Rendezvous with Destiny Franklin Delano Roosevelt, 1969 Rendezvous with Destiny Franklin Delano Roosevelt, 2005 *Rendezvous with Destiny* Franklin Delano Roosevelt, 1944 Rendezvous with Destiny Franklin Delano Roosevelt, J. B. S. Hardman, 2014-03 This Is A New Release Of The Original 1922 Edition **Hollywood Melodrama and the New Deal** Anna Siomopoulos, 2012 While many critics have analyzed the influence of the FDR administration on Hollywood films of the era most of these studies have focused either on New Deal imagery or on studio interactions with the federal government Neither type of study explores the relationship between film and the ideological principles underlying the New Deal This book argues that the most important connections between the New Deal and Hollywood melodrama lie neither in the New Deal iconography of these films nor in the politics of any one studio executive Rather the New Deal figures prominently in Hollywood melodramas of the Depression era because these films engage the political ideas underlying welfare state policies ideas that extended the reach of government into the private realm As the author shows Hollywood melodramas interrogated New Deal principles of liberal empathy consumer citizenship the refeudalization of the state and minimal economic redistribution only to support welfare state ideology in the end *Rendezvous with Destiny* Franklin D. Roosevelt, J. B. S. Hardman, 1969 **A Companion to Franklin D. Roosevelt** William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars FDR and the Modern Presidency William D. Pederson, Mark J. Rozell, 1997-08-26 In this volume Rozell and Peterson bring together a collection of new essays exploring the unparalleled impact of Franklin D Roosevelt on the modern presidency Of all the modern presidents FDR looms largest Indeed most scholars date the origins of the modern presidency to FDR and many assert that no one since has achieved his level of greatness in office The essays are organized into two broad sections The first examines FDR s impact on the creation and development of the administrative presidency and the legacy of the New Deal the second looks at FDR s legacy to presidential leadership and the exercise of presidential powers An important volume for scholars and other researchers of the FDR era and the modern American presidency **The Book and the Right** Maynard Miller, 2010-11 The Pilgrims journeyed toward the New World with a distinct purpose in mind They left behind a life dissatisfying to them and arrived with a vision of liberty and hope They held within themselves the seeds of a nation exceptional in all of history Their convictions paved the way for the colonists who would eventually give form and substance to a government based on the

truth of the ages A unique nation a nation under God would arise and seize the God given right to live free offer opportunity and realize prosperity But contrary to the settlers and founders principles alien elements have arisen in recent years to challenge the American ideal and threaten the foundation of the republic Forces foreign to the Constitution are producing radical changes in our cultural and political life and one nation under God has become one nation under siege The Book and The Right examines those qualities that have made America exceptional but that are endangered at the present time and looks in detail at the causes that are putting her at serious risk It appraises her current direction and stresses the steps she must take to return to the course of her originally chosen destiny The Book and The Right addresses a subject long held taboo and goes to the heart of the issue for answers The author draws on historical theological psychological and political data to pursue the truth and call America back to her roots Maynard Miller holds degrees from Asbury College Southern Baptist Theological Seminary and the University of Kentucky He has been a psychotherapist administrator and college teacher in the mental health human service field A frequent speaker and writer he is a leader in national and international service projects His previous book is The Face in the Mirror American Stories Jason Ripper,2015-02-18 This book is ideal for any introductory American history instructor who wants to make the subject more appealing It s designed to supplement a main text and focuses on personalized history presented through engaging biographies of famous and less well known figures from 1865 to the present Historical patterns and trends appear as they are seen through individual lives and the selection of profiled individuals reflects a cultural awareness and a multicultural perspective
