort d'ami Remede de Fortune and Fonteinne amoureuse Jean Froissart's Prison amoureuse Thomas Usk's Testament of Love and The Kingis Quair reading these texts as sources contributing to the development of the reader's moral character These writers evoke Boethius in order to articulate and shape personal identities for public consumption and Elliott's careful examination demonstrates that these texts often write not one life but two depicting the relationship between poet and aristocratic patron These works associate the reception of wisdom with the cultivation of memory and in turn illuminate the contemporary reception of the Consolation as a text that itself focuses on memory and describes a visionary process of education that takes place within Boethius's own mind In asking how and why writers remember Boethius in the Middle Ages this book sheds new light on how medieval people imagined and reimagined themselves **Jody's Acceptance** Brendah Gaine, 2021-02-24 This story is about a little girl named Jody whose grandmother died a year ago on her tenth birthday She still has feelings of shock sadness and guilt And she longs for her grandmother She learns to accept the loss and develop coping skills including talking to her mother Recalling memories like the birthday present of the blue dress is a way of remembering the good times *The Complete Novels of Lucy Maud Montgomery* Lucy Maud Montgomery, 2023-12-06 The Complete Novels of Lucy Maud Montgomery is a comprehensive compilation that showcases the rich imaginative worlds Montgomery created reflecting her profound understanding of human emotions and relationships Featuring beloved works such as Anne of Green Gables and The Story Girl this collection employs a vibrant lyrical prose style that captures the complexities of rural life in early 20th century Canada Montgomery's intricate characterizations and evocative descriptions evoke a deep sense of nostalgia and belonging immersing readers in a landscape where nature and community intertwine revealing the nuances of identity and belonging in her narratives Lucy Maud Montgomery a pioneering Canadian author drew inspiration from her own experiences growing up in Prince Edward Island A keen observer of the social fabric surrounding her Montgomery's writing reflects her struggles
