Restoring The Tenth Amendment The New American Federalist Agenda:

Restoring the Tenth Amendment Donal Devine, 1996-03-01 A hot topic for the ensuing election year and the highest priority on Senator Bob Dole's political agenda Returning government back to the states The liberal progressive domination of the American government ended in 1994 when the people rebelled and elected the first Republican House of Representatives in 40 years What is to replace that system is not yet clear though Devine suggests the only rational and humane alternative is to revitalize the Founder's federalist ideal in a manner suited to modern times The challenge is nothing less than to restore the 10th Amendment

The U.S. Supreme Court and New Federalism Christopher P. Banks, John C. Blakeman, 2012-07-13 Constitutional scholars Christopher P Banks and John C Blakeman offer the most current and the first book length study of the U S Supreme Court's new federalism begun by the Rehnquist Court and now flourishing under Chief Justice John Roberts Using descriptive and empirical methods in political science and legal scholarship and informed by diverse approaches to judicial ideology from historical to new institutionalist they investigate how the U S Supreme Court rulings have shaped the political principle of federalism While the Rehnquist Court reinvigorated new federalism by protecting state sovereignty and set new constitutional limits on federal power Banks and Blakeman show that in the Roberts Court new federalism continues to evolve in a docket increasingly attentive to statutory construction preemption and business litigation In addition they analyze areas of federalism not normally studied by scholars such as religious liberty and foreign affairs

Karthick Ramakrishnan,2015-09-15 Since 2004 the United States has seen a flurry of state and local laws dealing with unauthorized immigrants Though initially restrictionist these laws have recently undergone a dramatic shift toward promoting integration How are we to make sense of this new immigration federalism What are its causes And what are its consequences for the federal state balance of power In *The New Immigration Federalism* Professors Pratheepan Gulasekaram and S Karthick Ramakrishnan provide answers to these questions using a mix of quantitative historical and doctrinal legal analysis In so doing they refute the popular demographic necessity argument put forward by anti immigrant activists and politicians Instead they posit that immigration federalism is rooted in a political process that connects both federal and subfederal actors the Polarized Change Model Their model captures not only the spread of restrictionist legislation but also its abrupt turnaround in 2012 projecting valuable insights for the future **S. 1629--the Tenth Amendment Enforcement Act of 1996** United States.
